(d) Except as otherwise provided in this paragraph, the credit allowed under this subdivision for any taxable year shall not reduce the tax due for such year to less than the fixed dollar minimum amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of credit allowable under this subdivi-
sion for any taxable year reduces the tax to such amount or if the
taxpayer otherwise pays tax based on the fixed dollar minimum amount,
any amount of credit allowed for a taxable year commencing prior to
January first, nineteen hundred eighty-seven and not deductible in such
taxable year may be carried over to the following year or years and may
be deducted from the taxpayer's tax for such year or years but in no
event shall such credit be carried over to taxable years commencing on
or after January first, two thousand two, and any amount of credit
allowed for a taxable year commencing on or after January first, nine-
teen hundred eighty-seven and not deductible in such year may be carried
over to the fifteen taxable years next following such taxable year and
may be deducted from the taxpayer's tax for such year or years. In lieu
of such carryover, (i) any such taxpayer which qualifies as a new busi-
ness under paragraph (f) of this subdivision may elect to treat the
amount of such carryover as an overpayment of tax to be credited or
refunded in accordance with the provisions of section one thousand
eighty-six of this chapter, and (ii) any such taxpayer that is an eligi-
ble farmer, as defined in subdivision eleven of this section, may for
taxable years beginning before January first, two thousand twenty-eight,
elect to treat the amount of such carryover as an overpayment of tax to
be credited or refunded in accordance with the provisions of section one
thousand eighty-six of this chapter, provided, however, the provisions
of subsection (c) of section one thousand eighty-eight of this chapter
notwithstanding, no interest shall be paid thereon.

§ 2. Paragraph 5 of subsection (a) of section 606 of the tax law, as
amended by chapter 170 of the laws of 1994, is amended to read as
follows:

(5) If the amount of credit allowable under this subsection for any
taxable year shall exceed the taxpayer's tax for such year, the excess
allowed for a taxable year commencing prior to January first, nineteen
hundred eighty-seven may be carried over to the following year or years
and may be deducted from the taxpayer's tax for such year or years, but
in no event shall such credit be carried over to taxable years commenc-
ing on or after January first, nineteen hundred ninety-seven, and any
amount of credit allowed for a taxable year commencing on or after Janu-
ary first, nineteen hundred eighty-seven and not deductible in such year
may be carried over to the ten taxable years next following such taxable
year and may be deducted from the taxpayer's tax for such year or years.
In lieu of carrying over any such excess, (A) a taxpayer who qualifies
as an owner of a new business for purposes of paragraph ten of this
subsection may, at [his] the taxpayer's option, receive such excess as a
refund, and (B) a taxpayer that is an eligible farmer as defined in
subsection (n) of this section may, at the taxpayer's option, for taxa-
able years beginning before January first, two thousand twenty-eight
receive such excess as a refund. Any refund paid pursuant to this para-
graph shall be deemed to be a refund of an overpayment of tax as
provided in section six hundred eighty-six of this article, provided,
however, that no interest shall be paid thereon.

§ 3. This act shall take effect immediately, and apply to taxable
years beginning on or after January 1, 2023.
The amount of the credit shall be the product (or pro rata share of the product, in the case of a member of a partnership) of thirty percent, or thirty-five percent in the case of an eligible relocated television series, and the qualified production costs paid or incurred in the production of a qualified film, provided that: (i) the qualified production costs (excluding post production costs) paid or incurred which are attributable to the use of tangible property or the performance of services at a qualified film production facility in the production of such qualified film equal or exceed seventy-five percent of the production costs (excluding post production costs) paid or incurred which are attributable to the use of tangible property or the performance of services at any film production facility within and without the state in the production of such qualified film, and (ii) except with respect to a qualified independent film production company or pilot, at least ten percent of the total principal photography shooting days spent in the production of such qualified film must be spent at a qualified film production facility. However, if the qualified production costs (excluding post production costs) which are attributable to the use of tangible property or the performance of services in the production of such qualified film outside of a qualified film production facility shall be allowed only if the shooting days spent in New York outside of a film production facility in the production of such qualified film equal or exceed seventy-five percent of the total shooting days spent within and without New York outside of a qualified film production facility in the production of such qualified film. The credit shall be allowed for the taxable year in which the production of such qualified film is completed. However, in the case of a qualified film that receives funds from additional pool 2, no credit shall be claimed before the later of (1) the taxable year the production of the qualified film is complete, or (2) the [first] taxable year [beginning immediately after the] that includes the last day of the allocation year for which the film has been allocated credit by the [governor's office for motion picture and television] department of economic development. If the amount of the credit is at least one million dollars but less than five million dollars, the credit shall be claimed over a two year period beginning in the first taxable year in which the credit may be claimed and in the next succeeding taxable year, with one-half of the amount of credit allowed being claimed in each year. If the amount of the credit is at least five million dollars, the credit shall be claimed over a three year period beginning in the first taxable year in which the credit may be claimed and in the next two succeeding taxable years, with one-third of the amount of the credit allowed being claimed in each year.

§ 2. Paragraph 5 of subdivision (a) of section 24 of the tax law, as amended by section 2 of part M of chapter 59 of the laws of 2022, is amended to read as follows:

(5) For the period two thousand fifteen through two thousand twenty-nine, in addition to the amount of credit established in paragraph two of this subdivision, a taxpayer shall be allowed a credit equal to the product (or pro rata share of the product, in the case of a member of a partnership) of ten percent and the amount of wages or salaries paid to individuals directly employed (excluding those employed as writers, directors, [music directors] composers, producers and perform-

Provided, however, the aggregate total eligible qualified production costs for producers, writers, directors, performers (other than background actors with no scripted lines), and composers shall not exceed forty percent of the aggregate sum total of all other qualified production costs. Such aggregate amount of credits shall be allocated by the department of economic development among taxpayers in order of priority based upon the date of filing an application for allocation of film production credit [with such office]. If the total amount of allocated credits applied for under this paragraph in any year exceeds the aggregate amount of tax credits allowed for such year under this paragraph, such excess shall be treated as having been applied for on the first day of the next year. If the total amount of allocated tax credits applied for under this paragraph at the conclusion of any year is less than five million dollars each year during the period two thousand fifteen through two thousand twenty-three and fifteen million dollars each year during the period two thousand twenty-four through two thousand thirty-four, the remainder shall be treated as part of the annual allocation made available to the program pursuant to paragraph four of subdivision (e) of this section. However, in no event may the total of the credits allocated under this paragraph and the credits allocated under paragraph five of subdivision (a) of section thirty-one of this article exceed five million dollars [in any year during the period two thousand fifteen through two thousand twenty-nine]; provided further, however, that during the period two thousand twenty-four through two thousand thirty-four, in no event may the total of the credits allocated under this paragraph exceed fifteen million dollars or the credits allocated under paragraph five of subdivision (a) of section thirty-one of this article exceed five million dollars.

§ 10. This act shall take effect immediately for initial applications received on or after such effective date; provided, however, that the amendments to paragraph 4 of subdivision (e) of section 24 of the tax law made by section six of this act shall take effect on the same date and in the same manner as section 6 of chapter 683 of the laws of 2019, as amended, takes effect.

The amount of the credit is equal to the amount determined pursuant to section three hundred ninety-four-d of the social services law and shall be claimed in the taxable year that includes the last day of the service year for which the credit is calculated. No cost or expense paid or incurred by the taxpayer that is included as part of the calculation of this credit shall be the basis of any other tax credit allowed under this chapter.

(b) Eligibility. To be eligible for the child care creation and expansion tax credit, the taxpayer shall have been issued a certificate of tax credit by the office of children and family services pursuant to section three hundred ninety-four-c of the social services law. (1) information regarding the credit applied for, allowed or claimed
pursuant to this section and taxpayers that are applying for the credit
or that are claiming the credit; and
(2) information contained in or derived from credit claim forms
submitted to the department. Except as provided in paragraph one of this
subdivision, all information exchanged between the office of children
and family services and the department shall not be subject to disclo-
sure or inspection under the state's freedom of information law.
(e) Credit recapture. If a certificate of tax credit issued by the
office of children and family services under title 1-A of article six of

such revocation becomes final.
(f) Cross references. For application of the credit provided for in
this section, see the following provisions of this chapter:
(1) article 9-A: section 210-B, subdivision 59;
(2) article 22: section 606, subsection (ooo);
(3) article 33: section 1511, subdivision (ee).

imposed by this article.
(b) Application of credit. The credit allowed under this subdivision
for the taxable year shall not reduce the tax due for such year to less
than the amount prescribed in paragraph (d) of subdivision one of
section two hundred ten of this article. However, if the amount of cred-
it allowed under this subdivision for the taxable year reduces the tax
to such amount or if the taxpayer otherwise pays tax based on the fixed
dollar minimum amount, any amount of credit thus not deductible in such
taxable year shall be treated as an overpayment of tax to be credited or
refunded in accordance with the provisions of section one thousand
eighty-six of this chapter. Provided, however, the provisions of
subsection (c) of section one thousand eighty-eight of this chapter
notwithstanding, no interest will be paid thereon.

(ooo) to read as follows:
(ooo) Child care creation and expansion tax credit. (1) Allowance of
credit. A taxpayer shall be allowed a credit, to be computed as provided
in section forty-eight of this chapter, against the tax imposed by this
article.
(2) Application of credit. If the amount of the credit allowed under
this subsection for the taxable year exceeds the taxpayer's tax for such
year, the excess shall be treated as an overpayment of tax to be credit-
ed or refunded in accordance with the provisions of section six hundred
eighty-six of this article, provided, however, that no interest will be
paid thereon.
§ 5. Subparagraph (B) of paragraph 1 of subsection (i) of section 606
of the tax law is amended by adding a new clause (1) to read as follows:
§ 6. Section 1511 of the tax law is amended by adding a new subdivision (ee) to read as follows:

(1) Child care creation and expansion tax credit. A taxpayer shall be allowed a credit, to be computed as provided in section forty-eight of this chapter, against the tax imposed by this article.

However, if the amount of the credit allowed under this subdivision for any taxable year reduces the taxpayer's tax to such amount, any amount of credit thus not deductible will be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

§ 7. This act shall take effect immediately.

taxable years beginning on or after January first, two thousand ten and
before January first, two thousand [twenty-five] thirty, a taxpayer
shall be allowed a credit as hereinafter provided, against the tax
imposed by this article, in an amount equal to;
(i) one hundred percent of the amount of credit allowed the taxpayer

revenue code section 47(c)(3), determined without regard to ratably
(ii) one hundred percent of the amount of credit allowed the taxpayer with respect to a certified historic structure that is a white elephant project, under internal revenue code section 47(c)(3) (ratably allocating the credit over a five-year period), with respect to a certified historic structure located within the state. Provided, however, the credit shall not exceed five million dollars, unless such credit is allowed with respect to a certified historic structure that is a white elephant project, in which case, the credit shall not exceed fifty million dollars. Provided, further, that whenever the commissioner of parks, recreation and historic preservation receives an application for a white elephant project from an applicant for which such commissioner has previously certified credit for an eligible white elephant project, the commissioner of parks, recreation and historic preservation may deem such subsequent application to be phase II of the original eligible project if such commissioner determines that the two projects are reasonably related, as determined by such commissioner; the previous project qualified as an eligible white elephant project with seventy-five million dollars or less of qualified rehabilitation expenditures; and the phase II application has been submitted within five years of such commissioner's previous certification of credit for the previously eligible white elephant project.

(B) For taxable years beginning on or after January first, two thousand thirty, a taxpayer shall be allowed a credit as hereinafter provided, against the tax imposed by this article, in an amount equal to thirty percent of the amount of credit allowed the taxpayer with respect to a certified historic structure under internal revenue code section 47(c)(3), determined without regard to ratably allocating the credit over a five-year period as required by subsection (a) of such section 47, with respect to a certified historic structure located within the state; provided, however, the credit shall not exceed one hundred thousand dollars, unless such credit is allowed with respect to a certified historic structure that is a white elephant project, in which case, the credit shall not exceed three hundred thousand dollars.

[(B)] (C) If the taxpayer is a partner in a partnership or a shareholder of a New York S corporation, then the credit cap imposed in subparagraphs (A) and (B) of this paragraph shall be applied at the entity level, so that the aggregate credit allowed to all the partners or shareholders of each such entity in the taxable year does not exceed the credit cap that is applicable in that taxable year.

(2) Tax credits allowed pursuant to this subsection shall be allowed in the taxable year that the qualified rehabilitation is placed in service under section 167 of the federal internal revenue code.

(3) If the taxpayer is allowed a credit pursuant to section 47 of the internal revenue code with respect to a qualified rehabilitation that is also the subject of the credit allowed by this subsection and that credit pursuant to such section 47 is recaptured pursuant to subsection (a) of section 50 of the internal revenue code, a portion of the credit allowed under this subsection must be added back in the same taxable year and in the same proportion as the federal recapture.

