(d) the extent to which teacher salaries, other professional salaries, the cost of living, and school district spending per pupil vary by region;

(f) the formula's expected minimum local contribution compared to school districts' actual local contribution and fiscal capacity, including but not limited to property tax levy, unexpended surplus in excess of the limit established by section 1318 of the real property tax law, and other potential offsets;
(g) the extent to which school districts' property tax rates vary by districts' relative income; and
(h) school districts' overall financial condition, including annual operating deficits or surpluses and accumulated fund balances and reserves.

death:
1. Subject to subparagraph two of this paragraph, the interest in the

5. Subject to this chapter, a beneficiary takes the property subject to all conveyances, encumbrances, assignments, contracts, mortgages, liens, and other interests to which the property is subject at the transferor's death. For purposes of this paragraph and this chapter, the recording of the transfer on death deed shall be deemed to have occurred at the transferor's death.
6. If a transferor is a joint owner and is survived by one or more other joint owners, the property that is the subject of a transfer on death deed shall belong to the surviving joint owner or owners with right of survivorship.

11. Renunciation. A beneficiary may renounce all or part of the beneficiary's interest in the same manner as if the interest was transferred in a will.
12. Liability for creditor claims and statutory allowances. 13. If more than one property is transferred by one or more transfer on death deeds, the liability under paragraph (a) of this subdivision is apportioned among the properties in proportion to their net values at the transferor's death.

COMMON QUESTIONS ABOUT THE USE OF THIS FORM

What does the Transfer on Death (TOD) deed do?

When you die, this deed transfers the described property, subject to any liens or mortgages (or other encumbrances) on the property at your death. Probate is not required. The TOD deed has no effect until you die. You can revoke it at any time. You are also free to transfer the property to someone else during your lifetime. If you do not own any interest in the property when you die, this deed will have no effect.

How do I make a TOD deed?

Complete this form. Have it acknowledged before a notary public. Record the form in each county where any part of the property is located. The form has no effect unless it is acknowledged and recorded before your death.

Is the "legal description" of the property necessary?
Yes.

How do I find the "legal description" of the property?

This information may be on the deed you received when you became an owner of the property. This information may also be available in the county clerk's office of the county where the property is located. If you are not absolutely sure, consult a lawyer.

Can I change my mind before I record the TOD deed?

Yes. If you have not yet recorded the deed and want to change your mind, simply tear up or otherwise destroy the deed.

How do I "record" the TOD deed?

Take the completed and acknowledged form to the county clerk's office of the county where the property is located. Follow the instructions given by the county clerk to make the form part of the official property records. If the property is in more than one county, you should record the deed in each county.

Can I later revoke the TOD deed if I change my mind?

Yes. You can revoke the TOD deed. No one, including the beneficiaries, can prevent you from revoking the deed.

How do I revoke the TOD deed after it is recorded?

There are three ways to revoke a recorded TOD deed:

(1) Complete and acknowledge a revocation form and record it in each county where the property is located.

(2) Complete and acknowledge a new TOD deed that disposes of the same property and record it in each county where the property is located.

(3) Transfer the property to someone else during your lifetime by a recorded deed that expressly revokes the TOD deed. You may not revoke the TOD deed by will.

I am being pressured to complete this form. What should I do?

Do not complete this form under pressure. Seek help from a trusted family member, friend, or lawyer.

Do I need to tell the beneficiaries about the TOD deed?

No, but it is recommended. Secrecy can cause later complications and might make it easier for others to commit fraud.

I have other questions about this form. What should I do?

This form is designed to fit some but not all situations. If you have other questions, you are encouraged to consult a lawyer.
16. Form of revocation. The following form may be used to create an instrument of revocation under this section. The other subdivisions of this section shall govern the effect of this, or any other instrument used to revoke a transfer on death deed.

4. Limitation on benefits for non-residential space. g. Following issuance of a temporary certificate of occupancy and upon each vacancy thereafter, an affordable housing unit shall promptly be offered for rental by individuals or families whose income does not exceed the maximum percentage of the area median income or income band, as applicable, adjusted for family size, specified for such affordable housing unit pursuant to this section and who intend to occupy such affordable housing unit as their primary residence. Such requirements may include, but need not be limited to, retaining a monitor approved by the agency and paid for by the owner of the eligible multiple dwelling.

k. Notwithstanding any provision of this section to the contrary, a market unit shall not be subject to rent stabilization unless, in the absence of AHCC program benefits, the unit would be subject to rent stabilization.

c. The fiscal officer shall have the power to enforce the provisions
of this subdivision. In enforcing such provisions, the fiscal officer
shall have the power: (i) to investigate or cause an investigation to be
made to determine the prevailing wages for building service employees,
and in making such investigation, the fiscal officer may utilize wage

to, data and determinations of federal, state or other governmental
agencies; provided, however, that the provision of a dwelling unit shall
not be considered wages or a fringe benefit; (ii) to institute and
conduct inspections at the site of the work or elsewhere; (iii) to exam-
ine the books, documents and records pertaining to the wages paid to,
and the hours of work performed by, building service employees; (iv) to
hold hearings and, in connection therewith, to issue subpoenas, the
enforcement of which shall be regulated by the civil practice law and
rules, administer oaths and examine witnesses; (v) to make a classifica-
tion by craft, trade or other generally recognized occupational category
of the building service employees and to determine whether such work has
been performed by the building service employees in such classification;
(vi) to require the applicant to file with the fiscal officer a record
of the wages actually paid to the building service employees and of
their hours of work; (vii) to delegate any of the foregoing powers to

fiscal officer may require the payment of (A) back wages and fringe

g. If a covered building service employer has committed three violations of the requirements of paragraph (b) of this subdivision with respect to the same eligible multiple dwelling within a five-year period, the agency may revoke any benefits associated with such eligible multiple dwelling under this section. For purposes of this paragraph, a "violation" of paragraph (b) of this subdivision shall be deemed a finding by the fiscal officer that a covered building service employer has failed to comply with paragraph (b) of this subdivision and has failed to cure the deficiency within three months of such finding. Provided, however, that after a second such violation, the applicant shall be notified that any further violation may result in the revocation of benefits under this section and that the fiscal officer shall publish on its website a list of all applicants with two violations as defined in this paragraph. If benefits are terminated or revoked for failure to comply with this subdivision all of the affordable housing units shall remain subject to rent stabilization and all other requirements of this section for the duration of the restriction period, regardless of whether such benefits have been terminated or revoked.

8. Concurrent exemptions or abatements. An eligible multiple dwelling receiving AHCC program benefits shall not receive any exemption from or abatement of real property taxation under any other law.

