Section 1133 of the tax law is amended by adding a new subdivi-5 6 sion (f) to read as follows: 7 (f) A marketplace provider is relieved of liability under this section 8 for failure to collect the correct amount of tax to the extent that the 9 marketplace provider can show that the error was due to incorrect information given to the marketplace provider by the marketplace seller. 10 11 Provided, however, this subdivision shall not apply if the marketplace 12 seller and marketplace provider are affiliated within the meaning of 13 paragraph one of subdivision (e) of section eleven hundred one of this 14 article. 15 § 5. If the entity operating the qualified child care facility is a partnership or a New York S corporation, 30 then such cap shall be applied at the entity level, so the aggregate 31 32 credit allowed to all the partners or shareholders of such entity in a 33 taxable year does not exceed one hundred fifty thousand dollars. 34 (b) Credit recapture. If there is a cessation of operation or change 35 in ownership, as defined by section 45F of the internal revenue code 36 relating to a qualified child care facility with a situs in the state, 37 the taxpayer shall add back the applicable recapture percentage of the 38 credit allowed under this section in accordance with the recapture 39 provisions of section 45F of the internal revenue code, but the recap-40 ture amount shall be limited to the credit allowed under this section. 41 (c) Reporting requirements. The credit allowed under this subdivision 10 11 for any taxable year may not reduce the tax due for such year to less 12 than the amount prescribed in paragraph (d) of subdivision one of 13 section two hundred ten of this article. However, if the amount of the 14 credit allowed under this subdivision for any taxable year reduces the 15 tax to such amount or if the taxpayer otherwise pays tax based on the 16 fixed dollar minimum amount, any amount of credit thus not deductible in 17 such taxable year will be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand 18 eighty-six of this chapter. Provided, however, the provisions of 19 20 subsection (c) of section one thousand eighty-eight of this chapter 21 notwithstanding, no interest shall be paid thereon. (c) Credit recapture. A taxpayer shall be allowed a credit, to be computed as provided in 33 34 section forty-four of this chapter, against the tax imposed by this 35 <u>article.</u> (2) Application of credit. If the amount of the credit allowed under 36 this subsection for any taxable year exceeds the taxpayer's tax for such 37 38 year, the excess will be treated as an overpayment of tax to be credited 39 or refunded in accordance with the provisions of section six hundred 40 eighty-six of this article, provided, however, that no interest will be 41 paid thereon. 42 (3) Credit recapture. For provisions requiring recapture of credit, 43 see section forty-four of this chapter. 44 § 5. A 47 taxpayer shall be allowed a credit, to be computed as provided in section forty-four of this chapter, against the tax imposed by this 48 49 article. (2) Application of credit. The credit allowed under this subdivision 50 51 shall not reduce the tax due for such year to be less than the minimum 52 fixed by paragraph four of subdivision (a) of section fifteen hundred 53 two or section fifteen hundred two-a of this article, whichever is applicable. However, if the amount of the credit allowed under this 54 subdivision for any taxable year reduces the taxpayer's tax to such 55 amount, any amount of credit thus not deductible will be treated as an 56

The commissioner is authorized to establish and 36 administer the recovery tax credit program to provide tax incentives to 37 certified employers for employing eligible individuals in recovery from 38 a substance use disorder in part-time and full-time positions in the 39 state. The commissioner is authorized to allocate up to two million 40 dollars of tax credits annually for the recovery tax credit program 41 beginning in the year two thousand twenty. 42 (b) Definitions. 1. The term "certified employer" means an employer 43 that has received a certificate of tax credit from the commissioner

44 after the commissioner has determined that the employer:

(i) provides a recovery supportive environment evidenced by a formal working relationship with a local recovery community organization to provide support for employers including any necessary assistance in the hiring process of eligible individuals in recovery from a substance use disorder and training for employers or supervisors; and

50 (ii) fulfills the eligibility criteria set forth in this section and 51 by the commissioner to participate in the recovery tax credit program 52 established in this section.

53 <u>2. The term "eligible individual" means an individual with a substance</u> 54 <u>use disorder as that term is defined in section 1.03 of this chapter who</u>

is in a state of wellness where there is an abatement of signs and symp-1 2 toms that characterize active addiction and has demonstrated to the 3 qualified employer's satisfaction that he or she has completed a course 4 of treatment for such substance use disorder. (c) Application and approval process. 1. To participate in the program 5 6 established by this section, an employer must, in a form prescribed by 7 the commissioner, apply annually to the office by January fifteenth to 8 claim credit based on eligible individuals employed during the preceding 9 calendar year. As part of such application, an employer must: 10 (i) Agree to allow the department of taxation and finance to share its 11 tax information with the office of alcoholism and substance abuse 12 services. However, any information shared because of this agreement 13 shall not be available for disclosure or inspection under the state 14 freedom of information law. 15 (ii) Allow the office of alcoholism and substance abuse services and 16 its agents access to all books and records the department may require to 17 monitor compliance with program eligibility requirements. 18 (iii) Demonstrate that the employer has satisfied program eligibility 19 requirements and provided all the information necessary, including the 20 number of hours worked by any eligible individual, for the commissioner 21 to compute an actual amount of credit allowed. 22 2. (i) After reviewing the application and finding it sufficient, the 23 commissioner shall issue a certificate of tax credit by March thirty-24 first. Such certificate shall include, but not be limited to, the name 25 and employer identification number of the certified employer, the amount 26 of credit that the certified employer may claim, and any other informa-27 tion the commissioner of taxation and finance determines is necessary. 28 (ii) In determining the amount of credit that any employer may claim, 29 the commissioner shall review all claims submitted for credit by employers and, to the extent that the total amount claimed by employers 30 exceeds the amount allocated for the program in that calendar year, 31 32 shall issue credits on a pro-rata basis corresponding to each claimant's 33 share of the total claimed amount. 34 (d) Eligibility. A certified employer shall be entitled to a tax cred-35 it equal to the product of one dollar and the number of hours worked by 36 each eligible individual during such individual's period of eligibility. 37 The credit shall not be allowed unless the eligible individual has 38 worked in state for a minimum of five hundred hours for the certified 39 employer, and the credit cannot exceed two thousand dollars per eligible 40 individual employed by the certified employer in the state. The period 41 of eligibility for each such employee starts on the day the employee is 42 hired and ends on December thirty-first of the immediately succeeding 43 calendar year or the last day of the employee's employment by the certi-44 fied employer, whichever comes first. If an employee has worked in 45 excess of five hundred hours between the date of hiring and December 46 thirty-first of that year, an employer can elect to compute and claim a 47 credit for such employee in that year based on the hours worked by December thirty-first. Alternatively, the employer may elect to include 48 49 such individual in the computation of the credit in the year immediately 50 succeeding the year in which the employee was hired. In such case, the 51 credit shall be computed on the basis of all hours worked by such eligi-52 ble individual from the date of hire to the earlier of the last day of 53 employment or December thirty-first of the succeeding year. However, in 54 no event may an employee generate credit for hours worked in excess of 55 two thousand hours. An employer may claim credit only once with respect

