STAR EXEMPTION WORKSHOP AND REGISTRATION DRIVE

New state legislation requires all homeowners receiving a Basic STAR Exemption to register with the New York State Tax Department in order to receive the exemption in subsequent years. My office is hosting representatives from the NYS Department of Taxation and Finance and the NYC Department of Finance for a brief presentation on the program and registration workshop.

TOWN HALL MEETING

On October 2nd, I hosted a Homeowners Town Hall meeting in conjunction with Congresswoman Grace Meng and Council Member Mark Weprin at the Armenian Church of the Holy Martyrs in Bayside Hills. City and state agencies, community groups, financial institutions, and utility companies were on hand to answer questions and concerns from local residents. Thank you to all who attended!

CELEBRATING AT THE MID-AUTUMN FEST

I joined Council Member Peter Koo at the Greater New York Social and Health Day Care Center in Flushing to celebrate the Mid-Autumn Festival and September birthdays with over 180 seniors. I enjoyed the traditional Chinese cultural performances and moon cakes – happy birthday to those celebrating autumn birthdays!

INTRODUCING THE NYS HEALTH EXCHANGE

Starting on October 1st, the NYS Health Exchange is open for business! New York residents can begin submitting applications for health insurance online at info.nystateofhealth.ny.gov or over the phone at 855-355-5777. This is a great resource for individuals, families and small businesses seeking health insurance coverage to compare and contrast insurance plans provided through New York State.

CALLING FOR TRAFFIC SAFETY

I joined Council Member James Gennaro and local community leaders to call for traffic calming measures for the 75th Avenue corridor in Fresh Meadows. I am confident that by working together with city agencies, colleagues in government, and community members we can institute effective and creative ways to increase safety on the corridor, and find the short-term and long-term solutions to ensure a better 75th Avenue for all pedestrians, cyclists and drivers.