(4) If the amount of the credit allowed under this subsection for any taxable year shall exceed the taxpayer's tax for such year, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section six hundred eighty-six of this article, provided, however, that no interest shall be paid thereon.
(5) Except in the case of (A) a qualified rehabilitation project undertaken within a state park, state historic site, or other land owned by the state, that is under the jurisdiction of the office of parks, recreation and historic preservation, or (B) a qualified white elephant rehabilitation project that is also a qualified low-income housing project under article two-A of the public housing law, to be eligible for the credit allowable under this subsection the rehabilitation project shall be in whole or in part located within a census tract which is identified as being at or below one hundred percent of the state median family income as calculated as of April first of each year using the most recent five year estimate from the American community survey published by the United States Census bureau. (6) [For purposes of this subsection the term] As used in this subsection, the following terms shall have the following meanings:

(A) "Small project" means qualified rehabilitation expenditures totaling two million five hundred thousand dollars or less.

(B) "White elephant project" means qualified rehabilitation expenditures totaling fifty million dollars or more with respect to a certified historic structure that has been vacant, as determined by local code enforcement or other reasonable means, for at least ten of fifteen consecutive years preceding the date of the taxpayer's application for the rehabilitation credit; and

(C) "Phase II housing project" means a white elephant housing project which the commissioner determines (i) is reasonably related to a prior eligible white elephant project or eligible white elephant housing project by the same applicant, (ii) such prior project qualified as eligible with seventy-five million dollars or less of qualified rehabilitation expenditures, and (iii) the phase II application has been submitted within five years of the commissioner's previous allowance of credit for the prior eligible white elephant project or eligible white elephant housing project.

(7) The commissioner shall report annually, on or before the first day of November, on the aggregate amount of credits claimed and awarded pursuant to this subdivision on returns filed during the preceding calendar year. Such report shall be provided to the governor, temporary president of the senate, speaker of the assembly, chair of the senate finance committee and chair of the assembly ways and means committee and shall be made publicly available on the department's website.

(8) The aggregate amount of tax credits allocated for white elephant projects pursuant to article fourteen-A of the parks, recreation and historic preservation law shall be fifty million dollars each year. If the total amount of allocated credits applied for in any particular year exceeds the aggregate amount of tax credits allowed for such year under this section, such excess shall be treated as having been applied for on the first day of the subsequent year.

26. Credit for rehabilitation of historic properties. (a) Application of credit. (i) For taxable years beginning on or after January first, two thousand ten, and before January first, two thousand [twenty-five] thirty, a taxpayer shall be allowed a credit as hereinafter provided, against the tax imposed by this article, in an amount equal to:

(A) one hundred percent of the amount of credit allowed the taxpayer for the same taxable year with respect to a certified historic structure, and one hundred fifty percent of the amount of credit allowed the taxpayer with respect to a certified historic structure that is a small project, under internal revenue code section 47(c)(3), determined without regard to ratably allocating the credit over a five year period as required by subsection (a) of such section 47; and

(B) one hundred percent of the amount of credit allowed the taxpayer with respect to a certified historic structure that is a "white elephant project", under internal revenue code section 47(c)(3) (ratably allocating the credit over a five-year period), with respect to a certified historic structure located within the state. Provided, however, the credit shall not exceed five million dollars, unless such credit is allowed with respect to a certified historic structure that is a white elephant project, in which case, the credit shall not exceed fifty million dollars. Provided, further, that whenever the commissioner of parks, recreation and historic preservation receives an application for a white elephant project from an applicant for which such commissioner has previously certified credit for an eligible white elephant project, the commissioner of parks, recreation and historic preservation may deem such subsequent application to be phase II of the original eligible project if such commissioner determines that the two projects are reasonably related, as determined by such commissioner; the previous project qualified as an eligible white elephant project with seventy-five million dollars or less of qualified rehabilitation expenditures; and the phase II application has been submitted within five years of such commissioner's previous certification of credit for the previously eligible white elephant project.

(ii) For taxable years beginning on or after January first, two thousand [twenty-five] thirty, a taxpayer shall be allowed a credit as hereinafter provided, against the tax imposed by this article, in an amount equal to thirty percent of the amount of credit allowed the taxpayer for the same taxable year determined without regard to ratably allocating the credit over a five year period as required by subsection (a) of section 47 of the internal revenue code, with respect to a certified historic structure under subsection (c)(3) of section 47 of the internal revenue code with respect to a certified historic structure located within the state. Provided, however, the credit shall not exceed one hundred thousand dollars, unless such credit is allowed with respect to a certified historic structure that is a white elephant project, in which case, the credit shall not exceed fifty million dollars.

([(B)]) (iii) If the taxpayer is a partner in a partnership or a shareholder in a New York S corporation, then the credit caps imposed in subparagraph (A) subparagraphs (i) and (ii) of this paragraph shall be applied at the entity level, so that the aggregate credit allowed to all the partners or shareholders of each such entity in the taxable year does not exceed the credit cap that is applicable in that taxable year.

(b) Tax credits allowed pursuant to this subdivision shall be allowed in the taxable year that the qualified rehabilitation is placed in service under section 167 of the federal internal revenue code.
(c) If the taxpayer is allowed a credit pursuant to section 47 of the internal revenue code with respect to a qualified rehabilitation that is also the subject of the credit allowed by this subdivision and that credit pursuant to such section 47 is recaptured pursuant to subsection (a) of section 50 of the internal revenue code, a portion of the credit allowed under this subdivision must be added back in the same taxable year and in the same proportion as the federal credit.

(d) The credit allowed under this subdivision for any taxable year shall not reduce the tax due for such year to less than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of the credit allowed under this subdivision for any taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit thus not deductible in such taxable year shall be treated as an overpayment of tax to be reccredited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

(e) Except in the case of (A) a qualified rehabilitation project undertaken within a state park, state historic site, or other land owned by the state, that is under the jurisdiction of the office of parks, recreation and historic preservation, or (B) a qualified white elephant rehabilitation project that is also a qualified low-income housing project under article two-A of the public housing law, to be eligible for the credit allowable under this subdivision, the rehabilitation project shall be in whole or in part located within a census tract which is identified as being at or below one hundred percent of the state median family income as calculated as of April first of each year using the most recent five year estimate from the American community survey published by the United States Census bureau. If there is a change in the most recent five year estimate, a census tract that qualified for eligibility under this program before information about the change was released will remain eligible for a credit under this subdivision for an additional two calendar years.

(f) [For purposes of this subdivision] Definitions. As used in this subdivision, the following terms shall have the following meanings:

[*small] (A) "Small project" means qualified rehabilitation expenditures totaling two million five hundred thousand dollars or less[.]

(B) "White elephant project" means qualified rehabilitation expenditures totaling fifty million dollars or more with respect to a certified historic structure that has been vacant, as determined by local code enforcement or other reasonable means, for at least ten of fifteen consecutive years preceding the date of the taxpayer's application for the rehabilitation credit; and

(C) "Phase II housing project" means a white elephant housing project which the commissioner determines (i) is reasonably related to a prior eligible white elephant project or eligible white elephant housing project by the same applicant, (ii) such prior project qualified as eligible with seventy-five million dollars or less of qualified rehabilitation expenditures, and (iii) the phase II application has been submitted within five years of the commissioner's previous allowance of credit for the prior eligible white elephant project or eligible white elephant housing project.

(g) The commissioner shall report annually, on or before the first day of November, on the aggregate amount of credits claimed and awarded
pursuant to this subdivision on returns filed during the preceding
calendar year. Such report shall be provided to the governor, temporary

finance committee and chair of the assembly ways and means committee and
shall be made publicly available on the department's website.

(h) The aggregate amount of tax credits allocated for white elephant
projects pursuant to article 14--A of the parks, recreation and historic

the aggregate amount of tax credits allowed for such year under this
section, such excess shall be treated as having been applied for on the
first day of the subsequent year.

ter 472 of the laws of 2010, subparagraph (A) of paragraph 1 as amended
and paragraph 6 as added by section 3 of part CCC of chapter 59 of the
laws of 2021, paragraph 3 as amended by section 3 of part RR of chapter
59 of the laws of 2018, paragraph 4 as amended by section 4 of part F of
chapter 59 of the laws of 2013 and paragraph 5 as amended by section 3
of part U of chapter 59 of the laws of 2019, is amended to read as
follows:

(y) Credit for rehabilitation of historic properties. (1) (A) For
taxable years beginning on or after January first, two thousand ten and
before January first, two thousand [twenty-five] thirty, a taxpayer
shall be allowed a credit as hereinafter provided, against the tax
imposed by this article, in an amount equal to:

(i) one hundred percent of the amount of credit allowed the taxpayer
with respect to a certified historic structure, and one hundred fifty
percent of the amount of credit allowed the taxpayer with respect to a
certified historic structure that is a small project, under internal
revenue code section 47(c)(3), determined without regard to ratably
allocating the credit over a five year period as required by subsection
(a) of such section 47; and

(ii) one hundred percent of the amount of credit allowed the taxpayer
with respect to a certified historic structure that is a "white
elephant project", under internal revenue code section 47(c)(3) (ratably
allocating the credit over a five-year period), with respect to a certi-
fied historic structure located within the state. Provided, however, the
credit shall not exceed five million dollars, unless such credit is
allowed with respect to a certified historic structure that is a "white
elephant project", in which case, the credit shall not exceed fifty
million dollars. Provided, further, that whenever the commissioner of
parks, recreation and historic preservation receives an application for
a white elephant project from an applicant for which such commissioner
has previously certified credit for an eligible white elephant project,
the commissioner of parks, recreation and historic preservation may deem
such subsequent application to be "phase II" of the original eligible
project if such commissioner determines that the two projects are
reasonably related, as determined by such commissioner; the previous
project qualified as an eligible white elephant project with seventy-
five million dollars or less of qualified rehabilitation expenditures;
and the "phase II" application has been submitted within five years of
such commissioner's previous certification of credit for the previously
eligible white elephant project.

(B) For taxable years beginning on or after January first, two thou-
sand [twenty-five] thirty, a taxpayer shall be allowed a credit as here-
inafter provided, against the tax imposed by this article, in an amount
equal to thirty percent of the amount of credit allowed the taxpayer with respect to a certified historic structure under internal revenue code section 47(c)(3), determined without regard to ratably allocating the credit over a five year period as required by subsection (a) of such section 47 with respect to a certified historic structure located within the state. Provided, however, the credit shall not exceed one hundred thousand dollars, unless such credit is allowed with respect to a certified historic structure that is a white elephant project, in which case, the credit shall not exceed three hundred thousand dollars.

[(B)] (C) If the taxpayer is a partner in a partnership, then the cap imposed in subparagraphs (A) and (B) of this paragraph shall be applied at the entity level, so that the aggregate credit allowed to all the partners of such partnership in the taxable year does not exceed the credit cap that is applicable in that taxable year.

(2) Tax credits allowed pursuant to this subsection shall be allowed in the taxable year that the qualified rehabilitation is placed in service under section 167 of the federal internal revenue code.

(3) If the taxpayer is allowed a credit pursuant to section 47 of the internal revenue code with respect to a qualified rehabilitation that is also the subject of the credit allowed by this subdivision and that credit pursuant to such section 47 is recaptured pursuant to subsection (a) of section 50 of the internal revenue code, a portion of the credit allowed under this subdivision in the taxable year the credit was claimed must be added back in the same taxable year and in the same proportion as the federal recapture.

(4) The credit allowed under this subdivision for any taxable year shall not reduce the tax due for such year to less than the minimum fixed by paragraph four of subdivision (a) of section fifteen hundred two or section fifteen hundred two-a of this article, whichever is applicable. However, if the amount of credits allowed under this subdivision for any taxable year reduces the tax to such amount, any amount of credit thus not deductible in such taxable year shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

(5) Except in the case of a (A) qualified rehabilitation project undertaken within a state park, state historic site, or other land owned by the state, that is under the jurisdiction of the office of parks, recreation and historic preservation, or (B) a qualified white elephant rehabilitation project that is also a qualified low-income housing project under article two-A of the public housing law, to be eligible for the credit allowable under this subdivision, the rehabilitation project shall be in whole or in part located within a census tract which is identified as being at or below one hundred percent of the state median family income as calculated as of April first of each year using the most recent five year estimate from the American community survey published by the United States Census bureau. If there is a change in the most recent five year estimate, a census tract that qualified for eligibility under this program before information about the change was released will remain eligible for a credit under this subdivision for an additional two calendar years.