The granting of any such license or registration shall apply only to the job title included in the application and to its associated duties. The commission may, upon request and at its sole discretion, allow transfer of the license or registration to another job title upon determination that the original application would have been satisfactory had it been submitted for the new title.

3. The commission shall have the authority to deny any application pursuant to the provisions of this article following notice and opportunity for hearing.

4. When the commission grants [an application] <u>a license or registra-</u>

47 Subsequent to the issuance of a license or registration, the 7. commission may suspend, revoke, or limit the license or registration 48 upon a finding that an applicant is no longer qualified to hold such 49 50 license or registration in accordance with this article, or as it may 51 deem necessary to protect the public interest, following notice and an 52 opportunity for a hearing. The commission may temporarily suspend a 53 license or registration pending any investigation, prosecution, or hear-54 ing if it is deemed necessary to do so to protect the integrity of 55 gaming activities.

2	provide services upon the premises of a gaming facility are required to
3	be registered as and meet the standards of a non-gaming employee.
4	Notwithstanding the provisions aforementioned, the executive director

51	of this article would not be diminished by such waiver. In requesting
52	such waiver, the gaming facility applicant or licensee shall provide any
53	and all information needed to make such determination and any and all

21 § 2. Subparagraph (B) of paragraph 6 of subsection (eee) of section 22 606 of the tax law, as amended by section 8 of part A of chapter 73 of 23 the laws of 2016, is amended to read as follows:

24 (i) In the case of property consisting of a mobile home that is (B) 25 described in paragraph (1) of subdivision two of section four hundred 26 twenty-five of the real property tax law, the amount of the credit 27 allowable with respect to such mobile home shall be equal to the basic 28 STAR tax savings for the school district portion, or the enhanced STAR 29 tax savings for the school district portion, whichever is applicable, that would be applied to a separately assessed parcel in the school 30 district portion with a taxable assessed value equal to twenty thousand 31 dollars multiplied by the latest state equalization rate or special 32 33 equalization rate for the assessing unit in which the mobile home is located. Provided, however, that if the commissioner is in possession of 34 35 including but not limited to assessment records, that information, demonstrates to the commissioner's satisfaction that the taxpayer's 36 37 mobile home is worth more than twenty thousand dollars, or if the 38 taxpayer provides the commissioner with such information, the taxpayer's 39 credit shall be increased accordingly, but in no case shall the credit 40 exceed the basic STAR tax savings or enhanced STAR tax savings, whichev-41 er is applicable, for the school district portion.

42 (ii) The commissioner may implement an electronic system for the 43 reporting of information by owners and operators of manufactured home 44 parks, as defined by section two hundred thirty-three of the real prop-45 erty law. Upon the implementation of such a system, each such owner and 46 operator shall file quarterly electronic statements with the commission-47 er no later than twenty-one days after the end of each calendar quarter. Such statement shall require reporting of names of all persons owning an 48 49 interest in the park, the services provided by the park owner to the 50 tenants, the names and addresses of all tenants of the park, whether the 51 tenant leases or owns the home, and such additional information as the 52 commissioner may deem necessary for the proper administration of the 53 STAR exemption established pursuant to section four hundred twenty-five 54 of the real property tax law and the STAR credit and any other property 55 tax-based credit established pursuant to this section. reviewed in a proceeding to review an assessment pursuant to title one 1 2 or one-A of article seven of this chapter. Such an action may only be 3 challenged before the department. If a taxpayer is dissatisfied with the department's final determination, the taxpayer may appeal that determi-4 5 nation to the state board of real property tax services in a form and 6 manner to be prescribed by the commissioner. Such appeal shall be filed 7 within forty-five days from the issuance of the department's final 8 determination. If dissatisfied with the state board's determination, the taxpayer may seek judicial review thereof pursuant to article seventy-9 eight of the civil practice law and rules. The taxpayer shall otherwise 10 11 have no right to challenge such final determination in a court action, 12 administrative proceeding or any other form of legal recourse against 13 the commissioner, the department, the state board of real property tax 14 services, the assessor or other person having custody or control of the 15 assessment roll or tax roll regarding such action.

In addition, such person or persons may be subject to prosecution pursuant to the penal law. 30

