Encouraging Bike Safety in Queens

Thanks to a partnership with the New York City Department of Transportation, Council Member Barry Grodenchik and I hosted a free bike helmet fitting and giveaway at P.S. 46 Alley Pond School. Over 1,100 people of all ages left with new, properly fitted helmets and bike safety tips!

Beautifying Bayside

Bayside residents and I have teamed up, urging local city agencies to make repairs and improvements at Saul Weprin Playground and nearby street medians along Francis Lewis Boulevard. As always, neighborhood concerns can be brought to my office's attention by calling us at 718-820-0241 or emailing RozicN@nyassembly.gov.

Welcoming M.S. 158's New Principal

It was great visiting M.S. 158 Marie Curie to meet with faculty and new Interim Acting Principal Hank Schandel! Special thanks to UFT District 26 Representative Mary Vaccaro and school administrators for touring the school with me and always ensuring that our schools receive the resources they need.

Protecting Our Community

I joined 107th Precinct Deputy Inspector Paul A. Valerga for a counterterrorism active shooter drill held at the Young Israel of Hillcrest. The event was held as a part of ongoing efforts between precincts across the City and the NYPD's Counterterrorism Unit to strengthen emergency preparedness and test agency response times.

Opening YWCA of Queens' New After School Program

Congratulations to YWCA of Queens on its new after-school program! Students in grades K-12 are eligible to participate in the program run by the City Department of Youth and Community Development. COMPASS NYC is one of the many after school options offering hands-on, project-based learning that strengthens comprehension and application of students' classroom education.