defined in section two hundred ten-B, six hundred six or one thousand
five hundred eleven of the tax law that qualifies for historic rehabili-

certified by the commissioner to each such structure. If the taxpayer is
a partner in a partnership or a shareholder of a New York S corporation,

mined by such section of the internal revenue code. Furthermore, such
income shall not include the proceeds of a reverse mortgage, as author-
ized by section six-h of the banking law, and sections two hundred
eighty and two hundred eighty-a of the real property law; provided,
however, that monies used to repay a reverse mortgage may not be
deducted from income, and provided additionally that any interest or
dividends realized from the investment of reverse mortgage proceeds
shall be considered income. The provisions of this paragraph notwith-
standing, such income shall not include veterans disability compen-
sation, as defined in Title 38 of the United States Code provided the
governing board of such municipality, after public hearing, adopts a
local law, ordinance or resolution providing therefor. In computing net
rental income and net income from self-employment no depreciation
deduction shall be allowed for the exhaustion, wear and tear of real or
personal property held for the production of income;
(iv) The term "income" as used herein shall mean the "adjusted gross
income" for federal income tax purposes as reported on the applicant's
federal or state income tax return for the applicable income tax year.
subject to any subsequent amendments or revisions, plus any social secu-
rity benefits not included in such adjusted gross income, minus any
distributions, to the extent included in federal adjusted gross income,
received from an individual retirement account and an individual retire-
ment annuity; provided that if no such return was filed for the applica-
ble income tax year, the applicant's income shall be determined based on
the amounts that would have so been reported if such a return had been
filed; and provided further, that the governing board of a municipality
may adopt a local law, ordinance or resolution providing that any social
security benefits that were not included in the applicant's adjusted
gross income shall not be considered income for purposes of this
section;
(b) unless the owner shall have held an exemption under this section
for [his] the owner's previous residence or unless the title of the
property shall have been vested in the owner or one of the owners of the
property for at least twelve consecutive months prior to the date of
making application for exemption, provided, however, that in the event
of the death of [either a husband or wife] a married person in whose
name title of the property shall have been vested at the time of death
and then becomes vested solely in [the survivor] such person's surviving
spouse by virtue of devise by or descent from the deceased [husband or
wife] spouse, the time of ownership of the property by the deceased
[husband or wife] spouse shall be deemed also a time of ownership by the
[survivor] surviving spouse and such ownership shall be deemed contin-
uous for the purposes of computing such period of twelve consecutive
months. In the event of a transfer by [either a husband or wife to the
other] a married person to such person's spouse of all or part of the
title to the property, the time of ownership of the property by the
transferor spouse shall be deemed also a time of ownership by the trans-
fee spouse and such ownership shall be deemed continuous for the
purposes of computing such period of twelve consecutive months. Where
property of the owner or owners has been acquired to replace property
formerly owned by such owner or owners and taken by eminent domain or
other involuntary proceeding, except a tax sale, the period of ownership
of the former property shall be combined with the period of ownership of
the property for which application is made for exemption and such peri-
ods of ownership shall be deemed to be consecutive for purposes of this
section. Where a residence is sold and replaced with another within one
year and both residences are within the state, the period of ownership
of both properties shall be deemed consecutive for purposes of the
exemption from taxation by a municipality within the state granting such
exemption. Where the owner or owners transfer title to property which as
of the date of transfer was exempt from taxation or PILOT under the
provisions of this section, the reacquisition of title by such owner or
owners within nine months of the date of transfer shall be deemed to
satisfy the requirement of this paragraph that the title of the property
shall have been vested in the owner or one of the owners for such period
of twelve consecutive months. Where, upon or subsequent to the death of
an owner or owners, title to property which as of the date of such death
was exempt from taxation or PILOT under such provisions, becomes vested,
by virtue of devise or descent from the deceased owner or owners, or by
transfer by any other means within nine months after such death, solely
in a person or persons who, at the time of such death, maintained such
property as a primary residence, the requirement of this paragraph that
the title of the property shall have been vested in the owner or one of
the owners for such period of twelve consecutive months shall be deemed
satisfied;
(c) unless the property is used exclusively for residential purposes,
provided, however, that in the event any portion of such property is not
so used exclusively for residential purposes but is used for other
purposes, such portion shall be subject to taxation or PILOT and the
remaining portion only shall be entitled to the exemption provided by
this section;
(d) unless the real property is the legal residence of and is occupied
in whole or in part by the owner or by all of the owners of the proper-
ty: except where, (i) an owner is absent from the residence while
receiving health-related care as an inpatient of a residential health
care facility, as defined in section twenty-eight hundred one of the
public health law, provided that any income accruing to that person
shall only be income only to the extent that it exceeds the amount paid
by such owner, spouse, or co-owner for care in the facility, and
provided further, that during such confinement such property is not
occupied by other than the spouse or co-owner of such owner; or, (ii)
the real property is owned by a [husband and/or wife, or an ex-husband
and/or an ex-wife, and either] married person or a married couple, or by
a formerly married person or a formerly married couple, and one spouse
or ex-spouse is absent from the residence due to divorce, legal sepa-
ration or abandonment and all other provisions of this section are met
provided that where an exemption was previously granted when both
resided on the property, then the person remaining on the real property
shall be sixty-two years of age or over.
§ 3. Paragraph (a) of subdivision 3-a of section 467 of the real property tax law, as amended by section 1 of part B of chapter 686 of the laws of 2022, is amended to read as follows:

(a) For the purposes of this section, title to that portion of real property owned by a cooperative apartment corporation in which a tenant-stockholder of such corporation resides and which is represented by [his] the tenant-stockholder's share or shares of stock in such corporation as determined by its or their proportional relationship to the total outstanding stock of the corporation, including that owned by the corporation, shall be deemed to be vested in such tenant-stockholder.

§ 4. Subdivisions 5 and 5-a of section 467 of the real property tax law, as amended by section 1 of part B of chapter 686 of the laws of 2022, are amended to read as follows:

5. Application for such exemption must be made by the owner, or all of the owners of the property, on forms prescribed by the commissioner to be furnished by the appropriate assessing authority and shall furnish the information and be executed in the manner required or prescribed in such forms, and shall be filed in such assessor's office on or before the appropriate taxable status date. Notwithstanding any other provision of law, at the option of the municipal corporation, any person otherwise qualifying under this section shall not be denied the exemption under this section if [he] such person becomes sixty-five years of age after the appropriate taxable status date and on or before December thirty-first of the same year.

5-a. Any local law or ordinance adopted pursuant to paragraph (a) of subdivision one of this section may be amended, or a local law or ordinance may be adopted to provide, notwithstanding subdivision five of this section, that an application for such exemption may be filed with the assessor after the appropriate taxable status date but not later than the last date on which a petition with respect to complaints of assessment may be filed, where failure to file a timely application resulted from: (a) a death of the applicant's spouse, child, parent[, brother or sister] or sibling; or (b) an illness of the applicant or of the applicant's spouse, child, parent[, brother or sister] or sibling, which actually prevents the applicant from filing on a timely basis, as certified by a licensed physician. The assessor shall approve or deny such application as if it had been filed on or before the taxable status date.

§ 5. Subdivision 6 of section 467 of the real property tax law, as amended by section 1 of part B of chapter 686 of the laws of 2022, is amended to read as follows:

6. (a) At least sixty days prior to the appropriate taxable status date, the assessing authority shall mail to each person who was granted exemption pursuant to this section on the latest completed assessment roll an application form and a notice that such application must be filed on or before the taxable status date and be approved in order for the exemption to be granted. The assessing authority shall, within three days of the completion and filing of the tentative assessment roll, notify by mail any applicant [who has included with his] whose application includes at least one self-addressed, pre-paid envelope, of the approval or denial of the application; provided, however, that the assessing authority shall, upon the receipt and filing of the application, send by mail notification of receipt to any applicant who has included two of such envelopes with the application. Where an applicant is entitled to a notice of denial pursuant to this subdivision, such

notice shall be on a form prescribed by the commissioner and shall state
the reasons for such denial and shall further state that the applicant
may have such determination reviewed in the manner provided by law.
Failure to mail any such application form or notices or the failure of
such person to receive any of the same shall not prevent the levy,
collection and enforcement of the payment of the taxes or PILOT on prop-
erty owned by such person.

(b) Except in cities of one million or more, any person who has been
granted exemption pursuant to this section on five (5) consecutive
completed assessment rolls, including any years when the exemption was
granted to a property owned by [a husband and/or wife] a married person
or a married couple while both spouses resided in such property, shall
not be subject to the requirements set forth in paragraph (a) of this
subdivision provided the governing board of the municipality in which
said property is situated after public hearing adopts a local law, ordi-
nance or resolution providing therefor however said person shall be
mailed an application form and a notice [informing him of his] setting
forth such person's rights. Such exemption shall be automatically grant-
ed on each subsequent assessment roll. Provided, however, that when tax
payment is made by such person a sworn affidavit must be included with
such payment which shall state that such person continues to be eligible
for such exemption. Such affidavit shall be on a form prescribed by the
commissioner. If such affidavit is not included with the tax payment,
the collecting officer shall proceed pursuant to section five hundred
fifty-one-a of this chapter.

(c) In cities of one million or more, any person who has been granted
exemption pursuant to this section shall file the completed application
with the appropriate assessing authority every twenty-four months from
the date such exemption was granted without the necessity of having been
granted exemption pursuant to this section on five (5) consecutive
completed assessment rolls including any years when the exemption was
granted to a property owned by [a husband and/or wife] a married person
or a married couple while both spouses resided in such property.

§ 6. Subdivision 8-a of section 467 of the real property tax law, as
amended by section 1 of part B of chapter 686 of the laws of 2022, is
amended to read as follows:

8-a. Notwithstanding any provision of law to the contrary, the local
governing body of a municipal corporation that is authorized to adopt a
local law pursuant to subdivision eight of this section is further
authorized to adopt a local law providing that where a renewal appli-
cation for the exemption authorized by this section has not been filed on
or before the taxable status date, and the owner believes that good
cause existed for the failure to file the renewal application by that
date, the owner may, no later than the last day for paying taxes or
PILOT without incurring interest or penalty, submit a written request to
the assessor asking [him or her] the assessor to extend the filing dead-
line and grant the exemption. Such request shall contain an explanation
of why the deadline was missed, and shall be accompanied by a renewal
application, reflecting the facts and circumstances as they existed on
the taxable status date. The assessor may extend the filing deadline and
grant the exemption if [he or she] the assessor is satisfied that (i)
good cause existed for the failure to file the renewal application by
the taxable status date, and that (ii) the applicant is otherwise enti-
tled to the exemption. The assessor shall make a determination and mail
notice [of his or her determination] thereof to the owner. If the deter-
mination states that the assessor has granted the exemption, [he or she]
the assessor shall thereupon be authorized and directed to correct the
assessment roll accordingly, or, if another person has custody or
control of the assessment roll, to direct that person to make the appro-
priate corrections. If the correction is not made before taxes are
levied, the failure to take the exemption into account in the computa-
tion of the tax shall be deemed a "clerical error" for purposes of title
three of article five of this chapter, and shall be corrected according-
ly.

§ 7. Paragraph (a) of subdivision 1 and paragraph (a) of subdivision 2

siblings, at least one of whom has a disability, or real property owned
by one or more persons, some of whom qualify under this section and the
others of whom qualify under section four hundred sixty-seven of this
title, and whose income, as hereinafter defined, is limited by reason of
such disability, shall be exempt from payments in lieu of taxes (PILOT)

Section 1. Subdivision 1 of section 105 of the state finance law, as amended by chapter 204 of the laws of 2002, is amended to read as follows:

1. All moneys received by the commissioner of taxation and finance on account of the state, excepting such moneys as are required by law to be deposited to the credit of the comptroller, but including such moneys as are thereafter paid into the state treasury by the comptroller, shall be deposited by the commissioner of taxation and finance within three business days after the receipt thereof, either as a demand deposit or an interest-bearing time deposit (other than a time certificate of deposit), as [he] the commissioner and the comptroller may determine, in such banks, trust companies and industrial banks as in [his] the opinion of the commissioner and the opinion of the comptroller are secure. The moneys so deposited shall be placed to the account of the commissioner of taxation and finance. [He] The commissioner shall keep a bankbook in which shall be entered [his] their account of deposit in and moneys drawn from the banks and trust companies and industrial banks in which deposits are made by [him] the commissioner, which [he] they shall exhibit to the comptroller for [his] inspection on the first Tuesday of every month and oftener if required. [He] The commissioner shall not draw any moneys from such banks, trust companies or industrial banks unless by checks signed and countersigned in the manner prescribed by section one hundred one, unless otherwise provided by law. No moneys shall be paid by any such bank, trust company or industrial bank out of any such deposit except upon such checks. Moneys may be paid through electronic transfer in accordance with procedures developed by the commissioner of taxation and finance and the comptroller and consistent
with the requirements of this section for recording payments. Such
payments through electronic transfer shall be considered, for purposes
of this chapter, to be moneys drawn by check. Every such bank, trust
company or industrial bank shall transmit to the comptroller monthly
statements of all moneys received and paid by it on account of the
commissioner of taxation and finance.

