# *Happy Holidays to my District 55 Family!*

*It has been quite a year – full of joy and pain, triumph and tragedy. Through it all, I am anchored by faith and remain confident that a bright future lies ahead for all of us.*

*The holidays are a time for family, friends, food, and laughter. I pray that you will have all the joy your heart can hold during this season. I ask you to remember those who may be hungry and those who may be without family. Remember them with your words and your actions.*

*There is joy in giving.*

*Happy Holidays from my family to yours. I hope this new year brings you love, prosperity, and happiness beyond your wildest dreams.*

*Yours In Service,*
