Assemblywoman Carrie Woerner

Tackling the opioid epidemic,
strengthening recovery

“Friends, neighbors, loved ones – many of us know someone whose life has been touched by the opioid epidemic. I’ve fought to expand treatment and prevention so we can stop losing lives to this deadly disease.”

– *Assemblywoman
Carrie Woerner*

Assemblywoman Carrie Woerner is helping people get on the road to recovery

She fought for a state budget that:

- Provides \$250,000 for Saratoga Hospital to expand its medical management program, which helps those battling opioid addiction
- Invests over \$200 million in treatment and prevention programs administered through the Office of Alcoholism and Substance Abuse Services – an increase of \$26 million
- Creates a \$100 million Opioid Stewardship Fund to curb dependence and hold pharmaceutical companies, not consumers, accountable

Last year, Woerner secured a total of \$25,000 for the Council for Prevention, The Prevention Council of Saratoga County, Washington County Youth Bureau/Alternative Sentencing Agency and St. Luke's On the Hill Recovery Center.