PART Z

Section 1. Section 33 of chapter 277 of the laws of 2021 amending the
labor law relating to the calculation of weekly employment insurance
benefits for workers who are partially unemployed, as amended by section
1 of part CC of chapter 56 of the laws of 2023, is amended to read as
follows:
§ 33. This act shall take effect on the thirtieth day after it shall
have become a law; provided, however, that sections one through thirty
of this act shall take effect on [the first Monday after April 1,] the
first Monday after October 1, 2024 or thirty days after the commissioner
of labor certifies that the department of labor has an information tech-
nology system capable of accommodating the amendments in this act,
whichever occurs earlier, and shall be applicable to all claims filed
and payments made after such date; provided that section thirty-one of
this act shall take effect on the thirtieth day after it shall have
become a law and shall be applicable to new claims on such date and
thereafter and shall be deemed repealed on the same date as the remain-
ing provisions of this act take effect. Such effective date applicable
to sections one through thirty of this act may be extended in fifteen
day increments upon notice and report of the reason necessitating such
extension from the commissioner of labor to the temporary president of
the senate and speaker of the assembly, provided the effective date
shall not be extended past February 1, 2025. In a manner consistent with
the provisions of this section, the commissioner of labor shall notify
the legislative bill drafting commission upon issuing [his or her
certification] such extensions every such fifteen days and if prior to
February 1, 2025, and shall inform such commission of the date of imple-
mentation of such information technology system in order that the
commission may maintain an accurate and timely effective data base of
the official text of the laws of the state of New York in furtherance of
effecting the provisions of section 44 of the legislative law and
section 70-b of the public officers law, and provided further that the
amendments to subdivision 1 of section 591 of the labor law made by
section twelve of this act shall be subject to the expiration and rever-

ments to section 591-a of the labor law made by section fifteen of this
act shall not affect the repeal of such section and shall be deemed
repealed therewith.
§ 2. This act shall take effect immediately and shall be deemed to
have been in full force and effect on and after April 1, 2024.
Section 1. Paragraphs 1, 1-a, 2 and subparagraph (iii) of paragraph 4 of subdivision (a) of section 1174-a of the vehicle and traffic law, as added by chapter 145 of the laws of 2019, are amended to read as follows:

1. Notwithstanding any other provision of law, a county, city, town or village located within a school district ("district") is hereby authorized and empowered to adopt and amend a local law or ordinance establishing a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with subdivision (a) of section eleven hundred seventy-four of this [chapter] article when meeting a school bus marked and equipped as provided in subdivisions twenty and twenty-one-c of section three hundred seventy-five of this chapter and operated in such county, city, town or village, in accordance with the provisions of this section. Such demonstration program shall empower such county, city, town or village to install and operate school bus photo violation monitoring systems which may be stationary or mobile, and which may be installed, pursuant to an agreement with a school district within such county, city, town or village, on school buses owned and operated by such school district or privately owned and operated for compensation under contract with such district. Provided, however, that (a) no stationary school bus photo violation monitoring system shall be installed or operated by a county, city, town or village except on roadways under the jurisdiction of such county, city, town or village, and (b) no mobile school bus photo violation monitoring system shall be installed or operated on any such school buses unless such county, city, town or village and such district enter into an agreement for such installation and operation.

1-a. Any county, city, town or village, located within a school district, that has adopted a local law or ordinance pursuant to this section establishing a demonstration program imposing liability on the owner of a vehicle for failure of an operator thereof to comply with subdivision (a) of section eleven hundred seventy-four of this [chapter] article when meeting a school bus marked and equipped as provided in subdivisions twenty and twenty-one-c of section three hundred seventy-five of this chapter and operated in such county, city, town or village may enter into an agreement with the applicable school district for the installation, maintenance and use of school bus photo violation monitoring systems on school buses pursuant to this section and section twenty-two of the chapter of the laws of two thousand nineteen which added this section, for the proper handling and custody of photographs, microphotographs, videotapes, other recorded images and data produced by such systems, and for the forwarding of such photographs, microphotographs, videotapes, other recorded images and data to the applicable county, city, town or village. Any agreement entered into hereunder shall be approved by each participating county, city, town or village by a majority vote of the voting strength of its governing body and by resolution of the district pursuant to section sixteen hundred four, section seventeen hundred nine, section twenty-five hundred three, section twenty-five hundred fifty-four or section twenty-five hundred ninety-h of the education law, as applicable. Provided, however, that where a district has entered an agreement as provided hereunder with a county, no cities, towns or villages within the same county may enter into, or be a party to, any agreement with such district pursuant to this section. Provided further, however, that no county shall enter an agreement with any city school district wholly contained within a city. Nothing in this section shall be construed to prevent a county, city, town, village or district
at any time to withdraw from or terminate an agreement entered pursuant
to this section and section twenty-two of [the] chapter one hundred
forty-five of the laws of [2019] two thousand nineteen which added this
section.
2. Any image or images captured by school bus photo violation moni-
toring systems shall be inadmissible in any disciplinary proceeding
convened by any school district or any school bus contractor thereof,
and any proceeding initiated by the department involving licensure priv-
ileges of school bus operators. Any school bus photo violation monitor-
ing device mounted on a school bus shall be directed outwardly from such
school bus to capture images of vehicles operated in violation of subdi-
vision (a) of section eleven hundred seventy-four of this [chapter] 
article, and images produced by such device shall not be used for any
other purpose.
(iii) the installation of signage in conformance with standards estab-
lished in the MUTCD at each roadway entrance of the jurisdictional boun-
daries of such county, city, town or village giving notice that school
bus photo violation monitoring systems are used to enforce restrictions
on vehicles violating subdivision (a) of section eleven hundred seven-
ty-four of this [chapter] article. For the purposes of this paragraph,
the term "roadway" shall not include state expressway routes or state
interstate routes but shall include controlled-access highway exit ramps
that enter the jurisdictional boundaries of a county, city, town or
village; and
§ 2. Paragraph 2 of subdivision (k) of section 1174-a of the vehicle
and traffic law, as added by chapter 145 of the laws of 2019, is amended
to read as follows:
2. Notwithstanding any other provision of this section, no owner of a
vehicle shall be subject to a monetary fine imposed pursuant to this
section if the operator of such vehicle was operating such vehicle with-
out the consent of the owner at the time such operator failed to comply
with subdivision (a) of section eleven hundred seventy-four of this
[chapter] article. For purposes of this subdivision there shall be a
presumption that the operator of such vehicle was operating such vehicle
with the consent of the owner at the time such operator failed to comply
with subdivision (a) of section eleven hundred seventy-four of this
[chapter] article.
§ 3. Subdivision (d) of section 1174-a of the vehicle and traffic law,
as added by chapter 145 of the laws of 2019, is amended to read as
follows:
(d) A certificate, sworn to or affirmed by a technician employed by
the county, city, town or village in which the charged violation
occurred, or a facsimile thereof, based upon inspection of photographs,
microphotographs, videotape or other recorded images produced by a
school bus photo violation monitoring system, and other documents or
declarations pertaining to inspections by the department of transporta-
tion, shall be prima facie evidence of the facts contained therein. Such
certificate, or a facsimile thereof, shall provide the identification
number of the school bus photo violation monitoring system which
recorded the violation, a statement confirming that at the time such
violation was recorded by such school bus photo violation monitoring
system, such school bus photo violation monitoring system was installed
on a school bus marked and equipped as provided in subdivisions twenty
and twenty-one-c of section three hundred seventy-five of this chapter
as evidenced by a valid certificate of inspection issued to such school
bus by the department of transportation pursuant to section one hundred
forty of the transportation law and the safety rules and regulations promulgated thereunder, and the registration number of the school bus to which such school bus photo violation monitoring system was attached. Any photographs, microphotographs, videotape or other recorded images evidencing such a violation shall include a recorded image of the outside of the motor vehicle involved in such violation, the registration number of such vehicle, at least one activated school bus stop-arm, and an electronic indicator or indicators showing the activation of the flashing red signal lamps of the school bus to which the school bus photo violation monitoring system producing such photographs, microphotographs, videotape or other recorded images was installed at the time such violation occurred, and shall be available for inspection in any proceeding to adjudicate the liability for such violation pursuant to a local law or ordinance adopted pursuant to this section. Where recorded images from a school bus photo violation monitoring system attached to a school bus, as certified pursuant to this subdivision, show the activation of at least one school bus stop-arm and an electronic indicator or indicators as required pursuant to this subdivision, there shall be a rebuttable presumption that such school bus was stopped for the purpose of receiving or discharging any passengers or because a school bus in front of it had stopped to receive or discharge any passengers. A certificate, sworn to or affirmed by a technician employed by the county, city, town or village in which the charged violation occurred, or a facsimile thereof, after reviewing evidence that on the day the charged violation occurred such school bus had a valid certificate of inspection issued by the department of transportation pursuant to section one hundred forty of the transportation law and the safety rules and regulations promulgated thereunder, shall be prima facie evidence that such school bus was marked and equipped as provided in subdivisions twenty and twenty-one-c of section three hundred seventy-five of this chapter and the flashing red signal lamp of such school bus was in operation at the time the violation occurred.

