STATE ASSEMBLY

As a parent and grandparent, Assemblyman Michael Montesano knows all too well the importance of keeping our children safe. When a child goes missing, every second counts. To protect against our worst fears, it is important to be proactive in keeping a record of your child, and that's why Michael Montesano has partnered with the Nassau County District Attorney's Office to host this important public safety event:

## WHAT IS OPERATION SAFE CHILD?

- Document your child's vital statistics, fingerprints, and picture with law enforcement for use in the event your child goes missing.
- Learn how these records can assist Amber Alerts and LOCATOR programs to find missing persons.
- Obtain a free Child ID with your child's name, photo, biographical information and fingerprints for your family to take home.