4	PART QQ
5	Section 1. Section 425 of the real property tax law is amended by
6	adding a new subdivision 17 to read as follows:
7	17. Certain disclosures authorized. (a) Notwithstanding any provision
8	of law to the contrary, when the commissioner has determined that the
9	owner or owners of a parcel of real property are ineligible for either
10	the STAR exemption authorized by this section or the STAR credit author-
11	ized by subsection (eee) of section six hundred six of the tax law, the
12	commissioner may disclose the names of such owner or owners to the
13	assessor of the assessing unit in which the property is located. In
14	addition:
15	(i) Where the commissioner has found that the STAR exemption or credit
16	could not be granted because the income of the owner or owners is above
17	the applicable limit, the commissioner may so advise the assessor, but
18	shall not disclose the amount of income of any such owner or owners.
19	(ii) Where the commissioner has found that the STAR exemption or cred-
20	it could not be granted because the property is not the primary resi-
21	dence of one or more of the owners thereof, or that the owner's spouse
22	is receiving a STAR exemption or STAR credit on another residence or a
23	comparable benefit on a residence in another state, the commissioner may
24	so advise the assessor. The commissioner may further advise the assessor
25	of the facts supporting that determination, including the location or
26	locations of the property owner's other residence or residences, if any.
27	(iii) Where the commissioner has found that the enhanced STAR
28	exemption or credit could not be granted because the owner or owners do
29	not meet the applicable age requirement, the commissioner may so advise
30	the assessor, and may further advise the assessor of their birth dates
31	if known.
32	(iv) Where the commissioner has found that the enhanced STAR exemption
33	or credit could not be granted because the owner or owners failed to
34	enroll in the income verification program or failed to submit the income
35	worksheet required thereunder, the commissioner may so advise the asses-
36	sor.
37	(b) Information disclosed to an assessor pursuant to this subdivision
38	shall be used only for purposes of real property tax administration. It
39	shall be deemed confidential otherwise, and shall not be subject to the
40	provisions of article six of the public officers law.
41	§ 2. Section 467 of the real property tax law is amended by adding a
42	new subdivision 11 to read as follows:
43	11. (a) Notwithstanding any provision of law to the contrary, upon the
44	request of an assessor, the commissioner may disclose to the assessor
45	the names and addresses of the owners of property in that assessor's
46	assessing unit who are receiving the enhanced STAR exemption or enhanced
47	STAR credit and whose federal adjusted gross income is less than the
48	uppermost amount specified by subparagraph three of paragraph (b) of
49	subdivision one of this section (represented therein as M + \$8,400).
50	Such amount shall be determined without regard to any local options that
51	the municipal corporation may or may not have exercised in relation to
52	increasing or decreasing the maximum income eligibility level authorized
53	by this section, provided that the amount so determined for a city with
54	a population of one million or more shall take into account the distinct

maximum income eligibility level established for such city by paragraph 1 2 (a) of subdivision three of this section. In no case shall the commis-3 sioner disclose to an assessor the amount of an owner's federal adjusted 4 gross income. 5 (b) The assessor may use the information contained in such a report to 6 contact those owners who are not already receiving the exemption author-7 ized by this section and to suggest that they consider applying for it. 8 Provided, however, that nothing contained herein shall be construed as 9 enabling any person or persons to qualify for the exemption authorized 10 by this section on the basis of their federal adjusted gross income, 11 rather than on the basis of their income as determined pursuant to the 12 provisions of paragraph (a) of subdivision three of this section. 13 (c) Information disclosed to an assessor pursuant to this subdivision 14 shall be used only for purposes of real property tax administration. It 15 shall be deemed confidential otherwise, and shall not be subject to the 16 provisions of article six of the public officers law. 17 § 3. Information regarding decedents provided by the commissioner to a 20 county director of real property tax services pursuant to subsection (c) 21 of section six hundred fifty-one of the tax law shall be used only for 22 purposes of real property tax administration. The contents of the report may be shared with the assessor and tax collecting officer of the munic-23 24 ipal corporation in which the decedent's former residence is located, 25 and with the enforcing officer if such residence is subject to delin-26 quent taxes. The information shall be deemed confidential otherwise, and 27 shall not be subject to the provisions of article six of the public 28 officers law. 29 § 4. Subsection (c) of section 651 of the tax law, as amended by chap-30 ter 783 of the laws of 1962, is amended to read as follows: (c) Decedents. The return for any deceased individual shall be made 31 and filed by his executor, administrator, or other person charged with 32 his property. If a final return of a decedent is for a fractional part 33 of a year, the due date of such return shall be the fifteenth day of the 34 35 fourth month following the close of the twelve-month period which began 36 with the first day of such fractional part of the year. Notwithstanding 37 any provision of law to the contrary, when a return has been filed for a decedent, the commissioner may disclose the decedent's name, address, 38 39 and the date of death to the director of real property tax services of 40 the county in which the address reported on such return is located. 41 § 5. This act shall take effect immediately. 42 PART RR

29 6. When the commissioner determines, at least twenty days prior to the 30 levy of school district taxes, that an advance credit of the personal income tax credit authorized by subsection (eee) of section six hundred 31 six of the tax law will be provided to the owners of a parcel in that 32 school district, he or she shall so notify the assessor, the county 33 director of real property tax services, and the authorities of the school district, who shall cause a statement to be placed on the tax x = 134 35 36 bill for the parcel in substantially the following form: "An estimated STAR check has been or will be mailed to you [upon issuance] by the NYS 37 38 Tax Department. 1 Section 1. Paragraph (a-2) of subdivision 6 of section 425 of the real 2 property tax law, as added by section 1 of part D of chapter 60 of the 3 laws of 2016, is amended to read as follows:

(a-2) Notwithstanding any provision of law to the contrary, where [a 4 renewal] an application for the "enhanced" STAR exemption authorized by 5 subdivision four of this section has not been filed on or before the 6 7 taxable status date, and the owner believes that good cause existed for 8 the failure to file the [renewal] application by that date, the owner 9 may, no later than the last day for paying school taxes without incurring interest or penalty, submit a written request to the commissioner 10 11 asking him or her to extend the filing deadline and grant the exemption. 12 Such request shall contain an explanation of why the deadline was 13 missed, and shall be accompanied by [a renewal] an application, reflect-14 ing the facts and circumstances as they existed on the taxable status 15 date. After consulting with the assessor, the commissioner may extend 16 the filing deadline and grant the exemption if the commissioner is satisfied that (i) good cause existed for the failure to file the 17 [renewal] application by the taxable status date, and that (ii) the 18 19 applicant is otherwise entitled to the exemption. The commissioner shall mail notice of his or her determination to such owner and the assessor. 20 21 If the determination states that the commissioner has granted the 22 exemption, the assessor shall thereupon be authorized and directed to correct the assessment roll accordingly, or, if another person has 23 24 custody or control of the assessment roll, to direct that person to make 25 the appropriate corrections. If the correction is not made before school taxes are levied, the [failure to take the exemption into account in the 26 27 computation of the tax shall be deemed a "clerical error" for purposes 28 of title three of article five of this chapter, and shall be corrected 29 accordingly] school district authorities shall be authorized and directed to take account of the fact that the commissioner has granted 30 the exemption by correcting the applicant's tax bill and/or issuing a 31 32 refund accordingly.