§ 4. Paragraph 2 of subdivision (g) of section 1174-a of the vehicle and traffic law, as added by chapter 145 of the laws of 2019, is amended to read as follows:

2. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of subdivision (a) of section eleven hundred seventy-four of this article pursuant to this section, the registration number of the vehicle involved in such violation, the location where such violation took place, the date and time of such violation [and], the identification number of the [camera] school bus photo violation monitoring system which recorded the violation or other document locator number, and the registration number of the school bus on which the school bus photo violation monitoring system which recorded the violation was installed.

§ 5. The opening paragraph of section 25 of chapter 145 of the laws of 2019 amending the vehicle and traffic law relating to school bus photo violation monitoring systems and owner liability for failure of operator to stop for a school bus displaying a red visual signal, is amended to read as follows:

This act shall take effect on the thirtieth day after it shall have become a law and shall expire December 1, 2024 when upon such date the provisions of this act shall be deemed repealed; provided that any such local law as may be enacted pursuant to this act shall remain in full force and effect only until December 1, 2024 and provided, further, that:
§ 6. This act shall take effect immediately; provided, however, that the amendments to section 1174-a of the vehicle and traffic law made by sections one, two, three and four of this act shall not affect the repeal of such section and shall be deemed repealed therewith.

(b) Nothing in this section shall prohibit an insurer from canceling, refusing to issue, refusing to renew, or increasing the premium of, an insurance policy, or excluding, limiting, restricting, or reducing coverage under such policy, due to other factors that are permitted or not prohibited by any other section of this chapter.

The goals and requirements of article fifteen-A of the executive law and article three of the veteran services law shall apply to all project labor agreements.

§ 4. Period of probable usefulness established. It is hereby determined that the financing of the deficits described in section three of this act is an object or purpose of the city for which indebtedness may be incurred, the period of probable usefulness of which is hereby determined to be fifteen years, computed from the date of such deficit bonds or from the date of the first deficit notes, whichever date is earlier. Such deficit bonds and deficit notes shall be general obligations of the city, to which the faith and credit of the city is pledged, and the city

and until the state comptroller shall first review and confirm the
existence of the deficits described in section three of this act, as
well as certify the amount of the deficits. As soon as practicable after
the effective date of this act, but in no event prior to the close of
the city's 2024 fiscal year, the city shall prepare a report detailing
the amount and cause of the deficit and submit to the state comptroller
such report, together with the independent audit report for its last
completed fiscal year and such other information as the state comp-

(a) perform such reviews as may be necessary;
(b) confirm the existence and certify the amount of the deficits; and
(c) provide notification to the city fiscal affairs officer, the city
treasurer, the mayor and the city council as to the existence and amount
of any such deficits.
§ 6. Limit on amount of deficit bonds. Deficit bonds may not be issued
in an amount exceeding the amount of such deficits as certified by the

an amount in excess of the amount of such deficits as confirmed by the
state comptroller, the city shall, from funds other than proceeds of
bonds or bond anticipation notes, either redeem such deficit notes in
the amount by which the amount of such deficit notes exceeds the amount
of such deficits as confirmed by the state comptroller or deposit a sum

such deficits as confirmed by the state comptroller into the special
debt service fund.
§ 7. Quarterly budget reports and trial balances. For each fiscal year
during the effective period of this act, the city treasurer shall moni-

recommendation by the city fiscal affairs officer setting forth any
remedial action necessary to resolve any unfavorable budget variance
including the overestimation of revenues and the underestimation of
appropriations, and shall be completed within thirty days of the end of
each quarter. The city treasurer shall also prepare, as part of such
report, a quarterly trial balance of general ledger accounts. The above
quarterly budgetary reports and quarterly trial balances shall be
prepared in accordance with applicable accounting principles incorpo-

officer, the mayor, the city council, the state director of the budget,
the state comptroller, the chair of the assembly ways and means commit-
tee, and the chair of the senate finance committee.
§ 8. Budget review by state comptroller. During the effective period
of this act, the city fiscal affairs officer shall submit the proposed
budget for the next succeeding fiscal year to the state comptroller no
later than thirty days before the date scheduled for the city council's
vote on the adoption of the final budget or the last date on which the
budget may be finally adopted, whichever is sooner. The state comptroller shall examine such proposed budget and make such recommendations as deemed appropriate thereon to the city prior to the adoption of the budget, but no later than ten days before the date scheduled for the city council's vote on the adoption of the final budget or the last date on which the budget must be adopted, whichever is sooner. Such recommendations shall be made after examination into the estimates of revenues and expenditures of the city. The city council, no later than five days prior to the adoption of the budget, shall review any such recommendations and make adjustments to the proposed budget consistent with any recommendations made by the state comptroller.

§ 9. Multiyear financial plans. During the effective period of this act, the city fiscal affairs officer shall prepare, along with the proposed budget for the next succeeding fiscal year, a three-year financial plan covering the next succeeding fiscal year and the two fiscal years thereafter. The financial plan shall, at a minimum, contain projected employment levels, projected annual expenditures for personal service, fringe benefits, non-personal services and debt service; appropriate reserve fund amounts; estimated annual revenues including projection of property tax rates, the value of the taxable real property and resulting tax levy, annual growth in sales tax and non-property tax revenues; and the proposed use of one-time revenue sources. The financial plan shall also identify actions necessary to achieve and maintain long-term fiscal stability, including, but not limited to, improved management practices, initiatives to minimize or reduce operating expenses, and potential shared services agreements with other municipalities. Within thirty days following the adoption by the city council of the budget for the next succeeding fiscal year and upon the completion of each quarterly budget report pursuant to section seven of this act, the city fiscal affairs officer shall update the financial plan consistent with such adopted budget or such quarterly budget report. Copies of the financial plan and any update shall be provided to the city treasurer, the mayor, the city council, the state director of the budget, the state comptroller, the chair of the assembly ways and means committee, and the chair of the senate finance committee.

