Assemblymember

**Harry B.  
Bronson**

**My office is  
here to help**

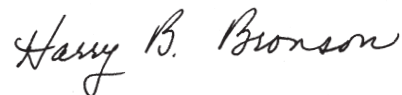

Dear Neighbor,

Everyone in our community wants the same thing – to keep Monroe County a great place to live and work. Over the past two years we have had many successes, including capping property taxes at 2 percent and reducing the income tax rate to its lowest level in 58 years. A supercomputer was built at the U of R and is expected to bring 900 new jobs to our community. In addition, the NY Works program has been put in place to help rebuild our roads and bridges.

2013 is a new year, and I want to keep working together with you to build success. My work will include continuing to grow our economy by raising the minimum wage and creating even more good-paying jobs.

Let's make 2013 the best year yet for Monroe County, and in turn, for our families.

Sincerely,

Harry B. Bronson  
Member of Assembly

# Serving the people