PART X

§ 1. Legislative findings. The legislature finds that it is in
the interests of the state to assist The New York Racing Association,
Inc., which is the franchised corporation pursuant to section two
hundred six of the racing, pari-mutuel wagering and breeding law, to
renovate Belmont Park racetrack. The legislature further finds and
determines that the anticipated cost of renovating Belmont Park race-
track is four hundred fifty-five million dollars and that the renovation
of Belmont Park racetrack shall initially be financed by the state
subject to the provisions of the repayment agreement of the franchised
corporation required by section two of this act. The franchised corpo-
racion will be responsible for repayment of the state funds in accord-
ance with the terms of such repayment agreement.
§ 2. Prior to, and as a condition to the state initially providing
funds for the renovation of Belmont Park racetrack, the franchised
corporation shall enter into a repayment agreement with the state
authorizing and directing that a portion of the funds of the franchised
corporation dedicated for capital expenditures of the franchised corpo-
racion pursuant to paragraph 3 of subdivision f and paragraph 3 of
subdivision f-1 of section 1612 of the tax law shall be used to repay
the state for the funds provided by the state for the renovation of
Belmont Park racetrack, in accordance with the repayment agreement
between the state and the franchised corporation. Such agreement shall
further provide that in the event the franchised corporation receives
future statutory payments enacted for the specific purpose of holding
the franchised corporation harmless for any loss of payments pursuant to
paragraph 3 of subdivision f and paragraph 3 of subdivision f-1 of
section 1612 of the tax law, such statutory payments shall also be used
to repay the state for the funds provided by the state for the reno-
vation of Belmont Park racetrack. Such agreement may also be amended
from time to time as agreed to by the state and the franchised corpo-
racion. At any time prior to the repayment of the state funds for the
renovation of Belmont Park racetrack, the state may issue state personal
income tax revenue bonds or state sales tax revenue bonds. In the event
of the issuance of such bonds, the repayment agreement shall be revised
to reflect the obligation of the franchised corporation to fully repay
the debt service costs associated with such bonds.
§ 3. As a condition of the state initially providing funds for the
renovation of Belmont Park racetrack, the franchise oversight board
shall include a requirement in any request for proposals for such reno-
vation that any projects in connection with such work shall only be
undertaken pursuant to a project labor agreement in accordance with
section 222 of the labor law. For the purposes of this section, "project
labor agreement" shall have the meaning set forth in subdivision 1 of
section 213 of the racing, pari-mutuel wagering and breeding law.
§ 4. The New York State Gaming Commission shall ensure that to the
extent that the law allows for a franchise agreement for the operation
of Belmont Park racetrack with a franchisee other than the franchised
corporation, the term of any such franchise agreement awarded after
funding provided by the state for the renovation of Belmont Park race-
track described by section one of this act shall include a provision
obligating such franchisee to assume the payments of the franchised
corporation required by section two of this act.
§ 5. The opening paragraph of paragraph 3 of subdivision f of section
1612 of the tax law is designated subparagraph (i) and a new subpara-
graph (ii) is added to read as follows:
(ii) Notwithstanding subparagraph (i) of this paragraph, in the event
the state provides funds to the franchised corporation for the reno-
vation of Belmont Park racetrack, out of the amount payable to the fran-
chised corporation for capital expenditures pursuant to subparagraph (i)
of this paragraph during any state fiscal year, an amount pursuant to
the repayment agreement between the state and the franchised corporation
shall instead be deposited into the miscellaneous capital projects fund,
New York racing capital improvement fund as required to repay the state
for funds provided for the renovation of Belmont Park racetrack. Any
amount payable to the franchised corporation in any state fiscal year
for capital expenditures pursuant to subparagraph (i) of this paragraph
in excess of the amount pursuant to the repayment agreement between
the state and the franchised corporation shall be deposited pursuant to
subparagraph (i) of this paragraph. Once the state has been fully reim-
bursed for the costs related to the renovation of Belmont Park race-
track, this subparagraph shall no longer apply and subparagraph (i) of
this paragraph shall apply.
§ 6. The opening paragraph of paragraph 3 of subdivision f-1 of
section 1612 of the tax law is designated subparagraph (i) and a new
subparagraph (ii) is added to read as follows:
(ii) Notwithstanding subparagraph (i) of this paragraph, in the event
the state provides funds to the franchised corporation for the reno-
vation of Belmont Park racetrack, and in the event the amount deposited
pursuant to subparagraph (ii) of paragraph three of subdivision f of
this section is insufficient to make the required repayment pursuant to
such subparagraph during any state fiscal year, an amount payable to the
franchised corporation for capital expenditures pursuant to subparagraph
(i) of this paragraph shall instead be deposited into the miscellaneous
capital projects fund, New York racing capital improvement fund to the
extent necessary, when combined with the amount set forth in subpara-
graph (ii) of paragraph three of subdivision f of this section, to make
any required repayment of funds provided by the state related to the
renovation of Belmont Park racetrack during such fiscal year. Any amount
payable to the franchised corporation in any state fiscal year for capi-
tal expenditures pursuant to subparagraph (i) of this paragraph in
excess of the amount pursuant to the repayment agreement between the
state and the franchised corporation shall be deposited pursuant to
subparagraph (i) of this paragraph. Once the state has been fully reim-
bursed for such costs related to the renovation of Belmont Park race-
track, this subparagraph shall no longer apply and subparagraph (i) of
this paragraph shall apply.
§ 7. The state comptroller is hereby authorized and directed to loan
money in accordance with the provisions set forth in subdivision 5 of
section 4 of the state finance law to the miscellaneous capital projects
fund, New York racing capital improvement fund.
§ 8. 1. Notwithstanding any other provisions of law to the contrary,
the dormitory authority, the urban development corporation, and the New
York state thruway authority are hereby authorized to issue personal income tax revenue bonds or notes or state sales tax revenue bonds or notes in one or more series in an aggregate principal amount not to exceed four hundred fifty-five million dollars ($455,000,000) excluding bonds or notes issued to pay costs of issuance of such bonds or notes and bonds or notes issued to refund or otherwise repay such bonds or notes previously issued, for the purpose of financing the renovation of Belmont Park racetrack.

2. Notwithstanding any other provision of law to the contrary, in order to assist the dormitory authority, urban development corporation, and the New York state thruway authority in undertaking the financing for the renovation of Belmont Park racetrack, the director of the budget is hereby authorized to enter into one or more financing agreements with the dormitory authority, the urban development corporation, and the New York state thruway authority, upon such terms and conditions as the director of the budget and the dormitory authority, the urban development corporation and the New York state thruway authority agree, so as to annually provide to the dormitory authority, the urban development corporation, and the New York state thruway authority, in the aggregate, a sum not to exceed the principal, interest, and related expenses required for such bonds and notes. Any financing agreement entered into pursuant to this section shall provide that the obligation of the state to pay the amount therein provided shall not constitute a debt of the state within the meaning of any constitutional or statutory provision and shall be deemed executory only to the extent of monies available and that no liability shall be incurred by the state beyond the monies available for such purpose, subject to annual appropriation by the legislature. Any such contract or any payments made or to be made thereunder may be assigned and pledged by the dormitory authority, the urban development corporation, and the New York state thruway authority as security for such bonds and notes, as authorized by this section.

§ 9. Notwithstanding any law to the contrary, and in accordance with section 4 of the state finance law, the comptroller is hereby authorized and directed in each state fiscal year to transfer, upon request of the director of the budget, up to the unencumbered balance or an amount up to twenty-five million eight hundred thousand dollars ($25,800,000) from the miscellaneous capital projects fund, New York racing capital improvement fund to the general fund.

§ 10. This act shall take effect immediately.

PART BB

Section 1. Paragraph (a) of subdivision 1 of section 1003 of the racing, pari-mutuel wagering and breeding law, as amended by section 1 of part EE of chapter 59 of the laws of 2022, is amended to read as follows:

(a) Any racing association or corporation or regional off-track betting corporation, authorized to conduct pari-mutuel wagering under this chapter, desiring to display the simulcast of horse races on which pari-mutuel betting shall be permitted in the manner and subject to the conditions provided for in this article may apply to the commission for a license so to do. Applications for licenses shall be in such form as may be prescribed by the commission and shall contain such information or other material or evidence as the commission may require. No license
shall be issued by the commission authorizing the simulcast transmission of thoroughbred races from a track located in Suffolk county. The fee for such licenses shall be five hundred dollars per simulcast facility and for account wagering licensees that do not operate either a simulcast facility that is open to the public within the state of New York or a licensed racetrack within the state, twenty thousand dollars per year payable by the licensee to the commission for deposit into the general fund. Except as provided in this section, the commission shall not approve any application to conduct simulcasting into individual or group residences, homes or other areas for the purposes of or in connection with pari-mutuel wagering. The commission may approve simulcasting into residences, homes or other areas to be conducted jointly by one or more regional off-track betting corporations and one or more of the following: a franchised corporation, thoroughbred racing corporation or a harness racing corporation or association; provided (i) the simulcasting consists only of those races on which pari-mutuel betting is authorized by this chapter at one or more simulcast facilities for each of the contracting off-track betting corporations which shall include wagers made in accordance with section one thousand fifteen, one thousand sixteen and one thousand seventeen of this article; provided further that the contract provisions or other simulcast arrangements for such simulcast facility shall be no less favorable than those in effect on January first, two thousand five; (ii) that each off-track betting corporation having within its geographic boundaries such residences, homes or other areas technically capable of receiving the simulcast signal shall be a contracting party; (iii) the distribution of revenues shall be subject to contractual agreement of the parties except that statutory payments to non-contracting parties, if any, may not be reduced; provided, however, that nothing herein to the contrary shall prevent a track from televising its races on an irregular basis primarily for promotional or marketing purposes as found by the commission. For purposes of this paragraph, the provisions of section one thousand thirteen of this article shall not apply. Any agreement authorizing an in-home simulcasting experiment commencing prior to May fifteenth, nineteen ninety-five, may, and all its terms, be extended until June thirtieth, two thousand [twenty-four]; provided, however, that any party to such agreement may elect to terminate such agreement upon conveying written notice to all other parties of such agreement at least forty-five days prior to the effective date of the termination, via registered mail. Any party to an agreement receiving such notice of an intent to terminate, may request the commission to mediate between the parties new terms and conditions in a replacement agreement between the parties as will permit continuation of an in-home experiment until June thirtieth, two thousand [twenty-four] and (iv) no in-home simulcasting in the thoroughbred special betting district shall occur without the approval of the regional thoroughbred track.

§ 2. Subparagraph (iii) of paragraph d of subdivision 3 of section 1007 of the racing, pari-mutuel wagering and breeding law, as amended by section 2 of part EE of chapter 59 of the laws of 2022, is amended to read as follows:

one-half percent of the total pools. Such amount shall be increased or
decreased in the amount of fifty percent of the difference in total
commissions determined by comparing the total commissions available
after July twenty-first, nineteen hundred ninety-five to the total
commissions that would have been available to such track prior to July
twenty-first, nineteen hundred ninety-five.
§ 3. The opening paragraph of subdivision 1 of section 1014 of the
racing, pari-mutuel wagering and breeding law, as amended by section 3
of part EE of chapter 59 of the laws of 2022, is amended to read as
follows:

required of a franchised corporation licensed in accordance with section one thousand seven of this article:
§ 6. The opening paragraph of section 1018 of the racing, pari-mutuel wagering and breeding law, as amended by section 6 of part EE of chapter 59 of the laws of 2022, is amended to read as follows:

§ 7. Section 32 of chapter 281 of the laws of 1994, amending the racing, pari-mutuel wagering and breeding law and other laws relating to simulcasting, as amended by section 7 of part EE of chapter 59 of the laws of 2022, is amended to read as follows:
§ 32. This act shall take effect immediately and the pari-mutuel tax reductions in section six of this act shall expire and be deemed repealed on July 1, 2024; provided, however, that nothing contained herein shall be deemed to affect the application, qualification, expiration, or repeal of any provision of law amended by any section of this act, and such provisions shall be applied or qualified or shall expire or be deemed repealed in the same manner, to the same extent and on the same date as the case may be as otherwise provided by law; provided further, however, that sections twenty-three and twenty-five of this act shall remain in full force and effect only until May 1, 1997 and at such time shall be deemed to be repealed.

(a) The franchised corporation authorized under this chapter to conduct pari-mutuel betting at a race meeting or races run thereat shall distribute all sums deposited in any pari-mutuel pool to the holders of winning tickets therein, provided such tickets are presented for payment

there is hereby imposed, beginning on September first, two thousand
twenty-three, a fee on delivery transactions of twenty-five cents for
each delivery transaction where the delivery is made within the state,
except for deliveries of:
(1) drugs and medicines intended for use, internally or externally, in
the cure, mitigation, treatment or prevention of illnesses or diseases

For the purposes of this section, a seller shall include a marketplace provider and marketplace seller as such terms are defined in paragraphs one and two of subdivision (e) of section eleven hundred one of this chapter. Provided, however, a marketplace seller may be relieved of liability if a marketplace provider collects the fee on behalf of such marketplace seller as described in paragraph one of subdivision (1) of section eleven hundred thirty-two of this chapter.
(b) The fee imposed by this article shall be passed along to the purchaser and separately stated on any receipt that is provided to such purchaser. Provided, however, failure to collect such fee shall not relieve the liability imposed on such seller and such fee shall not be construed by any court or administrative body as the imposition of the fee on the purchaser.
(c) The fee imposed by this article shall not apply to any purchaser using the supplemental nutrition assistance program, special supplemental nutrition program for women, infants and children, or any successor programs as full or partial payment for the items purchased where all items purchased in the delivery transaction are purchasable using such programs.

must notify the commissioner of changes to any of the information stated
on their certificate of registration, including vehicle changes, if any,
on a calendar quarterly basis, and shall amend their certificates of
registration accordingly.

(c) (1) The commissioner may refuse to issue a certificate of regis-
tration to a person, or may suspend or revoke a certificate of registra-
tion that was issued to a person, pursuant to this section upon finding

commissioner; (ii) such person failed to file any return that is due
from it under this chapter; (iii) such person willfully filed a false
return or other document due under this chapter; (iv) such person will-
fully violated any provisions of this article, or any rule or regulation
of the commissioner promulgated under this article; or (v) a certificate
of registration issued pursuant to this section to such person, or to
any business or entity under control of such person, or that is subject
to substantially the same ownership, direction or control of such
person, that has been revoked or suspended within one year from the date
on which a certificate of registration is filed.

