2 Provided, further, that to assess proposal quality in order to award  
3 such funding, the commissioner shall take into account factors

6 partnerships with local governments and non-profit organizations,  
7 (ii) the extent to which the proposal would provide for delivery of  
8 such services directly in school buildings, (iii) the extent to  
9 which the proposal articulates how such services would facilitate  
10 measurable improvement in student and family outcomes, (iv) the  
11 extent to which the proposal articulates and identifies how existing  
12 funding streams and programs would be used to provide such community  
13 services, and (v) the extent to which the proposal ensures the safe-  
14 ty of all students, staff and community members in school buildings  
15 used as community hubs. Provided, however, that community schools

1 districts that the office of children and  
2 family services has determined have not  
3 complied with the title IV-E eligibility  
4 requirements or have not taken the neces-  
5 sary actions to ensure compliance with  
6 such requirements including, but not  
7 limited to, failing to: assess and fully  
8 document all the criteria and have readily  
9 available all the necessary documents to  
10 establish and continue title IV-E eligi-  
11 bility for all title IV-E eligible chil-  
12 dren within the required time frames;  
13 claim title IV-E funding only for cases  
14 that meet all of the title IV-E eligibil-  
15 ity criteria; and fully implement the  
16 social services payment system on or  
17 before April 1, 2005 for all direct and  
18 voluntary agency foster care services.

19 Notwithstanding any law to the contrary, the  
20 office of children and family services  
21 shall impose on social services districts  
22 any federal disallowance issued against  
23 the state as a result of a federal title  
24 IV-E secondary eligibility review regard-  
25 less of the date the children may have  
26 entered foster care, the date the eligi-  
27 bility or payment errors occurred, or the  
28 filing date of any federal claims for  
29 reimbursement; provided, however, that the  
30 state shall be responsible for the disal-  
31 lowed costs and expenditures related to  
32 the placement of children in a facility  
33 operated by the office of children and  
34 family services, which shall be determined  
35 in the same manner as the disallowed costs  
36 and expenditures for social services  
37 districts other than the city of New York.  
38 In order to reimburse the federal govern-  
39 ment for the full amount of any disallow-  
40 ance imposed on the state by the federal  
41 administration for children and families  
42 within the timeframes necessary to avoid  
43 any potential interest payments on such  
44 amount, the office of children and family  
45 services is authorized to immediately  
46 offset funds otherwise due to each  
47 district for a pro rata share of the total  
48 disallowed costs based on the percentage  
49 of applicable federal title IV-E claims  
50 made by that district for the relevant  
51 time period as compared to the total

1 applicable statewide title IV-E claims.  
2 The amount of the offset against each  
3 district will be adjusted, if necessary,  
4 upon completion of the disallowance allo-  
5 cation process. The final allocation of  
6 the amount of any federal disallowance  
7 resulting from a title IV-E secondary  
8 eligibility review shall be allocated  
9 among the districts so that each district  
10 shall be responsible for the amount  
11 attributable to each of the district's  
12 children or cases that are determined by  
13 the federal review to be unallowable. Each  
14 district shall also be responsible for a  
15 portion of the federal extrapolated disal-  
16 lowance amount based on the relative error  
17 rate for the district. The city of New  
18 York's error rate will be based on the  
19 federal sample and federal statistics. For  
20 all social services districts other than  
21 the city of New York, the error rate will  
22 be based on a review conducted by the  
23 district of a sample of children and/or  
24 cases determined by the office of children  
25 and family services and a re-review of a  
26 sub-sample by the office of those children  
27 and/or cases determined by the office. The  
28 office of children and family services  
29 will determine what is reasonable in  
30 establishing the size of the sample and  
31 sub-sample for each district. The office  
32 of children and family services shall  
33 notify each social services district of  
34 the sample of children and/or cases from  
35 the federal audit period that the social  
36 services district must review. Any child  
37 or case from the social services district  
38 that was included in the federal sample  
39 will automatically be included in the  
40 social services district's review sample  
41 and the determination made at the federal  
42 review regarding that child or case will  
43 govern for the purposes of the social  
44 services district's review. The social  
45 services district must complete and submit  
46 the results of its review to the office of  
47 children and family services within 60  
48 days of receipt of the sample. The error  
49 rate for the district will be based on the  
50 findings of the district's review and the  
51 office of children and family services'

