to end corruption in New York!**

ASSEMBLYMAN  
**ED★RA**

19th Assembly District

**Assemblyman Ed Ra has continued to fight our government's biggest rival: corruption. For too long corruption has plagued our government, and Assemblyman Ra has had enough. He is ready to end corruption and bring transparency and accountability to New York.**

**Assemblyman Ra has helped pass of an amendment to strip benefits and pensions from corrupt public officials. (A.1749)**

**There are still more changes which must be made in order to bring an end to corruption in New York. Assemblyman Ra has supported bills which would:**

- Set term limits for legislative leaders. (A.5864)
- Require campaign funds to be returned to donors if a candidate is convicted of a felony. (A.5864)
- Ensure taxpayer dollars are spent in a more transparent way. (A.5657)
- Stop backroom deals and bid rigging to prevent corrupt and failed projects like the Buffalo Billion and START-UP NY. (A5657)
- Classifying failure to report known corruption as a crime. (A.5864)

**Assemblyman Ra will continue to fight to make New York's government more transparent, less corrupt, and hold those who break the rules accountable for their actions.**
