## Dear friends,

Warm weather is here, the flowers are blossoming, the bees are buzzing, our communities are getting ready for the first harvest and the bluebirds have arrived. It is time to get back out to our seasonal farmers markets!

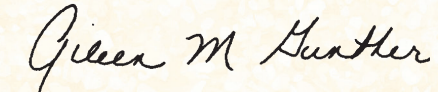

We all love and enjoy the delicious local food that we can find at our farmers markets, and with the help of benefits such as SNAP, as well as the Senior Farmers Market Nutrition Program, everyone can enjoy the benefits of fresh, healthy food. If you have any questions, please contact your county's Office for the Aging: Sullivan County at 845-807-0241 or Orange County at 845-615-3700.

Please get in touch with my Monticello office at 845-794-5807 or my Middletown office at 845-342-9304 with any questions you may have, or feel free to stop by any time.

See you there!

Sincerely,

Aileen Gunther  
Assemblymember, 100<sup>th</sup> District