§ 10. State comptroller to comment on further debt issuance. During the effective period of this act, the city treasurer shall notify the state comptroller at least fifteen days prior to the issuance of any bonds or notes or entering into any installment purchase contract, and the state comptroller may review and make recommendations regarding the affordability to the city of any such proposed issuance or contract.

§ 11. Private sale of bonds authorized. To facilitate the marketing of (a) deficit bonds, (b) any bonds issued to refund such deficit bonds, and (c) any other bonds to be issued on or before December 31, 2025, the city may, notwithstanding any limitation on the private sales of bonds provided by law and subject to the approval of the state comptroller of the terms and conditions of such sales:

(1) arrange for the underwriting of such bonds at private sale through negotiated fees or by sale of such bonds to an underwriter; or

(2) arrange for the private sale of such bonds through negotiated agreement, with compensation for such sales to be provided by negotiated agreement and/or negotiated fee, if required.

The cost of such underwriting or private placement shall be deemed to be a preliminary cost for purposes of section 11.00 of the local finance law.
§ 12. Exceptions to the local finance law. Except as provided in this act, all proceedings in connection with the issuance of such deficit bonds or deficit notes shall be had and taken in accordance with the provisions of the local finance law, provided, however, that any resolution or resolutions authorizing the issuance of such bonds or bond anticipation notes shall not be subject to (a) any mandatory or permissive referendum, (b) the provisions of section 107.00 of the local finance law with respect to any requirements for a down payment and (c) the provisions of section 10.10 of the local finance law.

§ 13. Special debt service fund. (a) Upon the issuance of any deficit bonds or deficit notes, the city council shall establish and thereafter maintain a special debt service fund with the state comptroller for the purpose of paying the special debt service due or becoming due in subsequent fiscal years. Such special debt service fund shall be discontinued upon the expiration of the effectiveness of this act, and any balance remaining in the special debt service fund at that time shall be paid by the state comptroller to the city treasurer for use by the city in the manner provided by law.

(b) The state comptroller shall deposit and pay into the special debt service fund any portion of state aid as the state comptroller determines necessary to ensure sufficient moneys are available to make scheduled special debt service payments from the special debt service fund over the succeeding twelve month period taking account of the city's receipt of city taxes and state aid during such twelve month period and the availability of other amounts appropriated or set aside by the city to make such payments. Thereafter, the state comptroller shall, as soon as practicable, pay over the remainder of any such state aid to the city treasurer for use by the city in the manner provided by law.

(c) Not later than the first day of each fiscal year beginning after issuance of any deficit bonds or deficit notes, the city treasurer shall certify to the state comptroller the percentage obtained by dividing the balance obtained by subtracting the amount of the appropriation for such year for a reserve for uncollected taxes from the total amount of city taxes levied and assessed for such year, into the total appropriation in the budget of such year for special debt service, and the percentage so certified shall constitute the debt service percentage for such fiscal year. Immediately upon receipt of any payment during such fiscal year of or on account of any city taxes, the city, its collecting officer and any agent receiving the same shall remit such payment to the state comptroller. Of each sum so received, the state comptroller shall deposit and pay into the special debt service fund the portion thereof equal to the debt service percentage of the total sum, and shall deposit and pay into the fund such additional amounts as the state comptroller determines necessary to ensure sufficient moneys are available to make scheduled special debt service payments from the special debt service fund over the succeeding twelve month period taking account of the timing of the city's receipt of city taxes and state aid during such twelve month period and the availability of other amounts appropriated or set aside by the city to make such payments. Thereafter, the state comptroller shall, as soon as practicable, pay over the remainder of such sum to the city treasurer for use by the city in the manner provided by law.

(d) The moneys in the special debt service fund shall be invested in the manner provided by section 11 of the general municipal law, provided, however, that the investments shall be made for and on behalf of the city by the state comptroller upon instructions from the chief fiscal officer of the city which shall be consistent with the city's
investment policy adopted pursuant to section 39 of the general municipal law.

(e) The state comptroller shall from time to time during each fiscal year withdraw from the special debt service fund all amounts required for the payment as the same becomes due of all special debt service of such fiscal year and cause the amounts so withdrawn to be applied to such payments as and when due.

(f) The special debt service fund and all monies or securities therein or payable thereo in accordance with this section is hereby declared to be city property devoted to essential governmental purposes and accordingly, shall not be applied to any purpose other than as provided herein and shall not be subject to any order, judgment, lien, execution, attachment, setoff or counterclaim by any creditor of the city other than a creditor for whose benefit such fund is established and maintained and entitled thereto under and pursuant to this act.

§ 14. Agreement with the state. (a) The state does hereby pledge to and agree with the holders of any bonds, notes or other obligations issued by the city during the effective period of this act and secured by such a pledge that the state will not limit, alter or impair the rights hereby vested in the city to fulfill the terms of any agreements made with such holders pursuant to this act, or in any way impair the rights and remedies of such holders or the security for such bonds, notes or other obligations until such bonds, notes or other obligations together with the interest thereon and all costs and expenses in connection with any action or proceeding by or on behalf of such holders, are fully paid and discharged. The city is authorized to include this pledge and agreement of the state in any agreement with the holders of such bonds, notes or other obligations. Nothing contained in this act shall be deemed to (i) obligate the state to make any payments or impose any taxes to satisfy the debt service obligations of the city, (ii) restrict any right of the state to amend, modify, repeal or otherwise alter (A) section 54 of the state finance law or any other provision relating to state aid, or (B) statutes imposing or relating to taxes or fees, or appropriations relating thereto, or (iii) create a debt of the state within the meaning of any constitutional or statutory provisions. The city shall not include in any resolution, contract or agreement with holders of such bonds, notes or other obligations any provision which provides that an event of default occurs as a result of the state exercising its rights described in paragraph (ii) of this subdivision.

(b) Any provision with respect to state aid shall be deemed executory only to the extent of moneys available, and no liability shall be incurred by the state beyond the moneys available for that purpose, and any such payment by the state comptroller of state aid shall be subject to annual appropriation of state aid by the state legislature.

§ 15. Rights of the state comptroller and bondholders. (a) In the event that the city shall fail to comply with any provision of this act, and such non-compliance shall continue for a period of 30 days, (1) the state comptroller acting alone, or (2) a duly appointed representative of the holders of at least 25 per centum in aggregate principal amount of (i) any series of deficit bonds or deficit notes, (ii) any series of bonds issued to refund such deficit bonds or deficit notes, or (iii) any other series of notes or bonds issued by the city during the effective period of this act, by instrument or instruments filed in the office of the clerk of Chautauqua county and proved or acknowledged in the same manner as a deed to be recorded, may bring an action or commence a proceeding in accordance with the civil practice law and rules to (A)
require the city to carry out any of its obligations under this act or
(B) enjoin any acts or things which may be unlawful or in violation of
the obligations imposed on the city under this act. In addition, the
duly appointed representative of the bondholders of any such series of
notes or bonds may bring an action or commence a proceeding in accord-
ance with the civil practice law and rules to enforce the rights of the
holders of such series of notes or bonds.
(b) The supreme court in the county of Chautauqua shall have jurisdic-
tion of any action or proceeding by the state comptroller or the repre-
sentative of such bondholders.
§ 16. Severability clause. If any clause, sentence, paragraph, section
or part of this act shall be adjudged by any court of competent juris-
diction to be invalid, such judgment shall not affect, impair or invali-
date the remainder thereof, but shall be confined in its operation to
the clause, sentence, paragraph, section or part involved in the contro-
versy in which such judgment shall have been rendered. The provisions of
this act shall be liberally construed to assist the effectuation of the
public purposes furthered hereby.
§ 17. This act shall take effect immediately; and shall remain in full
force and effect until the fifteenth anniversary of the date of first
issuance of deficit bonds or deficit notes pursuant to this act, when
upon such date the provisions of this act shall be deemed repealed; and
provided, however, that the state comptroller shall notify the legisla-
tive bill drafting commission upon the occurrence of this act in order
that the commission may maintain an accurate and timely effective data
base of the official text of the laws of the state of New York in furth-
erance of effectuating the provisions of section 44 of the legislative
law and section 70-b of the public officers law.