33 § 2. Paragraph (d) of subdivision 2 of section 496 of the real proper-34 ty tax law, as added by section 3 of part A of chapter 60 of the laws of 35 2016, is amended to read as follows:

(d) If the applicant is renouncing a STAR exemption in order to qualify for the personal income tax credit authorized by subsection (eee) of section six hundred six of the tax law, and no other exemptions are being renounced on the same application, or if the applicant is renouncing a STAR exemption before school taxes have been levied on the assessment roll upon which that exemption appears, no processing fee shall be applicable.

43 § 3. Paragraph (a) of subdivision 2 of section 496 of the real proper-44 ty tax law, as amended by section 3 of part A of chapter 60 of the laws 45 of 2016, is amended to read as follows:

46 (a) For each assessment roll on which the renounced exemption appears, 47 the assessed value that was exempted shall be multiplied by the tax rate 48 or rates that were applied to that assessment roll, or in the case of a renounced STAR exemption, the tax savings calculated pursuant to subdi-49 50 vision two of section thirteen hundred six-a of this chapter. Interest 51 shall then be added to each such product at the rate prescribed by 52 section nine hundred twenty-four-a of this chapter or such other law as 53 may be applicable for each month or portion thereon since the levy of 54 taxes upon such assessment roll.

1 § 4. Paragraph 5 of subsection (eee) of section 606 of the tax law, as 2 amended by section 8 of part A of chapter 73 of the laws of 2016, is 3 amended to read as follows: (5) Disqualification. A taxpayer shall not qualify for the credit 4 authorized by this subsection if the parcel that serves as the taxpay-5 er's primary residence received the STAR exemption on the assessment 6 roll upon which school district taxes for the associated fiscal year 7 8 [where] were levied. Provided, however, that the taxpayer may remove this disqualification by renouncing the exemption [and making any 9 required payments] by December thirty-first of the taxable year, as 10 provided by subdivision sixteen of section four hundred twenty-five of 11 12 the real property tax law, and making any required payments within the 13 time frame prescribed by section four hundred ninety-six of the real 14 property tax law. 15 § 5. 1 14. No premises registered, licensed, or permitted by the office 2 shall: 3 (a) permit or allow any gambling on the premises; (b) permit or allow the premises to become disorderly; 4 5 (c) permit or allow the use, by any person, of any fireworks or other 6 pyrotechnics on the premises; or 7 (d) permit or allow to appear as an entertainer, on any part of the 8 premises registered, licensed, or permitted, any person under the age of 9 eighteen years. § 126. License to be confined to premises licensed; premises for which 10 11 no license shall be granted; transporting cannabis. 1. A registration, 12 license, or permit issued to any person, pursuant to this chapter, for 13 any registered, licensed, or permitted premises shall not be transfera-14 ble to any other person, to any other location or premises, or to any 15 other building or part of the building containing the licensed premises 16 except in the discretion of the office. All privileges granted by any 17 registration, license, or permit shall be available only to the person 18 therein specified, and only for the premises licensed and no other 19 except if authorized by the office. Provided, however, that the provisions of this section shall not be deemed to prohibit the amendment 20 21 of a registration or license as provided for in this chapter. A violation of this section shall subject the registration, license, or 22 23 permit to revocation for cause. 24 2. Where a registration or license for premises has been revoked, the 25 office in its discretion may refuse to issue a registration, license, or 26 permit under this chapter, for a period of up to five years after such 27 revocation, for such premises or for any part of the building containing 28 such premises and connected therewith. 29 3. In determining whether to issue such a proscription against granting any registration, license, or permit for such five-year period, in 30 addition to any other factors deemed relevant to the office, the office 31 in the case of a license revoked due to the illegal sale of 32 shall, cannabis to a minor, determine whether the proposed subsequent licensee 33 has obtained such premises through an arm's length transaction, and, if 34 such transaction is not found to be an arm's length transaction, the 35 36 office shall deny the issuance of such license. 37 4. For purposes of this section, "arm's length transaction" shall mean 38 a sale of a fee of all undivided interests in real property, lease, 39 management agreement, or other agreement giving the applicant control 40 over the cannabis at the premises, or any part thereof, in the open 41 market, between an informed and willing buyer and seller where neither 42 is under any compulsion to participate in the transaction, unaffected by 43 any unusual conditions indicating a reasonable possibility that the sale 44 was made for the purpose of permitting the original licensee to avoid 45 the effect of the revocation. The following sales shall be presumed not 46 to be arm's length transactions unless adequate documentation is 47 provided demonstrating that the sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the 48 49 premises, was not conducted, in whole or in part, for the purpose of permitting the original licensee to avoid the effect of the revocation: 50 51 (a) a sale between relatives; 52 (b) a sale between related companies or partners in a business; or 53 (c) a sale, lease, management agreement, or other agreement giving the 54 applicant control over the cannabis at the premises, affected by other 55 facts or circumstances that would indicate that the sale, lease, manage-

ment agreement, or other agreement giving the applicant control over the

1 cannabis at the premises, is entered into for the primary purpose of 2 permitting the original licensee to avoid the effect of the revocation.

5. No registered organization, licensee or permittee shall transport cannabis products or medical cannabis except in vehicles owned and operated by such registered organization, licensee or permittee, or hired and operated by such registered organization, licensee or permittee from a trucking or transportation company permitted and registered with the office.

6. No common carrier or person operating a transportation facility in 9 10 this state, other than the United States government, shall receive for 11 transportation or delivery within the state any cannabis products or 12 medical cannabis unless the shipment is accompanied by copy of a bill of 13 lading, or other document, showing the name and address of the consig-14 nor, the name and address of the consignee, the date of the shipment, 15 and the quantity and kind of cannabis products or medical cannabis 16 contained therein.

17 § 127. Protections for the use of cannabis; unlawful discriminations 18 1. No person, registered organization, licensee or permitprohibited. 19 tee shall be subject to arrest, prosecution, or penalty in any manner, 20 or denied any right or privilege, including but not limited to civil 21 liability or disciplinary action by a business or occupational or 22 professional licensing board or office, solely for conduct permitted under this chapter. For the avoidance of doubt, the appellate division 23 24 of the supreme court of the state of New York, and any disciplinary or 25 character and fitness committees established by them are occupational and professional licensing boards within the meaning of this section. 26 27 State or local law enforcement agencies shall not cooperate with or provide assistance to the government of the United States or any agency 28 thereof in enforcing the federal controlled substances act, 21 U.S.C. et 29 30 seq., solely for actions consistent with this chapter, except as pursu-31 ant to a valid court order.