(2) A notice of proposed revocation, suspension or refusal to issue
shall be given to the person that applies for a certificate of registra-
tion pursuant to this section in the manner prescribed for a notice of
deficiency in subsection (a) of section one thousand eighty-one of this
chapter, and except as otherwise provided herein, all the provisions of
article twenty-seven of this chapter applicable to a notice of deficien-
cy shall apply to a notice issued pursuant to this paragraph, insofar as
such provisions can be made applicable to such notice, and with such
modifications as may be necessary in order to adapt the language of such
provisions to the notice authorized by this paragraph. All notices of
proposed revocation, suspension or refusal to issue shall contain a
statement advising the person to whom it is issued that the suspension,
revocation or refusal to issue may be challenged through a hearing proc-
esso and that the petition for such challenge must be filed with the
division of tax appeals within ninety days after the giving of such
notice.

(3) In the case of a proposed revocation or suspension, notice of
such must be given to a person within three years from the date of the
act or omission described in paragraph one of this subdivision, except
that in the case of acts involving falsity or fraud, such notice may be
issued at any time.

(4) In any of the foregoing instances where the commissioner may
suspend or revoke or refuse to issue a certificate of registration, the
commissioner may condition the retention or issuance of a certificate of
registration upon the filing of a bond or the deposit of tax in the
manner provided in paragraph two or three of subdivision (e) of section
eleven hundred thirty-seven of this chapter.

(d) If the commissioner considers it necessary for the proper adminis-
tration of the fee imposed by this article, he or she may require every
person who holds a certificate of registration issued pursuant to this
section to apply for a new certificate of registration in such form and
at such time as the commissioner may prescribe, and to surrender each
previously issued certificate of registration. The commissioner may
require such filing and such surrender not more often than once every
three years. Upon the filing of an application for a new certificate of
registration and the surrender of all previous such certificates, the
commissioner shall issue, within such time as the commissioner may
prescribe, a new certificate of registration, without charge, to each
registrant.
§ 1299-Q. Returns and payment of fee. (a) Every person liable for the
fee imposed by this article shall file a return with the commissioner on
a monthly basis. Each return shall show the number of delivery trans-
actions completed subject to the fee imposed by this article in the
month for which the return is filed, along with such other information
as the commissioner may require. The returns required by this section
shall be filed within twenty days after the end of the month covered
thereby. If the commissioner deems it necessary to ensure the payment of
the fee imposed by this article, he or she may require returns to be
made for shorter periods than prescribed by the foregoing provisions of
this section, and upon such dates as may be specified. The form of
returns shall be prescribed by the commissioner and shall contain such
information as the commissioner may deem necessary for the proper admin-
istration of this article. The commissioner may require that returns be
filed electronically.
(b) Every person liable for the fee imposed by this article shall, at
the time of filing such return, pay to the commissioner the total amount
of all fees due under this article. Such amount shall be due and payable
on the date specified for the filing of the return for such period,
without regard to whether a return is filed, or whether the return that
is filed correctly shows the correct number of delivery transactions are
subject to the fee, or the correct fee amount due thereon. The commis-
sioner may require that the fee be paid electronically.
(c) In addition to any other penalty or interest provided for under
this article or other law, and unless it is shown that such failure is
due to reasonable cause and not due to willful neglect, any person
liable for the fee imposed by this article that fails to pay such fee
when due shall be liable for a penalty in an amount equal to two hundred
percent of the total fee amount that is due.
§ 1299-R. Records to be kept. Every person liable for the fee imposed
by this article shall keep, and shall make available for review upon
demand by the commissioner:
(a) records of delivery transaction completed by such person, includ-
ing all amounts paid, charged or due thereon, in such form as the
commissioner may require;
(b) true and complete copies of any records required to be kept by any
applicable regulatory department or agency; and
(c) such other records and information as the commissioner may require
to perform his or her duties under this article.
§ 1299-S. Secrecy of returns. (a) Except in accordance with proper
judicial order or as otherwise provided by law, it shall be unlawful for
the commissioner, any officer or employee of the department, any person
engaged or retained by the department on an independent contract basis,
or any person who in any manner may acquire knowledge of the contents of
a return filed with the commissioner pursuant to this article, to
divulge or make known in any manner any particulars set forth or
disclosed in any such return. The officers charged with the custody of
such returns shall not be required to produce any of them or evidence of
anything contained in them in any action or proceeding in any court,

§ 1299-T. Practice and procedure. The provisions of article twenty-
eight of this chapter shall apply with respect to the administration of
and procedure with respect to the fee imposed by this article in the
same manner and with the same force and effect as if the language of
such article twenty-eight had been incorporated in full into this article
and had expressly referred to the fee imposed by this article.

mass transportation operating assistance account established by
section eighty-eight-a of the state finance law.

(c) all taxes, interest and penalties collected or received outside of
the metropolitan commuter transportation shall be paid to the credit of
the public transportation systems operating assistance account estab-

§ 31. Paragraph (c) of subdivision 19 of section 1680 of the public
authorities law, as amended by section 34 of part FFF of chapter 56 of
the laws of 2022, is amended to read as follows:
(c) Subject to the provisions of chapter fifty-nine of the laws of two

hundred eighty-eight for state university educational facilities will
exceed [sixteen billion six hundred eleven million five hundred sixty-
four thousand dollars $16,611,564,000] eighteen billion five hundred
million sixty-four thousand dollars $18,500,064,000; provided, however,
that bonds issued or to be issued shall be excluded from such limitation
if: (1) such bonds are issued to refund state university construction

met the present value test noted above. For purposes of this subdivi-

bonds and the aggregate debt service of the bonds refunded, shall be
calculated by utilizing the true interest cost of the refunding bonds,
which shall be that rate arrived at by doubling the semi-annual interest
rate (compounded semi-annually) necessary to discount the debt service
payments on the refunding bonds from the payment dates thereof to the
date of issue of the refunding bonds to the purchase price of the
refunding bonds, including interest accrued thereon prior to the issu-

facilities in connection with which the bonds are issued, and in any case not later than the earlier of thirty years or the expiration of the term of any lease, sublease or other agreement relating thereto; provided that no note, including renewals thereof, shall mature later than five years after the date of issuance of such note. The legislature reserves the right to amend or repeal such limit, and the state of New York, the dormitory authority, the state university of New York, and the state university construction fund are prohibited from covenanting or making any other agreements with or for the benefit of bondholders which might in any way affect such right.

The legislature reserves the right to amend or repeal such limit, and the state of New York, the dormitory authority, the city university, and the fund are prohibited from covenanting or making any other agreements with or for the benefit of bondholders which might in any way affect such right.

youth facilities improvement fund for capital projects. The aggregate
amount of bonds, notes and other obligations authorized to be issued
pursuant to this section shall exclude bonds, notes or other obligations
issued to refund or otherwise repay bonds, notes or other obligations
theretofore issued, the proceeds of which were paid to the state for all
or a portion of the amounts expended by the state from appropriations or

shall be calculated by utilizing the effective interest rate of the
refunding or repayment bonds, notes or other obligations, which shall be
that rate arrived at by doubling the semi-annual interest rate
(compounded semi-annually) necessary to discount the debt service
payments on the refunding or repayment bonds, notes or other obligations
from the payment dates thereof to the date of issue of the refunding or
repayment bonds, notes or other obligations and to the price bid includ-
ing estimated accrued interest or proceeds received by the corporation
including estimated accrued interest from the sale thereof.

taxation and finance and the authority.

(q) "State" means the state of New York.

(r) "Unemployment insurance trust fund bond financing agreement" or
"financing agreement" means an agreement authorized and created pursuant
to subdivision four of this section and section five hundred fifty-four
of the labor law, as same by its terms and bond proceedings, may be
amended.

2. The authority is hereby authorized to issue bonds to reduce the
contributions of employers under section five hundred fifty of the labor
law as a result of obligations owed to the "Unemployment Insurance Trust
Fund" of the United States government or its authorized agent. The
authority may enter into one or more unemployment insurance trust fund
bond financing agreements described in section five hundred fifty-four
of the labor law. All of the provisions of the authority relating to
bonds and notes which are not inconsistent with the provisions of this
section shall apply to obligations authorized by this section, including
but not limited to the power to establish adequate reserves therefor and
to issue renewal notes or refunding bonds thereof. The provisions of
this section shall apply solely to obligations authorized by this
section.

3. It is found and declared that obligations owed to the "Unemployment
Insurance Trust Fund" will, absent provision for long-term financing,
result in the imposition of increased costs on employers through unem-
ployment insurance assessments and contributions; that such increased
assessments and contributions may have a detrimental impact on busi-
nesses in New York state and on their ability to hire and retain employ-
ees; that without such financing employers will continue to be required
to pay higher assessments and contributions to pay such obligations;
that the bonds will provide a more efficient means of covering such
obligations in the short-term; that bonds issued by the authority would
allow the state to limit the assessments and contributions needed to pay
such obligations, thereby furthering the policy of the state to improve
the business climate in the state; that all costs of the authority in
relation to this section shall be paid from contributions provided for
in the labor law; and that, therefore, the provisions of this section
are for the public benefit and good and the authorization as provided in
this section for the issuance of revenue obligations of the authority is
declared to be for a public purpose and the exercise of an essential
governmental function.

4. (a) The authority, the commissioner of taxation and finance and the
commissioner of labor shall execute a financing agreement prior to the
issuance of any bonds. Such agreement shall contain such terms and
conditions as are necessary to carry out and effectuate the purposes of
this section, including covenants with respect to the assessment and
enforcement of the assessments, the application and use of the proceeds
of the sale of bonds to preserve the tax-exemption on the bonds, the
interest on which is intended to be exempt from taxation. The state
shall not be authorized to make any covenant, pledge, promise or agree-
ment purporting to bind the state with respect to pledged revenues,
except as otherwise specifically authorized by this section.
(b) The net proceeds of the bonds shall be deposited in accordance with the financing agreement and this section. Not inconsistent with this section, the authority may provide restrictions on the use and investment of net proceeds of the bonds and other amounts in the financing agreement or otherwise in a tax regulatory agreement as necessary or desirable to assure that they are exempt from taxation.

5. (a) (i) The authority shall have the power and is hereby authorized to issue its bonds at such times and in such aggregate principal amount not to exceed two billion dollars ($2,000,000,000) excluding bonds issued to finance one or more debt service reserve funds, to pay costs of issuance of such bonds, and bonds or notes issued to refund or otherwise repay such bonds or notes previously issued. The bonds shall be issued for the purpose of reducing the obligations owed to the "Unemployment Insurance Trust Fund" of the United States government or its authorized agent.

(ii) Each issuance of bonds shall be authorized by a resolution of the authority, provided, however, that any such resolution authorizing the issuance of bonds may delegate to an officer of the authority the power to issue such bonds from time to time and to fix the details of any such issuance of bonds by an appropriate certificate of such authorized officer. Every issue of the bonds of the authority for the unemployment insurance trust fund shall be special revenue obligations payable from and secured by a pledge of revenues and other assets, including those proceeds of such bonds deposited in a reserve fund for the benefit of bondholders, earnings on funds of the authority and such other funds and assets as may become available, upon such terms and conditions as specified by the authority in the resolution under which the bonds are issued or in a related trust indenture.

(iii) The authority shall have the power and is hereby authorized from time to time to issue bonds to refund any bonds issued under this section by the issuance of new bonds, whether the bonds to be refunded have or have not matured, and to issue bonds partly to refund bonds then outstanding and partly for any of its other corporate purposes under this section. The refunding bonds may be exchanged for the bonds to be refunded or sold and the proceeds applied to the purchase, redemption or payment of such bonds.

(b) The bonds of the authority of each issue shall be dated, shall bear interest (which, in the opinion of bond counsel to the authority, may be includable in or excludable from the gross income of the owners for federal income tax purposes) at such fixed or variable rates, payable at or prior to maturity, and shall mature at such time or times, as may be determined by the authority and may be made redeemable before maturity, at the option of the authority, at such price or prices and under such terms and conditions as may be fixed by the authority. The principal and interest of such bonds may be made payable in any lawful medium. The resolution or the certificate of the authorized officer shall determine the form of the bonds, either registered or book-entry form, and the manner of execution of the bonds and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest thereof, which may be at any bank or trust company within or outside the state. If any officer whose signature or a facsimile thereof appears on any bonds shall cease to be such officer before the delivery of such bonds, such signature or facsimile shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery. The authority
may also provide for temporary bonds and for the replacement of any bonds that shall become mutilated or shall be destroyed or lost.

(c) The authority may sell such bonds in such manner, either at a public or private sale and either on a competitive or negotiated basis, provided no such bonds may be sold by the authority at private sale unless such sale and the terms thereof have been approved in writing by the comptroller of the state of New York. The proceeds of such bonds shall be disbursed for the purposes for which such bonds were issued under such restrictions as the financing agreement and the resolution authorizing the issuance of such bonds or the related trust indenture may provide. Such bonds shall be issued upon approval of the authority and without any other approvals, filings, proceedings or the happening of any other conditions or things other than the approvals, findings, proceedings, conditions, and things that are specified and required by this section. Provided, however, that any issuance of bonds under the authority of this section shall be considered a project for the purposes of section fifty-one of this chapter, and subject to approval under such section.