PART EE

Section 1. The real property tax law is amended by adding a new
section 421-p to read as follows:
§ 421-p. Exemption of newly-constructed or converted rental multiple
dwellings. 1. (a) A city, town or village may, by local law, provide
for the exemption of rental multiple dwellings constructed or converted
in a benefit area designated in such local law from taxation and special
ad valorem levies, as provided in this section. Subsequent to the
adoption of such a local law, any other municipal corporation in which
the designated benefit area is located may likewise exempt such property
from its taxation and special ad valorem levies by local law, or in the
case of a school district, by resolution.
(b) As used in this section, the term "benefit area" means the area
within a city, town or village, designated by local law, to which an
exemption, established pursuant to this section, applies.
(c) The term "rental multiple dwelling" means a structure, other than
a hotel, consisting of ten or more dwelling units, where all of the
units are rented for residential purposes, and twenty-five percent of
such units, upon initial rental and upon each subsequent rental follow-
ing a vacancy during the benefit period, are affordable to and
restricted to occupancy by individuals or families whose household
income does not exceed a weighted average of no less than sixty percent
of the area median income and no more than eighty percent of the area
median income, adjusted for family size, at the time that such house-
holds initially occupy such dwelling units, provided further that all of
the income restricted units upon initial rental and upon each subsequent
rental following a vacancy during the restriction period or extended
restriction period, as applicable, shall be affordable to and restricted
to occupancy by individuals or families whose household income does not
exceed one hundred percent of the area median income, adjusted for fami-
ly size, at the time that such households initially occupy such dwelling
units. Provided further, that any local law authorizing an exemption
pursuant to this section may provide for the area median income weighted
average within the amounts set forth in this paragraph. Such restriction
period shall be in effect coterminal with the benefit period, provided,
however, that the tenant or tenants in an income restricted dwelling
unit at the time such restriction period ends shall have the right to
lease renewals at the income restricted level until such time as such
tenant or tenants permanently vacate the dwelling unit.

2. Eligible newly-constructed or converted rental multiple dwellings
in a designated benefit area shall be wholly exempt from taxation while
under construction, subject to a maximum of three years. Such property
shall then be exempt for an additional period of twenty-five years,
provided, that the exemption percentage during such additional period of
twenty-five years shall begin at ninety-six percent and shall decrease
by four percent each year thereafter. Provided, however:
(a) Taxes shall be paid during the exemption period in an amount at
least equal to the taxes paid on such land and any improvements thereon
during the tax year preceding the commencement of such exemption.
(b) No other exemption may be granted concurrently to the same
improvements under any other section of law.
3. To be eligible for exemption under this section, any new
construction shall take place on vacant, predominantly vacant or underu-
tilized land, or on land improved with a non-conforming use or on land
containing one or more substandard or structurally unsound dwellings, or
a dwelling that has been certified as unsanitary by the local health
agency. The provisions of this subdivision shall not apply to any new
conversions undertaken pursuant to this section.
4. Application for exemption under this section shall be made on a
form prescribed by the commissioner and filed with the assessor on or
before the applicable taxable status date.
5. In the case of a newly constructed or converted property which is
used partially as a rental multiple dwelling and partially for commer-
cial or other purposes, the portion of the property that is used as a
rental multiple dwelling shall be eligible for the exemption authorized
by this section if:
(a) The square footage of the portion used as a rental multiple dwell-
ing represents at least fifty percent of the square footage of the
entire property;
(b) The rental units are affordable to individuals or families as
determined according to the criteria set forth in paragraph (c) of
subdivision one of this section; and
(c) The requirements of this section are otherwise satisfied with
respect to the portion of the property used as a rental multiple dwell-
ing.
6. (a) For the purposes of this subdivision, the following terms shall
have the following meanings:
(i) "Applicant" shall mean an applicant for the exemption authorized
by this section and/or any successor to such applicant.
(ii) "Covered building service employer" shall mean any applicant
and/or any employer of building service employees for such applicant
including, but not limited to, a property management company or contractor.

(iii) "Building service employee" shall mean any person who is regularly employed at, and performs work in connection with the care or maintenance of, an eligible multiple dwelling, including, but not limited to, a watchman, guard, doorman, building cleaner, porter, handyman, janitor, gardener, groundkeeper, elevator operator and starter, and window cleaner, but not including persons regularly scheduled to work fewer than eight hours per week at such eligible multiple dwelling.

(iv) "Fiscal officer" shall mean the commissioner of labor.

(v) "Eligible multiple dwelling" shall mean any newly-constructed or converted rental multiple dwellings that receive benefits pursuant to this section.

(b) All building service employees employed by the covered building service employer at the eligible multiple dwelling shall receive the applicable prevailing wage in accordance with article nine of the labor law for the duration of the benefit period, regardless of whether such benefits are revoked or terminated. Such applicable prevailing wage shall in no case be lower than the prevailing wage provided to building service employees for work performed within the respective county under the collective bargaining agreement covering the largest number of hourly building service employees employed at residential buildings within such county in each job classification established by the commissioner of labor. The commissioner of labor shall determine the applicable prevailing wage rates and prevailing rate of fringe benefits for each job classification consistent with the corresponding job classifications covered by such collective bargaining agreements. To determine the applicable supplement benefit rate, the commissioner of labor shall identify the applicable hourly, weekly or monthly cost to an employer as specified under the applicable collective bargaining agreement of providing such supplements.

