The film tells the lesser known stories of the powerful women who founded the modern women’s movement from 1966 to 1971. As our fight for women’s equality continues, join us to reflect on the history of the movement on the eve of the next Women’s March on NYC.

After the screening, **Assemblymember Jo Anne Simon** will host a discussion with former **Congresswoman Elizabeth Holtzman**, **Assemblymember Yuh-Line Niou**, and the film’s director and producer, **Mary Dore**, a Park Slope resident