(d) Any pledge made by the authority shall be valid and binding at the time the pledge is made. The assets, property, revenues, reserves or earnings so pledged shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind against the authority, irrespective of whether such parties have notice thereof. Notwithstanding any other provision of law to the contrary, neither the bond resolution nor any indenture or other instrument, including the financing agreement, by which a pledge is created or by which the authority's interest in pledged assets, property, revenues, reserves or earnings thereon is assigned need be filed, perfected or recorded in any public records in order to protect the pledge thereof or perfect the lien thereof as against third parties, except that a copy thereof shall be filed in the records of the authority.

(e) Whether or not the bonds of the authority are of such form and character as to be negotiable instruments under the terms of the uniform commercial code, the bonds are hereby made negotiable instruments for all purposes, subject only to the provisions of the bonds for registration.

(f) At the sole discretion of the authority, any bonds issued by the authority and any ancillary bond facility made under the provisions of this subdivision may be secured by a resolution or trust indenture by and between the authority and the trust indenture trustee, which may be any trust company or bank having the powers of a trust company, whether located within or outside the state, provided it is carried out in accordance with section sixty-nine-d of the state finance law. Such trust indenture or resolution providing for the issuance of such bonds may provide for the creation and maintenance of such reserves as the authority shall determine to be proper and may include covenants setting forth the duties of the authority in relation to the bonds, the income of the authority, or the financing agreement. Such trust indenture or resolution may contain provisions: (i) respecting the custody, safeguarding and application of all moneys and securities; (ii) protecting and enforcing the rights and remedies (pursuant to the trust indenture and the financing agreement) of the owners of the bonds and any other benefited party as may be reasonable and proper and not in violation of law; (iii) concerning the rights, powers and duties of the trustee
appointed by bondholders pursuant to paragraph (g) of this subdivision; or (iv) limiting or abrogating the right of the bondholders to appoint a trustee. It shall be lawful for any bank or trust company which may act as depository of the proceeds of bonds or of any other funds or obligations received on behalf of the authority to furnish such indemnifying bonds or to pledge such securities as may be required by the authority. Any such trust indenture or resolution may contain such other provisions as the authority may deem reasonable and proper for priorities and subordination among the owners of the bonds and other beneficiaries. For purposes of this section, a "resolution" of the authority shall include any trust indenture authorized thereby.

(g) The authority may enter into, amend or terminate, as it determines to be necessary or appropriate, any ancillary bond facility (i) to facilitate the issuance, sale, resale, purchase, repurchase or payment of bonds, interest rate savings or market diversification or the making or performance of interest rate exchange or similar agreements, including without limitation bond insurance, letters of credit and liquidity facilities, (ii) to attempt to manage or hedge risk or achieve a desirable effective interest rate or cash flow, or (iii) to place the obligations or investments of the authority, as represented by the bonds or the investment of reserved bond proceeds or other pledged revenues or other assets, in whole or in part, on the interest rate, cash flow or other basis, which facility may include without limitation contracts commonly known as interest rate exchange or similar agreements, forward purchase contracts or guaranteed investment contracts and futures or contracts providing for payments based on levels of, or changes in, interest rates. These contracts or arrangements may be entered into by the authority in connection with, or incidental to, entering into, or maintaining any (i) agreement which secures bonds of the authority or (ii) investment, or contract providing for investment of reserves or similar facility guaranteeing an investment rate for a period of years not to exceed the underlying term of the bonds. The determination by the authority that an ancillary bond facility or the amendment or termination thereof is necessary or appropriate as aforesaid shall be conclusive. Any ancillary bond facility may contain such payment, security, default, remedy, and termination provisions and payments and other terms and conditions as determined by the authority, after giving due consideration to the creditworthiness of the counterparty or other obligated party, including any rating by any nationally recognized rating agency, and any other criteria as may be appropriate.

(h) The authority, subject to such agreements with bondholders as may then exist (including provisions which restrict the power of the authority to purchase bonds), or with the providers of any applicable ancillary bond facility, shall have the power out of any funds available therefor to purchase bonds of the authority, which may or may not thereupon be cancelled, at a price not substantially exceeding:

(i) if the bonds are then redeemable, the redemption price then applicable, including any accrued interest; or

(ii) if the bonds are not then redeemable, the redemption price and accrued interest applicable on the first date after such purchase upon which the bonds become subject to redemption.

(i) Neither the members of the authority nor any other person executing the bonds or an ancillary bond facility of the authority shall be subject to any personal liability by reason of the issuance or execution and delivery thereof.
6. Neither any bond issued pursuant to this section nor any ancillary bond facility of the authority shall constitute a debt or moral obligation of the state or a state supported obligation within the meaning of any constitutional or statutory provision or a pledge of the faith and credit of the state or of the taxing power of the state, and the state shall not be liable to make any payments thereon nor shall any bond or any ancillary bond facility be payable out of any funds or assets other than pledged revenues and other assets of the authority and other funds and assets of or available to the authority pledged therefor, and the bonds and any ancillary bond facility of the authority shall contain on the face thereof or other prominent place thereon a statement to the foregoing effect.

7. (a) Subject to the provisions of subdivision five of this section in the event that the authority shall default in the payment of principal or interest on, or sinking fund payment on, any issue of bonds after the same shall become due, whether at maturity or upon call for redemption, or in the event that the authority or the state shall fail to comply with any agreement made with the holders of any issue of bonds, the holders of twenty-five percent in aggregate principal amount of the bonds of such issue then outstanding, by instrument or instruments filed in the office of the clerk of the county of Albany and proved or acknowledged in the same manner as a deed to be recorded, may appoint a trustee to represent the holders of such bonds for the purposes herein provided.

(b) Such trustee may, and upon written request of the holders of twenty-five percent in principal amount of such bonds then outstanding shall, in his, her or its own name:

(i) by suit, action or proceeding in accordance with the civil practice law and rules, enforce all rights of the bondholders, including the right to require the authority to carry out any agreement with such holders and to perform its duties under this section;

(ii) bring suit upon such bonds;

(iii) by action or suit, require the authority to account as if it were the trustee of an express trust for the holders of such bonds;

(iv) by action or suit, enjoin any acts or things which may be unlawful or in violation of the rights of the holders of such bonds; and

(v) declare all such bonds due and payable, and if all defaults shall be made good, then, with the consent of the holders of twenty-five percent of the principal amount of such bonds then outstanding, annul such declaration and its consequences, provided, however, that nothing in this subdivision shall preclude the authority from agreeing that consent of the provider of an ancillary bond facility is required for an acceleration of related bonds in the event of a default other than a failure to pay principal of or interest on the bonds when due.

(c) The supreme court shall have jurisdiction of any suit, action or proceeding by the trustee on behalf of such bondholders. The venue of any such suit, action or proceeding shall be laid in the county of Albany.

(d) Before declaring the principal of bonds due and payable, the trustee shall first give thirty days notice in writing to the authority.

8. All monies of the authority from whatever source derived shall be paid to the treasurer of the authority and shall be deposited forthwith in a bank or banks designated by the authority. The monies in such accounts shall be paid out or withdrawn on the order of such person or
persons as the authority may authorize to make such requisitions. All deposits of such monies shall either be secured by obligations of the United States or of the state or of any municipality of a market value equal at all times to the amount on deposit, or monies of the authority may be deposited in money market funds rated in the highest short-term or long-term rating category by at least one nationally recognized rating agency. To the extent practicable, and consistent with the requirements of the authority, all such monies shall be deposited in interest bearing accounts. The authority shall have power, notwithstanding the provisions of this section, to contract with the holders of any bonds as to the custody, collection, security, investment and payment of any monies of the authority or any monies held in trust or otherwise for the payment of bonds or any way to secure bonds, and carry out any such contract notwithstanding that such contract may be inconsistent with the provisions of this section. Monies held in trust or otherwise for the payment of bonds or in any way to secure bonds and deposits of such monies may be secured in the same manner as monies of the authority and all banks and trust companies are authorized to give such security for such deposits. Any monies of the authority not required for immediate use or disbursement may, at the discretion of the authority, be invested in accordance with law and such guidelines as are approved by the authority.

9. (a) It is hereby determined that the carrying out by the authority of its corporate purposes under this section are in all respects for the benefit of the people of the state of New York and are public purposes. Accordingly, the authority shall be regarded as performing an essential governmental function in the exercise of the powers conferred upon it by this section. The property of the authority, its income and its operations shall be exempt from taxation, assessments, special assessments and ad valorem levies. The authority shall not be required to pay any fees, taxes, special ad valorem levies or assessments of any kind, whether state or local, including, but not limited to, real property taxes, franchise taxes, sales taxes or other taxes, upon or with respect to any property owned by it or under its jurisdiction, control or supervision, or upon the uses thereof, or upon or with respect to its activities or operations in furtherance of the powers conferred upon it by this section, or upon or with respect to any assessments, rates, charges, fees, revenues or other income received by the authority.

(b) Any bonds issued pursuant to this section, their transfer and the income therefrom shall, at all times, be exempt from taxation except for estate or gift taxes and taxes on transfers.

(c) The state hereby covenants with the purchasers and with all subsequent holders and transferees of bonds issued by the authority pursuant to this section, in consideration of the acceptance of and payment for the bonds, that the bonds of the authority issued pursuant to this section and the income therefrom and all assessments, revenues, moneys, and other property received by the authority and pledged to pay or to secure the payment of such bonds shall at all times be exempt from taxation.

(d) In the case of any bonds of the authority, interest on which is intended to be exempt from federal income tax, the authority shall prescribe restrictions on the use of the proceeds thereof and related matters only as are necessary or desirable to assure such exemption, and the recipients of such proceeds shall be bound thereby to the extent such restrictions shall be made applicable to them. Any such recipient, including, but not limited to, the state, the state insurance fund, a
public benefit corporation, and a school district or municipality is
authorized to execute a tax regulatory agreement with the authority or
the state, as the case may be, and the execution of such an agreement
may be treated by the authority or the state as a condition to receiving
any such proceeds.

10. (a) The state, solely with respect to the resources of the unem-
ployment insurance trust fund and as set forth in the financing agree-
ment, covenants with the purchasers and all subsequent owners and trans-
feres of bonds issued by the authority pursuant to this section in
consideration of the acceptance of the payment of the bonds, until the
bonds, together with the interest thereon, with interest on any unpaid
installment of interest and all costs and expenses in connection with
any action or proceeding on behalf of the owners, are fully met and
discharged or unless expressly permitted or otherwise authorized by the
terms of each financing agreement and any contract made or entered into
by the authority with or for the benefit of such owners, (i) that in the
event bonds of the authority are sold as federally tax-exempt bonds, the
state shall not take any action or fail to take action that would result
in the loss of such federal tax exemption on said bonds, (ii) that the
state may impose, charge, raise, levy, collect and apply the pledged
assessments and other revenues, receipts, funds or moneys pledged for
the payment of debt service requirements in each year in which bonds are
outstanding, and (iii) further, that the state (A) will not materially
limit or alter the duties imposed on the unemployment insurance trust
fund, the authority and other officers of the state by the unemployment
insurance trust fund financing agreement and the bond proceedings
authorizing the issuance of bonds with respect to application of pledged
assessments or other revenues, receipts, funds or moneys pledged for the
payment of debt service requirements, (B) will not issue any bonds,
notes or other evidences of indebtedness, other than the bonds, having
any rights arising out of this section or secured by any pledge of or
other lien or charge on the pledged revenues or other receipts, funds or
moneys pledged for the payment of debt service requirements, (C) will
not create or cause to be created any lien or charge on the pledged
revenues, other than a lien or pledge created thereon pursuant to said
sections, (D) will carry out and perform, or cause to be carried out and
performed, each and every promise, covenant, agreement or contract made
or entered into by the unemployment insurance trust fund financing
agreement, by the authority or on its behalf with the bond owners of any
bonds, (E) will not in any way impair the rights, exemptions or remedies
of the bond owners, and (F) will not limit, modify, rescind, repeal or
otherwise alter the rights or obligations of the appropriate officers of
the state to impose, maintain, charge or collect the assessments and
other revenues or receipts constituting the pledged revenues as may be
necessary to produce sufficient revenues to fulfill the terms of the
proceedings authorizing the issuance of the bonds, including pledged
revenue coverage requirements, provided, however, (i) the remedies
available to the authority and the bondholders for any breach of the
pledges and agreements of the state set forth in this subclause shall be
limited to injunctive relief, (ii) nothing in this subdivision shall
prevent the authority from issuing evidences of indebtedness (A) which
are secured by a pledge or lien which is, and shall on the face thereof,
be expressly subordinate and junior in all respects to every lien and
pledge created by or pursuant to said sections, or (B) which are secured
by a pledge or lien on moneys or funds derived on or after the date
every pledge or lien thereon created by or pursuant to said sections
shall be discharged and satisfied, and (iii) nothing in this subdivision
shall preclude the state from exercising its power, through a change in
law, to limit, modify, rescind, repeal or otherwise alter the character
of the pledged assessments or revenues or to substitute like or differ-
ent sources of assessments, taxes, fees, charges or other receipts as
pledged revenues if and when adequate provision shall be made by law for
the protection of the holders of outstanding bonds pursuant to the
proceedings under which the bonds are issued, including changing or
altering the method of establishing the employer contribution rates.

The authority is authorized to include this covenant of the state, as
a contract of the state, in any agreement with the owner of any bonds
issued pursuant to this section and in any credit facility or reimburse-
ment agreement with respect to such bonds. Notwithstanding these pledges
and agreements by the state, the attorney general may in his or her
discretion enforce any and all provisions related to the unemployment
insurance trust fund, without limitation.