1 re-review. If a social services district  
2 does not complete its review within 60  
3 days of receiving the sample from the  
4 office of children and family services,  
5 the office of children and family services  
6 shall assign an error rate to the social  
7 services district based on the relative  
8 percentage of the district's applicable  
9 title IV-E claims for the relevant period  
10 as compared to applicable statewide title  
11 IV-E claims for that period and other  
12 circumstances that the office of children  
13 and family services may consider in order  
14 to allocate 100 percent of the federal  
15 disallowance. The office of children and  
16 family services shall apply each social  
17 services district's error rate to the  
18 total amount of the district's applicable  
19 title IV-E claims including associated  
20 administrative expenses. The resulting  
21 dollar amounts for all of the social  
22 services districts will be summed to  
23 derive the total amount of title IV-E  
24 claims deemed to be in error statewide. To  
25 establish a disallowance percentage for  
26 each social services district, the amount  
27 of the district's title IV-E claims deemed  
28 to be in error will be divided by the  
29 amount of statewide title IV-E claims  
30 deemed to be in error. The resulting  
31 disallowance percentage for each district  
32 will be applied to the entire title IV-E  
33 extrapolated disallowance calculated by  
34 the federal review to determine the amount  
35 of the extrapolated disallowance for which  
36 the district is responsible. Each district  
37 will be credited for the amount already  
38 disallowed for any individual children or  
39 cases found to be in error during the  
40 federal review. The exclusive appeal  
41 rights for the review of the amount of the  
42 federal disallowance assigned to each  
43 social services district shall be pursuant  
44 to article 78 of the civil practice laws  
45 and rules; provided, however, that in any  
46 such action all of the social services  
47 districts shall be joined as necessary  
48 parties and the venue of any such action  
49 shall be in Rensselaer county. Any social

29 [\$43,004,329,000] \$44,351,166,000 provided, however, such aggregate  
30 limits may be adjusted by the director of the budget to account for  
31 any changes in the New York state federal medical assistance

1 savings allocation plan to limit such spending to the aggregate  
2 limit specified herein for such period.

3 Such medicaid savings allocation plan shall be designed, to reduce the  
4 expenditures authorized by the appropriations herein in compliance  
5 with the following guidelines: (1) reductions shall be made in  
6 compliance with applicable federal law, including the provisions of  
7 the Patient Protection and Affordable Care Act, Public Law No.  
8 111-148, and the Health Care and Education Reconciliation Act of  
9 2010, Public Law No. 111-152 (collectively "Affordable Care Act")  
10 and any subsequent amendments thereto or regulations promulgated  
11 thereunder; (2) reductions shall be made in a manner that complies

13 medicare and medicaid services, provided, however, that the commis-

17 meets the other criteria set forth herein; (3) reductions shall be  
18 made in a manner that maximizes federal financial participation, to  
19 the extent practicable, including any federal financial partic-  
20 ipation that is available or is reasonably expected to become avail-  
21 able, in the discretion of the commissioner, under the Affordable  
22 Care Act; (4) reductions shall be made uniformly among categories of  
23 services and geographic regions of the state, to the extent practi-  
24 cable, and shall be made uniformly within a category of service, to  
25 the extent practicable, except where the commissioner determines  
26 that there are sufficient grounds for non-uniformity, including but  
27 not limited to: the extent to which specific categories of services  
28 contributed to department of health medicaid state funds spending in  
29 excess of the limits specified herein; the need to maintain safety  
30 net services in underserved communities; or the potential benefits  
31 of pursuing innovative payment models contemplated by the Affordable  
32 Care Act, in which case such grounds shall be set forth in the medi-  
33 caid savings allocation plan; and (5) reductions shall be made in a  
34 manner that does not unnecessarily create administrative burdens to  
35 medicaid applicants and recipients or providers.

36 The commissioner shall seek the input of the legislature, as well as  
37 organizations representing health care providers, consumers, busi-  
38 nesses, workers, health insurers, and others with relevant exper-  
39 tise, in developing such medicaid savings allocation plan, to the  
40 extent that all or part of such plan, in the discretion of the  
41 commissioner, is likely to have a material impact on the overall  
42 medicaid program, particular categories of service or particular  
43 geographic regions of the state.