(c) (i) The fiscal officer shall have the power to enforce the provisions of this subdivision. In enforcing such provisions, the fiscal officer shall have the power: (A) to investigate or cause an investigation to be made to determine the prevailing wages for building service employees, and in making such investigation, the fiscal officer may utilize wage and fringe benefit data from various sources, including, but not limited to, data and determinations of federal, state or other governmental agencies; provided, however, that the provision of a dwelling unit shall not be considered wages or a fringe benefit; (B) to institute and conduct inspections at the site of the work or elsewhere; (C) to examine the books, documents and records pertaining to the wages paid to, and the hours of work performed by, building service employees; (D) to hold hearings and, in connection therewith, to issue subpoenas, the enforcement of which shall be regulated by the civil practice law and rules, administer oaths and examine witnesses; (E) to make a classification by craft, trade or other generally recognized occupational category of the building service employees and to determine whether such work has been performed by the building service employees in such classification; (F) to require the applicant to file with the fiscal officer a record of the wages actually paid to the building service employees and of their hours of work; (G) to delegate any of the foregoing powers to such fiscal officer's deputy or other authorized representative; (H) to promulgate rules as such fiscal officer shall consider necessary for the proper execution of the duties, responsibilities and powers conferred upon him or her by the provisions of this subdivision; and (I)
to prescribe appropriate sanctions for failure to comply with the
provisions of this subdivision.
(ii) For each violation of paragraph (b) of this subdivision, the
fiscal officer may require the payment of:
(A) back wages and fringe benefits;
(B) liquidated damages up to three times the amount of the back wages
and fringe benefits for willful violations; and/or
(C) reasonable attorneys' fees. If the fiscal officer finds that the
applicant has failed to comply with the provisions of this subdivision,
such fiscal officer shall present evidence of such non-compliance to the
village, town, or city that enacted a local law pursuant to this
section, or to any municipal agency or entity identified in such local
law.
(d) Paragraph (b) of this subdivision shall not be applicable to: (i)
an eligible multiple dwelling containing less than thirty dwelling
units; or (ii) an eligible multiple dwelling whose new construction or
conversion is carried out with the substantial assistance of grants,
loans or subsidies provided by a federal, state or local governmental
agency or instrumentality pursuant to a program for the development of
affordable housing.
(e) The applicant shall submit a sworn affidavit with its application
certifying that it shall ensure compliance with the requirements of this
subdivision or is exempt in accordance with paragraph (d) of this subdi-
vision. Upon the approval of the village, town, or city that enacted a
local law pursuant to this section, or of any municipal agency or entity
identified in such local law, of such application, the applicant who is
not exempt in accordance with paragraph (d) of this subdivision shall
submit annually a sworn affidavit to the fiscal officer certifying that
it shall ensure compliance with the requirements of this subdivision.
(f) The village, town, or city that enacted a local law pursuant to
this section, or any municipal agency or entity identified in such local
law shall annually publish a list of all eligible sites subject to the
requirements of this subdivision and the affidavits required pursuant to
paragraph (e) of this subdivision.
(g) If a covered building service employer has committed three
violations of the requirements of paragraph (b) of this subdivision with
respect to the same eligible multiple dwelling within a five-year peri-
od, the village, town, or city that enacted a local law pursuant to this
section, or any municipal agency or entity identified in such local law
may revoke any benefits associated with such eligible multiple dwelling
under this section. For purposes of this paragraph, a "violation" of
paragraph (b) of this subdivision will be deemed a finding by the fiscal
officer that a covered building service employer has failed to comply
with paragraph (b) of this subdivision and has failed to cure the defi-
cency within three months of such finding. Provided, however, that
after a second such violation, the applicant shall be notified that any
further violation may result in the revocation of benefits under this
section and that the fiscal officer shall publish on its website a list
of all applicants with two violations as defined in this paragraph. If
benefits are terminated or revoked for failure to comply with this
subdivision all of the affordable housing units shall remain subject to
rent stabilization and all other requirements of this section for the
duration of the restriction period, regardless of whether such benefits
have been terminated or revoked.
7. The exemption authorized by this section shall not be available in
a city with a population of one million or more.
8. Any recipient of the exemption authorized by this section or their designee shall certify compliance with the provisions of this section under penalty of perjury, at such time or times and in such manner as may be prescribed in the local law adopted by the city, town or village pursuant to paragraph (a) of subdivision one of this section, or by a subsequent local law. Such city, town or village may establish such procedures as it deems necessary for monitoring and enforcing compliance of an eligible building with the provisions of this section. § 2. The real property tax law is amended by adding a new section 421-pp to read as follows:

§ 421-pp Exemption of newly converted or constructed fully income restricted rental multiple dwellings. 1. (a) A city, town or village may, by local law, provide for the exemption of rental multiple dwellings constructed or converted in a benefit area designated in such local law from taxation and special ad valorem levies, as provided in this section. Subsequent to the adoption of such a local law, any other municipal corporation in which the designated benefit area is located may likewise exempt such property from its taxation and special ad valorem levies by local law, or in the case of a school district, by resolution.

(b) As used in this section, the term "benefit area" means the area within a city, town or village, designated by local law, to which an exemption, established pursuant to this section, applies.

(c) As used in this section, the term "rental multiple dwelling" means a structure, other than a hotel, consisting of ten or more dwelling units, where all but a maximum of two of the units are rented for residential purposes, and all of such units, upon initial rental and upon each subsequent rental following a vacancy during the restriction period or extended restriction period, as applicable, is affordable to and restricted to occupancy by individuals or families whose household income does not exceed a weighted average of no less than sixty percent of the area median income and no more than eighty percent of the area median income, adjusted for family size, at the time that such households initially occupy such dwelling units, provided further that all of the income restricted units upon initial rental and upon each subsequent rental following a vacancy during the restriction period or extended restriction period, as applicable, shall be affordable to and restricted to occupancy by individuals or families whose household income does not exceed one hundred percent of the area median income, adjusted for family size, at the time that such households initially occupy such dwelling units. The two residential units that are not income restricted must be occupied by superintendents, caretakers, managers or other employees to whom the space is provided as part or all of their compensation without payment of rent and who are employed for the purpose of rendering services in connection with the premises of which the housing accommodation is a part. In the event no unit is provided or rented to such an employee, all units in the building must be income restricted pursuant to this paragraph. Provided further that any local law authorizing an exemption pursuant to this section may provide for the area median income weighted average within the amounts set forth in this paragraph. Such restriction period shall be in effect coterminous with the benefit period, provided, however, that the tenant or tenants in an income restricted dwelling unit at the time such restriction period ends shall have the right to lease renewals at the income restricted level until such time as such tenant or tenants permanently vacate the dwelling unit.
2. Eligible newly-constructed or converted rental multiple dwellings in a designated benefit area shall be wholly exempt from taxation while under construction, subject to a maximum of three years. Such property shall then be exempt for an additional period of thirty years. Provided, however:

(a) Taxes shall be paid during the exemption period in an amount to be determined by the local law providing the exception pursuant to this section, provided, however, that amount shall be no greater than ten percent of the shelter rent of the eligible rental multiple dwelling exempted pursuant to this section.

(b) No other exemption may be granted concurrently to the same improvements under any other section of law.

3. To be eligible for exemption under this section, any new construction shall take place on vacant, predominantly vacant or underutilized land, or on land improved with a non-conforming use or on land containing one or more substandard or structurally unsound dwellings, or a dwelling that has been certified as unsanitary by the local health agency. The provisions of this subdivision shall not apply to any new conversions undertaken pursuant to this section.

4. Application for exemption under this section shall be made on a form prescribed by the commissioner and filed with the assessor on or before the applicable taxable status date.

5. In the case of newly constructed property which is used partially as a rental multiple dwelling and partially for commercial or other purposes, the portion of the newly constructed property that is used as a rental multiple dwelling shall be eligible for the exemption authorized by this section if:

(a) the square footage of the portion used as a rental multiple dwelling represents at least fifty percent of the square footage of the entire property;

(b) the rental units are affordable to individuals or families as determined according to the criteria set forth in paragraph (c) of subdivision one of this section; and

(c) the requirements of this section are otherwise satisfied with respect to the portion of the property used as a rental multiple dwelling.