(b) Prior to the date which is one year and one day after the authori-
ty no longer has any bonds issued pursuant to this section outstanding,
the authority shall have no authority to file a voluntary petition under
chapter nine of the federal bankruptcy code or such corresponding chap-
ter or sections as may, from time to time, be in effect, and neither any
public officer nor any organization, entity or other person shall
authorize the authority to be or become a debtor under chapter nine or
any successor or corresponding chapter or sections during such period.
The state hereby covenants with the owners of the bonds of the authority
that the state will not limit or alter the denial of authority under
this subdivision during the period referred to in the preceding
sentence. The authority is authorized to include this covenant of the
state, as a contract of the state, in any agreement with the owner of
any bonds issued pursuant to this section.

(c) To the extent deemed appropriate by the authority any pledge and
agreement of the state with respect to the bonds as provided in this
section may be extended to, and included in, any ancillary bond facility
as a pledge and agreement of the state with the authority and the bene-
fited party.

11. The bonds of the authority are hereby made securities in which all
public officers and bodies of this state and all municipalities and
political subdivisions, all insurance companies and associations and
other persons carrying on an insurance business, all banks, bankers,
trust companies, savings banks and savings associations, including
savings and loan associations, building and loan associations, invest-
ment companies and other persons carrying on a banking business, all
administrators, guardians, executors, trustees and other fiduciaries,
and all other persons whatsoever who are now or may hereafter be author-
ized to invest in bonds or in other obligations of the state, may prop-
erly and legally invest funds, including capital, in their control or
belonging to them. The bonds are also hereby made securities which may
be deposited with and may be received by all public officers and bodies
of the state and all municipalities, political subdivisions and public
corporations for any purpose for which the deposit of bonds or other
obligations of the state is now or may hereafter be authorized.

12. (a) An action against the authority for death, personal injury or
property damage or founded on tort shall not be commenced more than one
year and ninety days after the cause of action thereof shall have
accrued nor unless a notice of claim shall have been served on a member
of the authority or officer or employee thereof designated by the
authority for such purpose, within the time limited by, and in compli-
ance with the requirements of section fifty-e of the general municipal
law.
(b) The venue of every action, suit or special proceeding brought
against the authority or concerning the validity of this section shall
be laid in the county of Albany.
(c) The bonds, and any obligation of the authority under any ancillary
bond facility, may contain a recital that they are issued or executed,
respectively, pursuant to this section, which recital shall be conclu-
sive evidence of the validity of the bonds and any such obligation,
respectively, and the regularity of the proceedings of the authority
relating thereto.
13. Any action or proceeding to which the authority or the people of
the state may be parties, in which any question arises as to the validi-
ty of this section, shall be preferred over all other civil causes of
action or cases, except election causes of action or cases, in all
courts of the state and shall be heard and determined in preference to
all other civil business pending therein, except election causes, irre-
spective of position on the calendar. The same preference shall be
granted upon application of the authority or its counsel in any action
or proceeding questioning the validity of this section in which the
authority may be allowed to intervene.
§ 2. The labor law is amended by adding a new section 554 to read as
follows:
§ 554. Unemployment insurance trust fund bonds. 1. The commissioner,
with the commissioner of taxation and finance, is authorized to enter
into a financing agreement with the authority, to be known as the "unem-
ployment insurance trust fund bond financing agreement". Such agreement
shall set forth the process for calculating the annual debt service of
bonds issued by the dormitory authority and any other associated costs
in connection with the unemployment insurance trust fund, as set forth
in section sixteen hundred eighty-s of the public authorities law. For
purposes of this section, "associated costs" may include a coverage
factor, reserve fund requirements, all costs of any nature incurred by
the authority in connection with the unemployment insurance trust fund
bond financing agreement or pursuant thereto, the costs of any independ-
ent audits undertaken under this section, and any other costs for the
implementation of this subdivision and the issuance of bonds by the
authority, including interest rate exchange payments, rebate payments,
liquidity fees, credit provider fees, fiduciary fees, remarketing, dealer,
auction agent and related fees and other similar bond-related
expenses, unless otherwise funded. By September first of each year, the
dormitory authority shall provide to the commissioner the calculation of
the amount expected to be paid by the authority in debt service and
associated costs for purposes of calculating the assessments for the
debt service portion of the assessment provided for under this chapter.
All monies received on account of such assessments shall be applied in
accordance with this chapter and with the unemployment insurance trust
fund bond financing agreement until the financial obligations of the
authority in respect to its contract with its bondholders are met and
all associated costs payable to or by the authority have been paid,
notwithstanding any other provision of law respecting secured trans-
actions. This provision may be included by the authority in any contract
of the authority with its bondholders. The unemployment insurance trust
fund bond financing agreement may restrict disbursements, investments,
or rebates, and may prescribe a system of accounts applicable to the
unemployment insurance trust fund as consistent with the provisions of
this chapter governing such fund, including custody of funds and
accounts with a trustee that may be prescribed by the authority as part
of its contract with the bondholders. For purposes of this subdivision,
the term "bonds" shall include notes issued in anticipation of the issu-
ance of bonds, or notes issued pursuant to a commercial paper program.

2. The commissioner is hereby authorized to receive and credit to the
unemployment insurance trust fund any sum or sums that may at any time
be contributed to the state by the United States of America under any
act of Congress, or otherwise, to which the state may be or become enti-
tled by reason of any payments made out of such fund.

§ 3. This act shall take effect immediately.

PART NN

Section 1. Short title. This act shall be known and may be cited as
the "Suffolk county water quality restoration act".

§ 2. Legislative intent. The county of Suffolk ("county"), with a
population of one million five hundred thousand persons, has in excess
of three hundred eighty thousand existing onsite wastewater disposal
systems, comprised mostly of cesspools and septic systems, with two
hundred nine thousand of these onsite systems in environmentally sensi-
tive areas which could benefit from nitrogen-reducing technologies. The
United States Environmental Protection Agency recognizes Long Island as
having a sole source aquifer system for its drinking water supply. Suffolk county has an imminent need to preserve this valuable water
resource by reducing the amount of nitrogen discharged into the ground-
water by onsite systems. The full water cycle is impacted by increasing
quantities of nutrients, pathogens, pesticides, volatile organic contam-
inants and saltwater intrusion, as well as a number of emerging threats
such as prescription drugs and sea level rise.

The Suffolk county subwatersheds wastewater plan ("SWP"), certified by
the department of environmental conservation as a Nine Elements
Watershed (9E) plan, has documented the devastating effects of high
levels of nitrogen pollution, not only on the drinking water quality,
but also on coastal ecosystems, dissolved oxygen, water clarity,
eelgrass, wetlands, shellfish, coastal resilience and in triggering
harmful algal blooms. The SWP, is a long-term plan to address the need
for wastewater treatment infrastructure throughout the county comprehen-
sively over a period of fifty years. The SWP delineates the source and
concentration of nitrogen loading in one hundred ninety-one subwat-
ersheds throughout the county, and establishes nitrogen reduction goals
for each watershed.

For many areas of the county, installing or connecting sewers is not a
practical or cost-effective method of treating wastewater. For that
reason, the SWP prescribes a hybrid approach that relies on sewer
where feasible, and the replacement of cesspools and septic systems with
innovative/alternative onsite wastewater treatment systems. The consol-
dation of any or all of the twenty-seven county sewer districts, as
well as unsewered areas of the county, into a county wastewater manage-
ment district, the establishment of a water quality restoration fund,
and a county board of trustees to monitor progress and the allocation of
resources consistent with the goals of the SWP would allow for the
implementation of a much needed integrated long-term wastewater solution
for the county through comprehensive planning and management to improve
water quality.
The purpose of this act is to create a water quality restoration fund to finance capital projects for the protection, preservation, and rehabilitation of groundwater and surface waters as recommended by the SWP. This act would allow the funding of capital projects that will mitigate wastewater pollutants utilizing the best available technology consistent with the SWP. The water quality restoration fund would be financed with a dedicated and recurring revenue source by the enactment of an additional sales and compensating use tax at the rate of one-eighth of one percent until 2060. Such tax would be enacted pursuant to a mandatory referendum.

This act shall also provide Suffolk county with the authority to create a county wastewater management district through the consolidation of existing county sewer districts with currently unsewered areas of the county. A county wastewater management district will provide an integrated and efficient approach to managing wastewater services across the county; allow the county to enhance and expand its incentive program to property owners to upgrade their wastewater treatment systems; to manage, monitor and enforce nitrogen reduction programs throughout the county; complete additional sewer extension projects; improve the economic wellbeing of communities; and provide an opportunity to consolidate and streamline the county’s existing sewer district system and normalize the inequitable rate structure that has long existed.

In addition, this act will extend the existing one-quarter of one percent sales tax utilized to finance the county drinking water protection program until 2060.

§ 3. The county law is amended by adding a new section 256-b to read as follows:

§ 256-b. Suffolk county wastewater management district. 1. (a) Notwithstanding the provisions of any general, special or local law to the contrary, including this article, the county legislature of Suffolk county is hereby authorized to establish by resolution a Suffolk county wastewater management district, hereinafter referred to in this section as the "district", which shall include all powers of a sewer district and a wastewater disposal district as provided in section two hundred fifty of this article and as set forth in this subdivision, pursuant to the procedure contained in this section.

(b) In addition to the powers provided in section two hundred fifty of this article, the district shall have the power, as determined by the county legislature, to: (i) consolidate all of the original county sewer districts within the county as well as unsewered areas of the county, under the jurisdiction of the district; (ii) establish one or more zones of assessment within the district, coterminous with the territorial boundaries of the existing county sewer districts, consolidated pursuant to this section, the method of wastewater collection, treatment and disposal, existing or proposed, or both, and make changes to such zones of assessments; (iii) acquire interests in real property which may be completed by the transfer of property of original county sewer districts to the district, necessary for the installation and maintenance of district facilities; (iv) prioritize district projects in accordance with the Suffolk county subwatershed wastewater plan (SWP) adopted by the county legislature, and any amendments thereto; (v) receive funds from the Suffolk county water quality restoration fund, as established by section one thousand two hundred ten-F of the tax law, and distribute grant proceeds within the district in accordance with the goals established in the Suffolk county subwatershed wastewater plan; (vi) assume and pay any remaining indebtedness of each original county sewer...
district; (vii) within the zones of assessment, establish and provide
for the collection of charges, rates, taxes or assessments to provide
for the costs of operation, expenses, the sums sufficient to pay the
annual installment of principal of, and interest on, obligations for
improvements of the district, maintenance and improvements of the
district, including but not limited to: (A) special assessment as
defined in subdivision fifteen of section one hundred two of the real
property tax law; (B) special ad valorem levy as defined in subdivision
fourteen of section one hundred two of the real property tax law; (C)
sewer rent as provided under article fourteen-F of the general municipal
law; (viii) distribute grant proceeds within the district in accordance
with the goals established in the SWP; and (ix) adopt, amend and repeal,
from time to time, rules and regulations for the operation of a county
district. Nothing in this section shall be construed to permit the
collection of charges, rates, taxes, or assessments authorized by this
section outside of the established zones of assessment within the unsew-
ered portions of the district or within town or village sewer districts.
2. Boundaries. The boundaries of the district upon formation shall
include the boundaries of all county sewer districts consolidated into
the district and all unsewered areas of the county.
3. County agency review and report. The county legislature may direct
the county agency, appointed or established pursuant to section two
hundred fifty-one of this article, to, or the county agency on its own
motion may, review and report thereon to the county legislature on the
creation of the district and the merger therewith of any or all existing
county sewer districts in accordance with this section and such other
details as may be directed by the county legislature consistent with
this article. When the agency has caused such report to be prepared, it
shall transmit it to the county legislature. Upon receipt of the report,
the county legislature shall call a public hearing pursuant to subdivi-
sion five of this section to create a Suffolk county wastewater manage-
ment district in accordance with this section. Such report shall be
filed in the office of the clerk of the legislature of Suffolk county.
4. Resolution. The county legislature of Suffolk county may adopt a
resolution calling a public hearing upon the proposed creation of the
district.
5. Notice. The clerk of the county legislature shall give notice of
the hearing described in subdivision four of this section in such news-
papers and within such time period as set forth in section two hundred
fifty-four of this article. Such notice shall specify the time, date
and location of such hearing and, in general terms, describe the
proposed establishment of the district and the proposed basis of the
future assessment of all costs of operation, maintenance and improve-
ments of the district.
6. Hearing and resolution to establish. The county legislature shall
meet at the time, date and location specified in such notice and hear
all persons interested in the subject matter thereof concerning the
same. If the county legislature determines that it is in the public
interest to establish the district as specified in such notice, it shall
further determine by resolution: (i) whether all property and property
owners within the proposed district are benefited thereby; and (ii)
whether all of the property and property owners benefited are included
within the limits of the proposed district, the county legislature may
adopt a resolution, subject to a permissive referendum, establishing the
district.
7. Notice of adoption of resolution. Within ten days after the adoption by the county legislature of the resolution to establish the district described in subdivision six of this section, the county legislature shall give notice thereof, at the expense of the county, by the publication of a notice in such newspapers and within such time period as set forth in section one hundred of this chapter. Such notice shall set forth the date of adoption of the resolution and contain an abstract of such resolution, describing, in general terms, the district, the basis for the future assessment of all costs of operation, maintenance and improvements, and that such resolution was adopted subject to a permissive referendum.