32 2. No school or landlord may refuse to enroll or lease to and may not 33 otherwise penalize a person solely for conduct allowed under this chap-34 ter, except as exempted:

(a) if failing to do so would cause the school or landlord to lose a
monetary or licensing related benefit under federal law or regulations;
(b) if the institution has adopted a code of conduct prohibiting
cannabis use on the basis of religious belief; or

39 (c) if a property is registered with the New York smoke-free housing 40 registry, it is not required to permit the smoking of cannabis products 41 on its premises.

42 3. For the purposes of medical care, including organ transplants, a 43 certified patient's authorized use of medical cannabis must be consid-44 ered the equivalent of the use of any other medication under the direc-45 tion of a practitioner and does not constitute the use of an illicit 46 substance or otherwise disqualify a registered qualifying patient from 47 medical care.

48 4. Unless an employer establishes that the lawful use of cannabis has 49 impaired the employee's ability to perform the employee's job responsi-50 bilities, it shall be unlawful to take any adverse employment action 51 against an employee based on conduct allowed under this chapter.

52 5. For the purposes of this section, an employer may consider an 53 employee's ability to perform the employee's job responsibilities to be 54 impaired when the employee manifests specific articulable symptoms while 55 working that decrease or lessen the employee's performance of the duties 56 or tasks of the employee's job position.

1 6. Nothing in this section shall restrict an employer's ability to 2 prohibit or take adverse employment action for the possession or use of 3 intoxicating substances during work hours, or require an employer to commit any act that would cause the employer to be in violation of 4 federal law, or that would result in the loss of a federal contract or 5 6 federal funding. 7 7. As used in this section, "adverse employment action" means refusing 8 to hire or employ, barring or discharging from employment, requiring a person to retire from employment, or discriminating against in compen-9 sation or in terms, conditions, or privileges of employment. 10 11 8. A person currently under parole, probation or other state super-12 vision, or released on bail awaiting trial may not be punished or other-13 wise penalized for conduct allowed under this chapter. 14 § 128. Registrations and licenses. 1. No registration or license 15 shall be transferable or assignable except that notwithstanding any 16 other provision of law, the registration or license of a sole proprietor converting to corporate form, where such proprietor becomes the sole 17 stockholder and only officer and director of such new corporation, may 18 19 be transferred to the subject corporation if all requirements of this 20 chapter remain the same with respect to such registration or license as 21 transferred and, further, the registered organization or licensee shall 22 transmit to the office, within ten days of the transfer of license allowable under this subdivision, on a form prescribed by the office, 23 24 notification of the transfer of such license. 25 2. No registration or license shall be pledged or deposited as collat-26 eral security for any loan or upon any other condition; and any such 27 pledge or deposit, and any contract providing therefor, shall be void. 28 3. Licenses issued under this chapter shall contain, in addition to 29 any further information or material to be prescribed by the rules of the 30 office, the following information: (a) name of the person to whom the license is issued; 31 32 (b) kind of license and what kind of traffic in cannabis is thereby 33 permitted; description by street and number, or otherwise, of licensed prem-34 (c) 35 ises; and 36 (d) a statement in substance that such license shall not be deemed a 37 property or vested right, and that it may be revoked at any time pursu-38 ant to law. § 129. Laboratory testing permit. 1. The executive director shall 39 40 approve and permit one or more independent cannabis testing laboratories 41 to test medical cannabis, adult-use cannabis and/or hemp cannabis. 42 2. To be permitted as an independent cannabis laboratory, a laboratory 43 must apply to the office, on a form and in a manner prescribed by the 44 office, and must demonstrate the following to the satisfaction of the 45 executive director: 46 (a) the owners and directors of the laboratory are of good moral char-47 acter; the laboratory and its staff has the skills, resources and exper-48 (b) tise needed to accurately and consistently perform all of the testing 49 50 required for adult-use cannabis, medical cannabis and/or hemp cannabis; 51 the laboratory has in place and will maintain adequate policies, (C) 52 procedures, and facility security to ensure proper: collection, label-53 ing, accessioning, preparation, analysis, result reporting, disposal and 54 storage of adult-use cannabis, medical cannabis and/or hemp cannabis; 55 (d) the laboratory is physically located in New York state;

1 (e) the laboratory has been approved by the department of health 2 pursuant to Part 55-2 of Title 10 of the New York Codes, Rules and Regu-3 lations, pertaining to laboratories performing environmental analysis; 4 anđ (f) the laboratory meets any and all requirements prescribed by this 5 6 chapter and by the executive director in regulation. 7 3. The owner of a laboratory testing permit under this section shall 8 not hold a registration or license in any category of this chapter and shall not have any direct or indirect ownership interest in such regis-9 tered organization or licensee. No board member, officer, manager, 10 11 owner, partner, principal stakeholder or member of a registered organ-12 ization or licensee under this chapter, or such person's immediate fami-13 ly member, shall have an interest or voting rights in any laboratory 14 testing permittee. 15 4. The executive director shall require that the permitted laboratory 16 report testing results to the office in a manner, form and timeframe as 17 determined by the executive director. 18 5. The executive director is authorized to promulgate regulations, in 19 consultation with the commissioner of the department of health, requir-20 ing permitted laboratories to perform certain tests and services. 21 § 130. However, municipalities may pass ordi-46 nances or regulations governing the time, place and manner of licensed 47 adult-use cannabis retail dispensaries, provided such ordinance or regulation does not make the operation of such licensed retail dispensaries 48 unreasonably impracticable as determined by the executive director in 49 50 his or her sole discretion.

51 § 133. Executive director to be necessary party to certain 52 proceedings. The executive director shall be made a party to all actions and proceedings affecting in any manner the ability of a regis-53 tered organization or licensee to operate within a municipality, or the 54 55 result of any vote thereupon; to all actions and proceedings relative to 56 issuance or revocation of registrations, licenses or permits; to all

9 § 136. Lawful actions pursuant to this chapter. 1. Contracts related 10 to the operation of registered organizations, licenses and permits under 11 this chapter shall be lawful and shall not be deemed unenforceable on 12 the basis that the actions permitted pursuant to the registration, 13 license or permit are prohibited by federal law.

