“WISHING YOU A JOYOUS HOLIDAY SEASON AND A NEW YEAR FILLED WITH HEALTH AND HAPPINESS”

When the New York State Assembly is not in session in Albany, I get a chance to spend my time meeting with constituents, attending business and organizational meetings throughout my district and visiting our charitable and service institutions that help families in our CNY region. I wanted to share with you a “Holiday Picture Book” newsletter to highlight the good deeds and sharing spirit that we have in our community year-round. Although these photos only represent a small number of events that take place every month, they still reflect how lucky we are to live in such a great place. From myself, my family and my staff, I wish you all the best in the New Year.

Sincerely, *William A. Magnarelli*

2013 CNY Veterans Parade and Expo

The outpouring of gratitude and support for our military personnel and veterans was overwhelming at the 2013 CNY Veterans Parade and Expo hosted by Assemblyman Magnarelli.

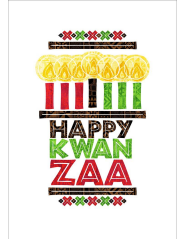

The thousands who turned out for the event were treated to an hour long parade filled with local veterans from all conflicts including and since WWII, military vehicles and music. The Expo featured great displays of interest to our veterans and present military, including informational displays of organizations that help our veterans and military. The highlights this year were the *Show Your Stripes Job Fair*, the recognition ceremony of the “30 Heroes Under 30”, and the display of the *George Washington Inaugural Bible*. We’ve heard a variety of compliments about the organizations that participated and their dedication to serving the military and veterans’ community.

The Kasson Place development of 83 units in two buildings furthers the growth and revitalization of the James Street corridor. The Hillside and West Park Apartments will serve low-income families. Between the two buildings there will be 17 studios, 38 one-bedroom units and 35 two-bedroom apartments. The redevelopment of these buildings will help revitalize core neighborhoods in the City of Syracuse. Syracuse's Inner Harbor will soon be home to a 130-room Starwood-brand hotel as the first part of the larger, 350-million dollar mixed-use waterfront development project.