8. Assessments, levies and charges. After the establishment of the district in accordance with this section, the county is hereby authorized by resolution approved by majority vote of the total membership of the county legislature to assess, levy and collect upon each lot or parcel of land within the zones of assessment established by this section: (a) special assessments as that term is defined in subdivision fifteen of section one hundred two of the real property tax law; (b) special ad valorem levy as that term is defined in subdivision fourteen of section one hundred two of the real property tax law; and (c) sewer rents as provided by article fourteen-F of the general municipal law. Such costs and expenses may include, but shall not be limited to, the amount of money required to pay the annual expenses of maintenance, operation, personnel services of the district and the sums sufficient to pay the annual installment of principal of, and interest on, obligations for improvements of the district. Such sums so levied shall be collected by the local tax collectors or receivers of taxes and assessments and shall be paid over to the chief fiscal officer of the county, in the same manner and at the same time as taxes levied for general county purposes. The chief fiscal officer shall keep a separate account of such moneys and they shall be used only for purposes set forth in this section, and in addition, all monies collected from each zone of assessment established or amended in accordance with this section shall be further segregated and shall not be commingled with monies of other zones of assessment except upon approval by resolution of the county legislature upon recommendation of the board of trustees established in accordance with the Suffolk county water quality restoration act. Nothing in this section shall be construed to permit the collection of charges, rates, taxes, or assessments authorized by this section outside of the established zones of assessment within the unsewered portions of the district or within town or village sewer districts.

8-a. Recording determination. The clerk of the county legislature shall within ten days after the effective date of the resolution creating the district cause a certified copy to be recorded in the office of the clerk of the county and when so recorded such order shall be presumptive evidence of the regularity of the proceedings for the creation of the district and of all other action taken by the county legislature pursuant to this section. A certified copy shall also be filed in the office of the state department of audit and control in Albany, New York.

9. Other laws. All provisions of the real property tax law and the Suffolk county tax act, as the same may be amended from time to time, not inconsistent with the provisions of this article, relating to the assessing, levy and collection and enforcement of special assessments, ad valorem levies and sewer rents in the county shall apply and be of equal force and applicability to special assessments, ad valorem levies...
and sewer rents authorized pursuant to this section. Nothing in this section shall be construed to permit the collection of charges, rates, taxes, or assessments authorized by this section outside of the established zones of assessment within the unsewered portions of the district or within town or village sewer districts.

10. Towns and villages. This section shall not be construed as merging the sewer districts of towns and villages within the county of Suffolk into the district created by this section. The merger of any town or village sewer district, or village sewerage system with the district shall be in accordance with section two hundred seventy-seven of this article.

11. Water quality restoration fund. (a) Notwithstanding any provision of law to the contrary, the county of Suffolk shall deposit the net collections from the sales and compensating use tax authorized by section one thousand two hundred ten-F of the tax law into the Suffolk county water quality restoration fund established in accordance with this section, and shall utilize all monies transferred from the fund consistent with this section. Nothing contained in this section shall be construed to prevent the financing in whole or in part, pursuant to the local finance law, of any project authorized pursuant to this section. Monies from the fund may be utilized to repay any indebtedness or obligations incurred pursuant to the local finance law consistent with effectuating the purposes of this section. Where Suffolk county finances a project, in whole, or in part, pursuant to the local finance law, the resolution authorizing such indebtedness shall be accompanied by a report from the county executive demonstrating how said indebtedness will be repaid by the fund. Said report shall include an estimate of projected revenues of the fund during the period of indebtedness. The report shall also provide an accounting of all other indebtedness incurred against the fund to be repaid for the same period. The county legislature shall make findings by resolution that there will be sufficient revenue to repay such indebtedness in its entirety from the fund before authorizing such indebtedness. Monies in said fund may be appropriated from or expended in any fiscal year to implement the powers set forth in this section and to repay any indebtedness or obligations incurred pursuant to the local finance law for the purposes authorized pursuant to this section.

Such projects shall have as their purpose the remediation of existing water quality to meet specific water quality standards consistent with the SWP. Projects consistent with or listed in the SWP that are part of a plan adopted by a local government resulting in a net nitrogen reduction shall be eligible for consideration by the board of trustees, established in accordance with subdivision six of this section.

(ii) Of the annual collections of the fund, administration of the county wastewater management district shall not exceed ten percent. Not less than seventy-five percent of the remaining annual funds after
administration shall be used toward funding individual septic systems projects. In addition to water quality improvement projects, other eligible expenditures from the fund shall include the preparation of an annual SWP implementation action plan to protect, preserve, and rehabilitate groundwater, surface water, and drinking water.

(iii) Other than for the payment of indebtedness or obligations incurred as set forth in paragraph (a) of this subdivision, and except for the preparation of the SWP implementation plan, itself, no monies may be expended until the SWP implementation plan has been prepared and approved as provided for in this section.

(c) (i) Within the local law, ordinance or resolution establishing the Suffolk county water quality restoration fund, pursuant to section one thousand two hundred ten-F of the tax law, the county shall establish a board of trustees of twenty-one members to prepare, review and approve the SWP implementation plan for submission to the county executive and county legislature and shall specify the powers and duties of the board of trustees, including the procedures for appointment of a chairperson. (ii) The powers and duties of the board of trustees shall oversee the annual audit pursuant to paragraph (e) of this subdivision, making prudent recommendations for resource allocations for county-approved alternative wastewater treatment technologies not contemplated in the Suffolk county subwatersheds wastewater plan and long-term progress monitoring of the implementation of the Suffolk county subwatersheds wastewater plan regarding achievements of nitrogen load reductions and ecological endpoints.

(d) Annual SWP implementation plan. The board of trustees shall prepare, review and approve and submit to the county executive the SWP implementation plan within one year of the effective date of this section, and in every five years thereafter in a like manner. The board of trustees shall conduct a public hearing on said plan before its adoption or subsequent amendment. with the provisions of this section and all other applicable provisions
of state law. Said audit shall be initiated within sixty days of the
close of the fiscal year of the county and shall be completed within one
hundred twenty days of the close of the fiscal year. A copy of the
audit shall be submitted annually to the state comptroller and the coun-

§ 4. Subdivisions (a) and (d) of section 1210-A of the tax law, as
amended by chapter 683 of the laws of 2007, are amended to read as
follows:

(a) In addition to the taxes imposed by section twelve hundred ten or
any other provision of this article, the county of Suffolk is hereby
authorized and empowered to adopt and amend a local law, ordinance or
resolution imposing within the territorial limits of said county an
additional sales and compensating use tax at the rate of one-quarter of
one percent for the period beginning December first, nineteen hundred
eighty-four and ending November thirtieth, two thousand [thirty] sixty,
which tax shall be identical to the tax imposed by said county pursuant
to section twelve hundred ten of this article. Except as hereinafter
provided, all provisions of this article, including the definition and
exemption provisions and the provisions relating to the administration,
collection and distribution by the commissioner, shall apply for
purposes of the tax imposed by this section in the same manner and with
the same force and effect as if the language of this article had been
incorporated in full in this section and had expressly referred to the
tax imposed by this section; provided, however, that any provision
relating to a maximum rate shall be calculated without reference to the
additional sales and compensating use tax herein authorized. For
purposes of part IV of this article, relating to the disposition of
revenues resulting from taxes collected and administered by the commis-
sioner, the additional sales and compensating use tax herein provided
shall be deemed to be imposed under the authority of section twelve
hundred ten of this article and all provisions relating to the deposit,
administration and disposition of taxes, penalties and interest relating
to a tax imposed by a county under the authority of section twelve
hundred ten of this article shall, except as otherwise specifically
provided in this section, apply to the additional sales and compensating
use tax imposed pursuant to this section.
(d) Notwithstanding any other provision of this article to the contra-
ry, the net collections from the tax imposed pursuant to subdivision (a)
of this section for the period beginning December first, nineteen
hundred eighty-eight and ending November thirtieth, two thousand [thir-
ty] sixty shall, upon payment to the county of Suffolk, be deposited in
a special fund, to be designated as a drinking water protection reserve
fund, to be created by said county therefor separate and apart from any
other funds and accounts of the county. Moneys in such fund shall be
deposited in one or more of the banks or trust companies designated, in
the manner provided by law, as a depository of the funds of such county.
Pending expenditure from such fund, moneys therein may be invested in
the manner provided in section eleven of the general municipal law. Any
interest earned or capital gain realized on the moneys so deposited or
invested shall accrue to and become part of such fund. Moneys in said
fund may be appropriated from and transferred to or expended in any
fiscal year only for the purposes of making payments pursuant to subdi-
visions (b) and (c) of this section for the period beginning December
first, nineteen hundred eighty-eight, to the extent that moneys in said
fund are remaining, and if authorized by local law, for the following
purposes:
(i) for the purposes of specific environmental protection (acquisition
of: farmland development rights; open space, wetlands, woodlands, pine
barrens and other lands for passive recreational uses; lands for hamlet
greens, hamlet parks, pocket parks, historic parks, cultural parks and
other lands for active/parkland recreational uses; lands necessary for
maintaining and protecting the quality of surface water, groundwater and
coastal resources);
(ii) for a water quality protection and restoration program or
programs and land stewardship initiatives;
(iii) for the purposes of county-wide property tax protection; and
(iv) for the purpose of sewer taxpayer protection.
Notwithstanding any special or local law, resolution or charter
provision to the contrary, moneys in said fund which have not been
appropriated from and transferred to or expended in any fiscal year for
the purposes of making payments pursuant to subdivisions (b) and (c) of
this section, may alternatively be appropriated for the purposes of
paying debt service on any new indebtedness incurred after the effective
date of the chapter of the laws of two thousand one that enacted this
paragraph pursuant to the local finance law in order to effectuate the
purposes described in paragraph (i) or (ii) of this subdivision. For the
purpose of allocating moneys in said fund pursuant to local law among
the purposes described in paragraphs (i), (ii), (iii) and (iv) of this
subdivision, moneys applied to the payment of debt service under the
authority of the previous sentence shall be considered by said county to
have been expended for the purposes for which such indebtedness was
incurred.
§ 5. The tax law is amended by adding a new section 1210-F to read as
follows:
§ 1210-F. Sales and compensating use tax for purposes of the Suffolk
county water quality restoration fund. (a) In addition to the taxes

resolution, subject to a mandatory referendum, in accordance with the
provisions set forth in section twenty-three of the municipal home rule
law, imposing within the territorial limits of said county an additional
sales and compensating use tax at the rate of one-eighth of one percent
for the period beginning March first, two thousand twenty-four and
ending February twenty-ninth, two thousand sixty, which tax shall be
identical to the tax imposed by said county pursuant to section twelve
hundred ten of this article. Except as hereinafter provided, all
provisions of this article, including the definition and exemption
provisions and the provisions relating to the administration, collection
and distribution by the commissioner, shall apply for purposes of the
tax imposed by this section in the same manner and with the same force
and effect as if the language of this article had been incorporated in
full in this section and had expressly referred to the tax imposed by
this section; provided, however, that any provision relating to a maxi-

mum rate shall be calculated without reference to the additional sales
and compensating use tax herein authorized. For purposes of part IV of
this article, relating to the disposition of revenues resulting from
taxes collected and administered by the commissioner, the additional
sales and compensating use tax herein provided shall be deemed to be
imposed under the authority of section twelve hundred ten of this arti-
cle and all provisions relating to the deposit, administration and
disposition of taxes, penalties and interest relating to a tax imposed
by a county under the authority of section twelve hundred ten of this
article shall, except as otherwise specifically provided in this
section, apply to the additional sales and compensating use tax imposed
pursuant to this section.
(b) Notwithstanding any other provision of this article to the contra-
ry, the net collections from the tax imposed pursuant to subdivision (a)
of this section for the period beginning March first, two thousand twen-
ty-four and ending February twenty-ninth, two thousand sixty shall, upon
payment to the county of Suffolk, be deposited in a special fund, to be
designated as the water quality restoration fund to be created by said
county therefor separate and apart from any other funds and accounts of
the county. Moneys in such fund shall be deposited and secured in the
manner provided by section ten of the general municipal law and in no
event shall moneys deposited be transferred to any other account. In
addition to the net collections from the tax, deposits into the fund may
include revenues of Suffolk county from whatever source and may include
the acceptance of gifts. Pending expenditure from such fund, moneys
therein may be invested in the manner provided in section eleven of the
general municipal law. Any interest earned or capital gain realized on
the moneys so deposited or invested shall accrue to and become part of
such fund. Moneys in said fund may be appropriated from and transferred
to or expended in any fiscal year only for the purposes authorized by subdivision eleven of section two hundred fifty-six-b of the county law. § 6. Paragraph a of section 11.00 of the local finance law is amended by adding a new subdivision 109 to read as follows: 109. Septic systems. The acquisition, construction, or reconstruction of or addition to septic systems funded by programs established by the county of Suffolk, twenty-five years. § 7. This act shall take effect immediately. § 2. Severability clause. If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein. § 3. This act shall take effect immediately provided, however, that the applicable effective date of Parts A through NN of this act shall be as specifically set forth in the last section of such Parts.
