

A report to the 25th Assembly District from
**ASSEMBLYWOMAN
NILY ROZIC**

June 2014

KEEPING COLLEGE AFFORDABLE

I joined State Senator Toby Ann Stavisky, Queens College Interim President Evangelos Gizis, NYPIRG, and Queens College students to promote the recent increase in Tuition Assistance Program (TAP) and call on the state to make it more inclusive. There is an urgent need to address the massive debt that's already crushing our young people. In order to secure our economic future, we need to make quality education more affordable for all and further increase TAP funding to meet the rising costs of college.

CELEBRATING ASIAN AMERICAN PACIFIC ISLANDER HERITAGE MONTH IN FRESH MEADOWS

I hosted my second annual Asian American Pacific Islander Heritage Month Celebration by honoring community leaders Peter Tu, Sara BJ Sung, Eric Kumar and Amy and Hsi Pei Liao. Asian Americans continue to make remarkable contributions to our community. It is my privilege to recognize these outstanding leaders from our district who make New York a better place. Thanks to everyone who came out and made the celebration a success!

CALLING FOR STREET REPAIRS IN FRESH MEADOWS

Our roadways took a hit after many seasons of bad weather. I recently stood with Council Member Rory Lancman, the Utopia Estates Civic Association, the Fresh Meadows Homeowners Civic Association, and local residents to demand the City fix a chronic sink hole problem on 179th Street in Fresh Meadows.

ADDRESSING COMMUNITY CONCERNS IN DOUGLASTON

I held mobile office hours in front of Fairway Market with Congressman Steve Israel. We addressed neighborhood concerns such as parking, trees and sidewalks, and other quality of life issues.

Have a suggestion of where I should hold mobile office hours? **Contact my office at 718-820-0241 or rozicn@assembly.state.ny.us**

ENCOURAGING SUMMER READING

I am launching my second annual summer reading contest! To participate in the program, students must read by themselves or with a partner for a minimum of 15 minutes every day, for at least 40 days during July and August. Parents and children mark off the days they read on a calendar and send it in. ***If you are interested in participating in this year's summer reading contest, please contact my office for more details!***