44 (a) The commissioner shall post the medicaid savings allocation plan  
45 on the department of health's website and shall provide written  
46 copies of such plan to the chairs of the senate finance and the  
47 assembly ways and means committees at least 30 days before the date  
48 on which implementation is expected to begin.

49 (b) The commissioner may revise the medicaid savings allocation plan

1 this paragraph only if the commissioner determines, in his or her  
2 discretion, that such revisions materially alter the plan.

3 Notwithstanding the provisions of paragraphs (a) and (b) of this  
4 subdivision, the commissioner need not seek the input described in  
5 paragraph (a) of this subdivision or provide notice pursuant to  
6 paragraph (b) of this subdivision if, in the discretion of the  
7 commissioner, expedited development and implementation of a medicaid  
8 savings allocation plan is necessary due to a public health emergen-  
9 cy.

10 For purposes of this section, a public health emergency is defined as:  
11 (i) a disaster, natural or otherwise, that significantly increases  
12 the immediate need for health care personnel in an area of the  
13 state; (ii) an event or condition that creates a widespread risk of  
14 exposure to a serious communicable disease, or the potential for  
15 such widespread risk of exposure; or (iii) any other event or condi-  
16 tion determined by the commissioner to constitute an imminent threat  
17 to public health.

18 Nothing in this paragraph shall be deemed to prevent all or part of  
19 such medicaid savings allocation plan from taking effect retroac-  
20 tively to the extent permitted by the federal centers for medicare  
21 and medicaid services.

22 In accordance with the medicaid savings allocation plan, the commis-  
23 sioner of the department of health shall reduce department of health  
24 state funds medicaid spending by the amount of the projected over-  
25 spending through, actions including, but not limited to modifying or  
26 suspending reimbursement methods, including but not limited to all  
27 fees, premium levels and rates of payment, notwithstanding any  
28 provision of law that sets a specific amount or methodology for any  
29 such payments or rates of payment; modifying medicaid program bene-  
30 fits; seeking all necessary federal approvals, including, but not  
31 limited to waivers, waiver amendments; and suspending time frames  
32 for notice, approval or certification of rate requirements, notwith-  
33 standing any provision of law, rule or regulation to the contrary,  
34 including but not limited to sections 2807 and 3614 of the public  
35 health law, section 18 of chapter 2 of the laws of 1988, and 18  
36 NYCRR 505.14(h).

37 The department of health shall prepare a monthly report that sets  
38 forth: (a) known and projected department of health medicaid expend-  
39 itures as described in subdivision (1) of this section, and factors  
40 that could result in medicaid disbursements for the relevant state  
41 fiscal year to exceed the projected department of health state funds  
42 disbursements in the enacted budget financial plan pursuant to  
43 subdivision 3 of section 23 of the state finance law, including  
44 spending increases or decreases due to: enrollment fluctuations,  
45 rate changes, utilization changes, MRT investments, and shift of  
46 beneficiaries to managed care; and variations in offline medicaid  
47 payments; and (b) the actions taken to implement any medicaid

4 \$44,351,166,000 provided, however, such aggregate limits may be  
5 adjusted by the director of the budget to account for any changes in  
6 the New York state federal medical assistance percentage amount  
7 established pursuant to the federal social security act, increases  
8 in provider revenues, reductions in local social services district  
9 payments for medical assistance administration, minimum wage

11 New York state medical indemnity fund, pursuant to chapter 59 of the  
12 laws of 2011, and state costs or savings from the essential plan

17 The director of the budget, in consultation with the commissioner of

19 expenditures by category of service and by geographic region, as  
20 defined by the commissioner, incurred both prior to and subsequent  
21 to such assessment for each such period, and if the director of the  
22 budget determines that such expenditures are expected to cause medi-  
23 caid spending for such period to exceed the aggregate limit speci-  
24 fied herein for such period, the state medicaid director, in consul-  
25 tation with the director of the budget and the commissioner of  
26 health, shall develop a medicaid savings allocation plan to limit  
27 such spending to the aggregate limit specified herein for such peri-  
28 od.