6. The exemption authorized by this section shall not be available in a city with a population of one million or more.

7. Any recipient of the exemption authorized by this section or their designee shall certify compliance with the provisions of this section under penalty of perjury, at such time or times and in such manner as may be prescribed in the local law adopted by the city, town or village pursuant to paragraph (a) of subdivision one of this section, or by a subsequent local law. Such city, town or village may establish such procedures as it deems necessary for monitoring and enforcing compliance of an eligible building with the provisions of this section.

§ 3. This act shall take effect immediately.

Section 1. Subdivision 10 of section 292 of the executive law, as added by chapter 340 of the laws of 1955, is amended to read as follows:

10. The term "housing accommodation" includes any building, structure, or portion thereof which is used or occupied or is intended, arranged or designed to be used or occupied, as the home, residence or sleeping place of one or more human beings. The term "housing accommodation" also includes any accessory dwelling unit, defined as any attached or a detached residential dwelling unit that provides complete independent living facilities for one or more persons which is located on a lot with a proposed or existing primary residence and shall include permanent provisions for living, sleeping, eating, cooking, and sanitation on the same lot as the single-family or multi-family dwelling.

§ 2. The real property tax law is amended by adding a new section 421-p to read as follows:

§ 421-p. Exemption of capital improvements to residential new construction involving the creation of accessory dwelling units. 1. Residential buildings reconstructed, altered, improved, or newly constructed in order to create one or more additional residential dwelling units on the same parcel as a pre-existing residential building to provide independent living facilities for one or more persons subsequent to the effective date of a local law or resolution enacted pursuant to this section shall be exempt from taxation and special ad valorem levies to the extent provided hereinafter. After a public hearing, the governing board of a county, city, town or village may adopt a local law and a school district, other than a school district subject to article fifty-two of the education law, may adopt a resolution to grant the exemption authorized pursuant to this section. A copy of such local law or resolution shall be filed with the commissioner and the assessor of such county, city, town or village who prepares the assessment roll on which the taxes of such county, city, town, village or school district are levied.

2. (a) Such buildings shall be exempt for a period of five years to the extent of one hundred per centum of the increase in assessed value thereof attributable to such reconstruction, alteration, improvement, or new construction for such additional residential unit or units that provide independent living facilities for one or more persons, and for an additional period of five years subject to the following:

(i) The extent of such exemption shall be decreased by twenty-five per centum of the "exemption base" for each of the first three years during such additional period and shall be decreased by a further ten per centum of the "exemption base" during each of the final two years of such additional period. The exemption shall expire at the end of the extended period. The "exemption base" shall be the increase in assessed value as determined in the initial year of the term of the exemption, except as provided in subparagraph (ii) of this paragraph.

(ii) In any year in which a change in level of assessment of fifteen percent or more is certified for a final assessment roll pursuant to the rules of the commissioner, the exemption base shall be multiplied by a fraction, the numerator of which shall be the total assessed value of the parcel on such final assessment roll (after accounting for any physical or quantity changes to the parcel since the immediately preceding assessment roll), and the denominator of which shall be the total assessed value of the parcel on the immediately preceding final assessment roll. The result shall be the new exemption base. The exemption
shall thereupon be recomputed to take into account the new exemption base, notwithstanding the fact that the assessor receives certification of the change in level of assessment after the completion, verification and filing of the final assessment roll. In the event the assessor does not have custody of the roll when such certification is received, the assessor shall certify the recomputed exemption to the local officers having custody and control of the roll, and such local officers are hereby directed and authorized to enter the recomputed exemption certified by the assessor on the roll. The assessor shall give written notice of such recomputed exemption to the property owner, who may, if such property owner believes that the exemption was recomputed incorrectly, apply for a correction in the manner provided by title three of article five of this chapter for the correction of clerical errors.

(iii) Such exemption shall be limited to two hundred thousand dollars in increased market value of the property attributable to such reconstruc-
struction, alteration, improvement, or new construction and any increase in market value greater than such amount shall not be eligible for the exemption pursuant to this section. For the purposes of this section, the market value of the reconstruction, alteration, improvement, or new construction as authorized by subdivision one of this section shall be equal to the increased assessed value attributable to such reconstruc-
tion, alteration, improvement, or new construction divided by the class one ratio in a special assessing unit or the most recently estab-
lished state equalization rate or special equalization rate in the remainder of the state, except where the state equalization rate or special equalization rate equals or exceeds ninety-five percent, in which case the increase in assessed value attributable to such reconstruc-
tion, alteration, improvement, or new construction shall be deemed to equal the market value of such reconstruction, alteration, improve-
ment, or new construction.

(b) No such exemption shall be granted for reconstruction, alter-
atations, improvements, or new construction unless:

(i) such reconstruction, alteration, improvement, or new construction
was commenced subsequent to the effective date of the local law or resolu-
tion adopted pursuant to subdivision one of this section; and

(ii) the value of such reconstruction, alteration, improvement, or new construction exceeds three thousand dollars; and

(iii) such reconstruction, alteration, improvement, or new construction created one or more additional residential dwelling units on the same parcel as the pre-existing residential building to provide independent living facilities for one or more persons.

(c) For purposes of this section the terms reconstruction, alteration, improvement, and new construction shall not include ordinary maintenance and repairs.

3. Such exemption shall be granted only upon application by the owner of such building on a form prescribed by the commissioner. The applica-
tion shall be filed with the assessor of the city, town, village or county having the power to assess property for taxation on or before the appropriate taxable status date of such city, town, village or county.

4. If satisfied that the applicant is entitled to an exemption pursuant to this section, the assessor shall approve the application and such building shall thereafter be exempt from taxation and special ad valorem levies as herein provided commencing with the assessment roll prepared on the basis of the taxable status date referred to in subdivision three of this section. The assessed value of any exemption granted pursuant to this section shall be entered by the assessor on the assessment roll.
with the taxable property, with the amount of the exemption shown in a separate column.

5. For the purposes of this section, a residential building shall mean any building or structure designed and occupied exclusively for residential purposes by not more than two families.

6. In the event that a building granted an exemption pursuant to this section ceases to be used primarily for residential purposes, or title thereto is transferred to other than the heirs or distributees of the owner, the exemption granted pursuant to this section shall cease.

7. (a) A county, city, town or village may, by its local law, or school district, by its resolution:

(i) reduce the percentum of exemption otherwise allowed pursuant to this section; and

(ii) limit eligibility for the exemption to those forms of reconstruction, alterations, improvements, or new construction as are prescribed in such local law or resolution.

(b) No such local law or resolution shall repeal an exemption granted pursuant to this section until the expiration of the period for which such exemption was granted.