14 2. The following actions are not unlawful as provided under this chap-15 ter, shall not be an offense under any state or local law, and shall not 16 result in any civil fine, seizure, or forfeiture of assets against any 17 person acting in accordance with this chapter:

4. Such intent is presumptively established by proof that the person knowingly possessed or had under his or her control one or more ounces of illicit cannabis. This presumption may be rebutted.

5. Any person who, being the owner, lessee, or occupant of any room, shed, tenement, booth or building, float or vessel, or part thereof, knowingly permits the same to be used for the cultivation, processing, distribution, purchase, sale, warehousing, transportation, or storage of any illicit cannabis, is guilty of a misdemeanor.

13 § 35. Section 490 of the tax law, as added by chapter 90 of the laws 14 of 2014, is amended to read as follows:

15 § 490. [Definitions] Excise tax on medical cannabis. 1. (a) [All 16 definitions of terms applicable to title five-A of article thirty-three 17 of the public health law shall apply to this article.] For purposes of 18 this article, the terms "medical cannabis," "registered organization," 19 "certified patient," and "designated caregiver" shall have the same 20 definitions as in section three of the cannabis law.

21 (b) As used in this section, where not otherwise specifically defined 22 and unless a different meaning is clearly required "gross receipt" means 23 the amount received in or by reason of any sale, conditional or other-24 wise, of medical [marihuana] cannabis or in or by reason of the furnish-25 ing of medical [marihuana] cannabis from the sale of medical [marihuana] cannabis provided by a registered organization to a certified patient or 26 27 designated caregiver. Gross receipt is expressed in money, whether paid 28 in cash, credit or property of any kind or nature, and shall be determined without any deduction therefrom on account of the cost of the 29 service sold or the cost of materials, labor or services used or other 30 costs, interest or discount paid, or any other expenses whatsoever. 31 "Amount received" for the purpose of the definition of gross receipt, as 32 33 the term gross receipt is used throughout this article, means the amount 34 charged for the provision of medical [marihuana] cannabis.

35 There is hereby imposed an excise tax on the gross receipts from 2. 36 the sale of medical [marihuana] cannabis by a registered organization to 37 a certified patient or designated caregiver, to be paid by the regis-38 tered organization, at the rate of seven percent. The tax imposed by 39 this article shall be charged against and be paid by the registered 40 organization and shall not be added as a separate charge or line item on 41 any sales slip, invoice, receipt or other statement or memorandum of the 42 price given to the retail customer.

43 3. The commissioner may make, adopt and amend rules, regulations, 44 procedures and forms necessary for the proper administration of this 45 article.

46 4. Every registered organization that makes sales of medical [marihua-47 na] cannabis subject to the tax imposed by this article shall, on or before the twentieth date of each month, file with the commissioner a 48 49 return on forms to be prescribed by the commissioner, showing its receipts from the retail sale of medical [marihuana] cannabis during the 50 preceding calendar month and the amount of tax due thereon. Such returns 51 52 shall contain such further information as the commissioner may require. Every registered organization required to file a return under this 53 section shall, at the time of filing such return, pay to the commission-54 55 er the total amount of tax due on its retail sales of medical [marihuana] cannabis for the period covered by such return. If a return is not 56

1 filed when due, the tax shall be due on the day on which the return is 2 required to be filed.

5. Whenever the commissioner shall determine that any moneys received 3 under the provisions of this article were paid in error, he may cause 4 the same to be refunded, with interest, in accordance with such rules 5 and regulations as he may prescribe, except that no interest shall be 6 7 allowed or paid if the amount thereof would be less than one dollar. 8 Such interest shall be at the overpayment rate set by the commissioner pursuant to subdivision twenty-sixth of section one hundred seventy-one 9 10 of this chapter, or if no rate is set, at the rate of six percent per 11 annum, from the date when the tax, penalty or interest to be refunded 12 was paid to a date preceding the date of the refund check by not more 13 than thirty days. Provided, however, that for the purposes of this 14 subdivision, any tax paid before the last day prescribed for its payment 15 shall be deemed to have been paid on such last day. Such moneys received 16 under the provisions of this article which the commissioner shall deter-17 mine were paid in error, may be refunded out of funds in the custody of 18 the comptroller to the credit of such taxes provided an application 19 therefor is filed with the commissioner within two years from the time 20 the erroneous payment was made.

6. The provisions of article twenty-seven of this chapter shall apply to the tax imposed by this article in the same manner and with the same force and effect as if the language of such article had been incorporated in full into this section and had expressly referred to the tax imposed by this article, except to the extent that any provision of such article is either inconsistent with a provision of this article or is not relevant to this article.

28 7. All taxes, interest and penalties collected or received by the 29 commissioner under this article shall be deposited and disposed of pursuant to the provisions of section one hundred seventy-one-a of this 30 chapter, provided that an amount equal to one hundred percent collected 31 32 under this article less any amount determined by the commissioner to be reserved by the comptroller for refunds or reimbursements shall be paid 33 by the comptroller to the credit of the medical 34 [marihuana] <u>cannabis</u> trust fund established by section eighty-nine-h of the state finance 35 36 law.

8. A registered organization that dispenses medical [marihuana] <u>canna-</u> <u>bis</u> shall provide to the department information on where the medical [marihuana] <u>cannabis</u> was dispensed and where the medical [marihuana] <u>cannabis</u> was manufactured. A registered organization that obtains [marihuana] <u>cannabis</u> from another registered organization shall obtain from such registered organization information on where the medical [marihuana] <u>cannabis</u> was manufactured.