29 Such medicaid savings allocation plan shall be designed, to reduce the  
30 expenditures authorized by the appropriations herein in compliance  
31 with the following guidelines: (1) reductions shall be made in  
32 compliance with applicable federal law, including the provisions of  
33 the Patient Protection and Affordable Care Act, Public Law No.  
34 111-148, and the Health Care and Education Reconciliation Act of  
35 2010, Public Law No. 111-152 (collectively "Affordable Care Act")  
36 and any subsequent amendments thereto or regulations promulgated  
37 thereunder; (2) reductions shall be made in a manner that complies  
38 with the state medicaid plan approved by the federal centers for  
39 medicare and medicaid services, provided, however, that the commis-  
40 sioner of health is authorized to submit any state plan amendment or  
41 seek other federal approval, including waiver authority, to imple-  
42 ment the provisions of the medicaid savings allocation plan that  
43 meets the other criteria set forth herein; (3) reductions shall be

49 services and geographic regions of the state, to the extent practi-  
50 cable, and shall be made uniformly within a category of service, to  
51 the extent practicable, except where the commissioner determines  
52 that there are sufficient grounds for non-uniformity, including but

not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation plan; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation plan, to the extent that all or part of such plan, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation plan on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation plan subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation plan is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as:

(i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation plan from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation plan, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any

26 shall be posted on the department of health's website in a timely  
27 manner.

1 that there are sufficient grounds for non-uniformity, including but  
2 not limited to: the extent to which specific categories of services  
3 contributed to department of health medicaid state funds spending in  
4 excess of the limits specified herein; the need to maintain safety  
5 net services in underserved communities; or the potential benefits  
6 of pursuing innovative payment models contemplated by the Affordable  
7 Care Act, in which case such grounds shall be set forth in the medi-  
8 caid savings allocation plan; and (5) reductions shall be made in a  
9 manner that does not unnecessarily create administrative burdens to  
10 medicaid applicants and recipients or providers.

11 The commissioner shall seek the input of the legislature, as well as  
12 organizations representing health care providers, consumers, busi-  
13 nesses, workers, health insurers, and others with relevant exper-  
14 tise, in developing such medicaid savings allocation plan, to the  
15 extent that all or part of such plan, in the discretion of the  
16 commissioner, is likely to have a material impact on the overall  
17 medicaid program, particular categories of service or particular  
18 geographic regions of the state.

19 (a) The commissioner shall post the medicaid savings allocation plan  
20 on the department of health's website and shall provide written  
21 copies of such plan to the chairs of the senate finance and the  
22 assembly ways and means committees at least 30 days before the date  
23 on which implementation is expected to begin.

24 (b) The commissioner may revise the medicaid savings allocation plan  
25 subsequent to the provisions of notice and prior to implementation  
26 but needs to provide a new notice pursuant to subparagraph (i) of  
27 this paragraph only if the commissioner determines, in his or her  
28 discretion, that such revisions materially alter the plan.

29 Notwithstanding the provisions of paragraphs (a) and (b) of this  
30 subdivision, the commissioner need not seek the input described in  
31 paragraph (a) of this subdivision or provide notice pursuant to  
32 paragraph (b) of this subdivision if, in the discretion of the  
33 commissioner, expedited development and implementation of a medicaid

38 the immediate need for health care personnel in an area of the  
39 state; (ii) an event or condition that creates a widespread risk of  
40 exposure to a serious communicable disease, or the potential for  
41 such widespread risk of exposure; or (iii) any other event or condi-  
42 tion determined by the commissioner to constitute an imminent threat  
43 to public health.

44 Nothing in this paragraph shall be deemed to prevent all or part of  
45 such medicaid savings allocation plan from taking effect retroac-  
46 tively to the extent permitted by the federal centers for medicare  
47 and medicaid services.

Such projections may be adjusted by the director of the budget to account for increased or expedited department of health state funds medicaid expenditures as a result of a natural or other type of disaster, including a governmental declaration of emergency. The director of the budget, in consultation with the commissioner of health, shall assess on monthly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation plan to limit such spending to the aggregate limit specified herein for such period.

Such medicaid savings allocation plan shall be designed, to reduce the expenditures authorized by the appropriations herein in compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation plan that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of
