HOW IT’S DONE: Child ID Cards are created through the **EZ Child I.D. System**, the nation’s most comprehensive digital fingerprinting child identification system. Once all the information has been submitted, it only takes three to five minutes to make the card.

WHAT IT IS: Guardians will receive a **FREE** identification card containing their child’s photo, fingerprints, contact information, and other pertinent data needed by the police in case of an emergency.

WHAT IT DOES: In the event that a child goes missing, guardians with a Child ID Card will have the necessary information to assist law enforcement agencies.

**ENJOY PEACE OF MIND KNOWING YOU HAVE
YOUR CHILD’S MOST IMPORTANT INFORMATION
AT YOUR FINGERTIPS!**