44 § 36. Section 491 of the tax law, as added by chapter 90 of the laws 45 of 2014, subdivision 1 as amended by section 1 of part II of chapter 60 46 of the laws of 2016, is amended to read as follows:

47 § 491. Returns to be secret. 1. Except in accordance with proper judi-48 cial order or as in this section or otherwise provided by law, it shall 49 be unlawful for the commissioner, any officer or employee of the department, or any officer or person who, pursuant to this section, is permit-50 51 ted to inspect any return or report or to whom a copy, an abstract or a 52 portion of any return or report is furnished, or to whom any information contained in any return or report is furnished, or any person engaged or 53 retained by such department on an independent contract basis or any 54 55 person who in any manner may acquire knowledge of the contents of a return or report filed pursuant to this article to divulge or make known 56

1 in any manner the contents or any other information relating to the 2 business of a distributor, owner or other person contained in any return or report required under this article. The officers charged with the 3 custody of such returns or reports shall not be required to produce any 4 of them or evidence of anything contained in them in any action or 5 proceeding in any court, except on behalf of the state, [the state 6 department of health] office of cannabis management, or the commissioner 7 8 in an action or proceeding under the provisions of this chapter or on behalf of the state or the commissioner in any other action or proceed-9 ing involving the collection of a tax due under this chapter to which 10 11 the state or the commissioner is a party or a claimant or on behalf of 12 any party to any action or proceeding under the provisions of this arti-13 cle, when the returns or the reports or the facts shown thereby are 14 directly involved in such action or proceeding, or in an action or 15 proceeding relating to the regulation or taxation of medical [marihuana] 16 cannabis on behalf of officers to whom information shall have been 17 supplied as provided in subdivision two of this section, in any of which 18 events the court may require the production of, and may admit in 19 evidence so much of said returns or reports or of the facts shown thereby as are pertinent to the action or proceeding and no more. Nothing 20 21 herein shall be construed to prohibit the commissioner, in his or her 22 discretion, from allowing the inspection or delivery of a certified copy 23 of any return or report filed under this article or of any information 24 contained in any such return or report by or to a duly authorized officer or employee of the [state department of health] office of cannabis 25 26 management; or by or to the attorney general or other legal represen-27 tatives of the state when an action shall have been recommended or commenced pursuant to this chapter in which such returns or reports or 28 29 the facts shown thereby are directly involved; or the inspection of the returns or reports required under this article by the comptroller or 30 duly designated officer or employee of the state department of audit and 31 control, for purposes of the audit of a refund of any tax paid by a 32 33 registered organization or other person under this article; nor to 34 prohibit the delivery to a registered organization, or a duly authorized representative of such registered organization, a certified copy of any 35 36 return or report filed by such registered organization pursuant to this 37 article, nor to prohibit the publication of statistics so classified as 38 to prevent the identification of particular returns or reports and the 39 items thereof. This section shall also not be construed to prohibit the 40 disclosure, for tax administration purposes, to the division of the 41 budget and the office of the state comptroller, of information aggre-42 gated from the returns filed by all the registered organizations making 43 sales of, or manufacturing, medical [marihuana] cannabis in a specified 44 county, whether the number of such registered organizations is one or 45 more. Provided further that, notwithstanding the provisions of this 46 subdivision, the commissioner may, in his or her discretion, permit the 47 proper officer of any county entitled to receive an allocation, following appropriation by the legislature, pursuant to this article and 48 49 section eighty-nine-h of the state finance law, or the authorized representative of such officer, to inspect any return filed under this arti-50 51 or may furnish to such officer or the officer's authorized reprecle, 52 sentative an abstract of any such return or supply such officer or such representative with information concerning an item contained in any such 53 return, or disclosed by any investigation of tax liability under this 54 55 article.

1 2. The commissioner, in his or her discretion and pursuant to such 2 rules and regulations as he or she may adopt, may permit [the commissioner of internal revenue of the United States, or] the appropriate 3 officers of any other state which regulates or taxes medical [marihuana] 4 5 cannabis, or the duly authorized representatives of such [commissioner or of any such] officers, to inspect returns or reports made pursuant to 6 7 this article, or may furnish to such [commissioner or] other officers, 8 or duly authorized representatives, a copy of any such return or report 9 or an abstract of the information therein contained, or any portion thereof, or may supply [such commissioner or] any such officers or such 10 representatives with information relating to the business of a regis-11 12 tered organization making returns or reports hereunder. The commissioner 13 may refuse to supply information pursuant to this subdivision [to the 14 commissioner of internal revenue of the United States or] to the offi-15 cers of any other state if the statutes [of the United States, or] of 16 the state represented by such officers, do not grant substantially simi-17 lar privileges to the commissioner, but such refusal shall not be manda-18 tory. Information shall not be supplied to [the commissioner of internal 19 revenue of the United States or] the appropriate officers of any other 20 state which regulates or taxes medical [marihuana] cannabis, or the duly 21 authorized representatives [of such commissioner or] of any of such 22 officers, unless such [commissioner,] officer or other representatives 23 shall agree not to divulge or make known in any manner the information 24 so supplied, but such officers may transmit such information to their 25 employees or legal representatives when necessary, who in turn shall be subject to the same restrictions as those hereby imposed upon such 26 27 [commissioner,] officer or other representatives. 28 3. (a) Any officer or employee of the state who willfully violates the provisions of subdivision one or two of this section shall be dismissed 29 30 from office and be incapable of holding any public office in this state for a period of five years thereafter. 31

Every wholesaler shall, on 14 or before the twentieth date of the month, file with the commissioner a 15 return on forms to be prescribed by the commissioner, showing the total 16 weight of cannabis flower and cannabis trim subject to tax pursuant to 17 subdivision (a) of section four hundred ninety-three of this article and the total amount of tax due thereon in the preceding calendar month, and 18 19 the total amount of tax due under subdivisions (b) and (c) of such 20 section on its sales to a retail dispensary during the preceding calen-21 dar month, along with such other information as the commissioner may 22 require. Every person required to file a return under this section 23 shall, at the time of filing such return, pay to the commissioner the 24 total amount of tax due for the period covered by such return. If a 25 return is not filed when due, the tax shall be due on the day on which the return is required to be filed. 26 27 2. The wholesaler shall maintain such records in such form as the 28 commissioner may require regarding such items as: where the wholesaler 29 is not the cultivator, the weight of the cannabis flower and cannabis 30 trim transferred to it by a cultivator or, where the wholesaler is the cultivator, the weight of such flower and trim produced by it; the 31 geographic location of every retail dispensary to which it sold adult-32 33 use cannabis products; and any other record or information required by 34 the commissioner. All taxes, interest, and penalties collected or received by the 44 commissioner under this article shall be deposited and disposed of 45 pursuant to the provisions of section one hundred seventy-one-a of this 46 chapter, provided that an amount equal to one hundred percent collected 47 under this article less any amount determined by the commissioner to be 48 reserved by the comptroller for refunds or reimbursements shall be paid 49 by the comptroller to the credit of the cannabis revenue fund estab-50 lished by section ninety-nine-ff of the state finance law. Of the total 51 revenue collected or received under this article, the comptroller shall 52 retain such amount as the commissioner may determine to be necessary for 53 refunds. The commissioner is authorized and directed to deduct from the 54 registration fees under subdivision (a) of section four hundred ninetyfour of this article, before deposit into the cannabis revenue fund 55 designated by the comptroller, a reasonable amount necessary to effectu-56

