# Chris comes from a family with a long record of service as first responders and firefighters.

And serving his community as a volunteer firefighter for 15 years, he personally knows just how much these folks give up keeping us safe. He recognizes that our communities are built on our friends and neighbors stepping up to sacrifice their time giving back to the areas they love so much.

**From visiting local firehouses to hear current issues, to sponsoring legislation such as the Volunteer Firefighter and Ambulance Worker Protection and Incentive Act of 2018 (A.6055A), Assemblyman Tague is working to pass laws these brave souls deserve:**

- **Providing** exemptions to volunteer ambulance services from toll payments to ensure efficient and safe transportation whether in an emergency situation or not.
- **Protecting** volunteers from losing their jobs if they are responding to an emergency call.
- **Giving** a \$500 tax credit to all volunteer firefighters and ambulance workers because they bravely put their lives on the line each day.
- **Providing** more affordable healthcare options for first responder volunteers.
