Dear* Neighbor,

I hope you and your family are enjoying the holiday season and celebrating what matters most. As we enter this special time of year, I realize the economic challenges many of our families face. For some families, these burdens can be overwhelming, especially as they prepare for holiday festivities and gift-giving. I am asking for your help this year to join me and bring some hope and joy to our friends and neighbors who are struggling the most. *Kindness and resiliency are what make us Long Island Strong.*