1 ate refunds of appropriations of the department to reimburse the depart-2 ment for the costs incurred to administer, collect, and distribute the 3 taxes imposed by this article. 4 2. Notwithstanding the foregoing, the commissioner shall certify to the comptroller the total amount of tax, penalty and interest received 5 6 by him or her on account of the tax imposed by subdivision (c) of 7 section four hundred ninety-three of this article in trust for and on 8 account of each county in which a retail dispensary is located. On or 9 before the twelfth day of each month, the comptroller, after reserving such refund fund, shall pay to the appropriate fiscal officer of each 10 11 such county the taxes, penalties and interest received and certified by 12 the commissioner for the preceding calendar month. 13 § 496. Returns to be kept secret. (a) Except in accordance with proper 14 judicial order or as in this section or otherwise provided by law, it 15 shall be unlawful for the commissioner, any officer or employee of the 16 department, or any officer or person who, pursuant to this section, is 17 permitted to inspect any return or report or to whom a copy, an abstract or a portion of any return or report is furnished, or to whom any infor-18 mation contained in any return or report is furnished, or any person who 19 20 in any manner may acquire knowledge of the contents of a return or 21 report filed pursuant to this article to divulge or make known in any 22 manner the content or any other information related to the business of 23 the wholesaler contained in any return or report required under this article. The officers charged with the custody of such returns or 24 25 reports shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, 26 27 except on behalf of the state, the office of cannabis management, or the 28 commissioner in an action or proceeding involving the collection of tax 29 due under this chapter to which the state or the commissioner is a party or a claimant or on behalf of any party to any action or proceeding 30 31 under the provisions of this article, when the returns or the reports or 32 the facts shown thereby are directly involved in such action or proceed-33 ing, or in an action or proceeding related to the regulation or taxation 34 of adult-use cannabis products on behalf of officers to whom information 35 shall have been supplied as provided in this section, in any of which 36 events the courts may require the production of, and may admit in 37 evidence so much of said returns or reports or of the facts shown there-38 by as are pertinent to the action or proceeding and no more. Nothing herein shall be construed to prohibit the commissioner, in his or her 39 40 discretion, from allowing the inspection or delivery of a certified copy 41 of any return or report filed under this article or of any information 42 contained in any such return or report by or to a duly authorized officer or employee of the office of cannabis management or by or to the 43 44 attorney general or other legal representatives of the state when an 45 action shall have been recommended or commenced pursuant to this chapter 46 in which such returns or reports or the facts shown thereby are directly 47 involved; or the inspection of the returns or reports required under this article by the comptroller or duly designated officer or employee 48 49 of the state department of audit and control, for purposes of the audit 50 of a refund of any tax paid by the wholesaler under this article; nor to 51 prohibit the delivery to such person or a duly authorized representative 52 of such person, a certified copy of any return or report filed by such 53 person pursuant to this article, nor to prohibit the publication of 54 statistics so classified as to prevent the identification of particular 55 returns or reports and the items thereof. This section shall also not be construed to prohibit the disclosure, for tax administration purposes, 56

to the division of the budget and the office of the state comptroller, 1 2 of information aggregated from the returns filed by all wholesalers 3 purchasing and selling such products in the state, whether the number of such persons is one or more. Provided further that, notwithstanding the 4 5 provisions of this subdivision, the commissioner may in his or her 6 discretion, permit the proper officer of any county entitled to receive 7 any distribution of the monies received on account of the tax imposed by 8 subdivision (c) of section four hundred ninety-three of this article, or 9 the authorized representative of such officer, to inspect any return 10 filed under this article, or may furnish to such officer or the offi-11 cer's authorized representative an abstract of any such return or supply 12 such officer or representative with information concerning an item 13 contained in any such return, or disclosed by any investigation of tax 14 liability under this article. 15 (b) The commissioner, in his or her discretion, may permit the appro-16 priate officers of any other state that regulates or taxes cannabis or 17 the duly authorized representatives of such commissioner or of any such officers, to inspect returns or reports made pursuant to this article, 18 19 or may furnish to the commissioner or other officer, or duly authorized 20 representatives, a copy of any such return or report or an abstract of 21 the information therein contained, or any portion thereof, or may supply 22 such commissioner or any such officers or such representatives with information relating to the business of a wholesaler making returns or 23 24 reports hereunder solely for purposes of tax administration. The commis-25 sioner may refuse to supply information pursuant to this subdivision to 26 the officers of any other state if the statutes of the state represented 27 by such officers do not grant substantially similar privileges to the 28 commissioner, but such refusal shall not be mandatory. Information shall 29 not be supplied to the appropriate officers of any state that regulates or taxes cannabis, or the duly authorized representatives of such 30 31 commissioner or of any such officers, unless such commissioner, officer, 32 or other representatives shall agree not to divulge or make known in any 33 manner the information so supplied, but such officers may transmit such 34 information to their employees or legal representatives when necessary, 35 who in turn shall be subject to the same restrictions as those hereby 36 imposed upon such commissioner, officer or other representatives. 37 (c) 1. Any officer or employee of the state who willfully violates the 38 provisions of subdivision one or two of this section shall be dismissed state 39 from office and be incapable of holding any public office in the 40 for a period of five years thereafter. 41 2. For criminal penalties, see article thirty-seven of this chapter. 42 38.
