GIVING HOPE TO THOSE THAT NEED HELP

PREVENTING DOMESTIC VIOLENCE

Joseph M.
GIGLIO
ASSEMBLY

Assemblyman Joseph Giglio is leading the search for a solution as the head of the Assembly Minority Domestic Violence Task Force

GIGLIO AND HIS COLLEAGUES ON THE TASK FORCE HAVE RECOMMENDED SOLUTIONS TO HELP SOLVE THIS CRISIS:

- Declare **domestic violence a statewide public health crisis**.
- Provide **funding to cover the housing needs for those seeking shelter** from their abusers.
- Create a **new law “Domestic Violence in the Presence of a Child”** which would create much more severe consequences for the abusers.
- Establish a **state-funded training system** to promote coordination between law enforcement, prosecutors and administrators with the goal of providing seamless assistance to victims and greater understanding of their personal situations.
- Designate **resources to allow local agencies to provide instruction and assistance** to directly support victims.
- Arrange **funds to help with the cost of living expenses victims pay** while seeking help to distance themselves from their abusers.

“ If nowhere else, the one place a person should feel safe is in their home. No one deserves to have fear dominate their lives. ”