§ 3. This act shall take effect immediately and shall apply to assessment rolls based on taxable status dates occurring on or after such effective date.

of New York, adopting the provisions of this article pursuant to subdi-
vision one of section two hundred thirteen of this article, or two
hundred forty-five percent of the fair market rent, provided that fair
market rent shall refer to the figure published by the United States
department of housing and urban development, for the county in which the
housing accommodation is located, as shall be published by the division
of housing and community renewal no later than the first of August in
any given year. The division of housing and community renewal shall
publish the fair market rent and two hundred forty-five percent of the
fair market rent for each unit type for which such fair market rent is
published by the United States department of housing and urban develop-
ment for each county in New York state in the annual publication
required pursuant to subdivision seven of section two hundred eleven of
this article.
§ 215. Necessity for good cause. No landlord shall, by action to evict
or to recover possession, by exclusion from possession, by failure to
renew any lease, or otherwise, remove any tenant from housing accommo-
dations covered by section two hundred fourteen of this article except
for good cause as defined in section two hundred sixteen of this arti-
cle.
§ 216. Grounds for removal of tenants. 1. No landlord shall remove a
tenant from any housing accommodation covered by section two hundred
fourteen of this article, or attempt such removal or exclusion from
possession, notwithstanding that the tenant has no written lease or that
the lease or other rental agreement has expired or otherwise terminated,
except upon order of a court of competent jurisdiction entered in an
appropriate judicial action or proceeding in which the petitioner or
plaintiff has established one of the following grounds as good cause for
removal or eviction:
(a) (i) The tenant has failed to pay rent due and owing, provided
however that the rent due and owing, or any part thereof, did not result
from a rent increase which is unreasonable. In determining whether all
or part of the rent due and owing is the result of an unreasonable rent
increase, it shall be a rebuttable presumption that the rent for a
dwelling not protected by rent regulation is unreasonable if said rent
has been increased in any calendar year, after the effective date of
this article, or after the effective date of the local law in any
village, town, or city that enacts such local law to apply this article
to such village, town, or city pursuant to subdivision one of section
two hundred thirteen of this article, by an amount greater than the
local rent standard, provided further that no rent increase less than or
equal to the local rent standard shall be deemed unreasonable.

(ii) Whenever a court considers whether a rent increase is unreason-
able, the court may consider all relevant facts, including but not
limited to a landlord's costs for fuel and other utilities, insurance,
and maintenance; but in all cases, the court shall consider the land-
lord's property tax expenses and any recent increases thereto; such
relevant facts also shall include whether the landlord, other than in
circumstances governed by paragraph (d) of this subdivision, seeks in
good faith to raise the rent upon a renewal lease to reflect completed
significant repairs to the housing accommodation, or to any other part
of the building or real property in which the housing accommodation is
located, provided that the landlord can establish that the repairs
constituted significant repairs and that such repairs did not result
from the landlord's failure to properly maintain the building or housing
accommodation, and provided further that for the purposes of this
subparagraph, "significantly repair" means the replacement or substan-
tial modification of any structural, electrical, plumbing, or mechanical
system that requires a permit from a governmental agency, or abatement
of hazardous materials, including lead-based paint, mold, or asbestos in
accordance with applicable federal, state, and local laws, and provided
further cosmetic improvements alone, including painting, decorating, and
minor repairs, do not qualify as significant repairs;

(b) The tenant is violating a substantial obligation of their tenancy
or breaching any of the landlord's rules and regulations governing said
premises, other than the obligation to surrender possession, and has
failed to cure such violation after written notice that the violation
cease within ten days of receipt of such written notice, provided howev-
er, that the obligation of tenancy for which violation is claimed was
not imposed for the purpose of circumventing the intent of this article
and provided such rules or regulations are reasonable and have been
accepted in writing by the tenant or made a part of the lease at the
beginning of the lease term;

(c) The tenant is committing or permitting a nuisance in such housing
accommodation, or elsewhere in the building or on the real property in
which the housing accommodation is located, or is maliciously or by
reason of gross negligence substantially damaging the housing accommo-
dation, or causing substantial damage elsewhere in the building or on
the real property in which the housing accommodation is located; or the
tenant's conduct is such as to interfere with the comfort and safety of
the landlord or other tenants or occupants of the same or another adja-
cent building or structure;

(d) Occupancy of the housing accommodation by the tenant is in
violation of or causes a violation of law and the landlord is subject to
civil or criminal penalties therefor; provided however that an agency of
the state or municipality having jurisdiction has issued an order
requiring the tenant to vacate the housing accommodation. No tenant
shall be removed from possession of a housing accommodation on such
ground unless the court finds that the cure of the violation of law
requires the removal of the tenant and that the landlord did not through
neglect or deliberate action or failure to act create the condition
necessitating the vacate order. In instances where the landlord does not
undertake to cure conditions of the housing accommodation causing such violation of the law, the tenant shall have the right to pay or secure payment in a manner satisfactory to the court, to cure such violation provided that any tenant expenditures shall be applied against rent to which the landlord is entitled. In instances where removal of a tenant is absolutely essential to such tenant's health and safety, the removal of the tenant shall be without prejudice to any leasehold interest or other right of occupancy the tenant may have and the tenant shall be entitled to resume possession at such time as the dangerous conditions have been removed. Nothing herein shall abrogate or otherwise limit the right of a tenant to bring an action for monetary damages against the landlord or to otherwise compel compliance by the landlord with all applicable state or municipal housing codes;

(e) The tenant is using or permitting the housing accommodation, or elsewhere in the building or on the real property in which the housing accommodation is located, to be used for an illegal purpose;

(f) The tenant has unreasonably refused the landlord access to the housing accommodation for the purpose of making necessary repairs or improvements required by law or for the purpose of showing the housing accommodation to a prospective purchaser, mortgagee or other person having a legitimate interest therein;

(g) The landlord seeks in good faith to recover possession of a housing accommodation for the landlord's own personal use and occupancy as the landlord's principal residence, or the personal use and occupancy as principal residence of the landlord's spouse, domestic partner, child, stepchild, parent, step-parent, sibling, grandparent, grandchild, parent-in-law or sibling-in-law, when no other suitable housing accommodation in such building is available, provided that no judgment in favor of the landlord may be granted pursuant to this paragraph unless the landlord establishes good faith to recover possession of a housing accommodation for the landlord's own personal use and occupancy as the landlord's principal residence, or the personal use and occupancy as principal residence of the landlord's spouse, domestic partner, child, stepchild, parent, step-parent, sibling, grandparent, grandchild, parent-in-law or sibling-in-law, by clear and convincing evidence. This paragraph shall not apply to a housing accommodation occupied by a tenant who is sixty-five years of age or older or who is a disabled person;

(h) The landlord in good faith seeks to demolish the housing accommodation, provided that no judgment in favor of the landlord may be granted pursuant to this paragraph unless the landlord establishes good faith to demolish the housing accommodation by clear and convincing evidence;

(i) The landlord seeks in good faith to withdraw a housing accommodation from the housing rental market, provided that no judgment in favor of the landlord may be granted pursuant to this paragraph unless the landlord establishes good faith to withdraw the housing accommodation from the housing rental market by clear and convincing evidence;

(j) The tenant fails to agree to reasonable changes to a lease at renewal, including increases in rent that are not unreasonable as defined in paragraph (a) of this subdivision, as long as written notice of the changes to the lease were provided to the tenant at least thirty days, but no more than ninety days, prior to the expiration of the current lease.

2. A tenant required to surrender a housing accommodation by virtue of the operation of paragraph (g), (h), or (i) of subdivision one of this
section shall have a cause of action in any court of competent jurisdic-
tion for damages, declaratory, and injunctive relief against a landlord
or purchaser of the premises who makes a fraudulent statement regarding
a proposed use, removal from the rental housing market, or demolition of
the housing accommodation. In any action or proceeding brought pursuant
to this subdivision a prevailing tenant shall be entitled to recovery of
actual damages, and reasonable attorneys' fees. Except as provided in
this subdivision, nothing in this article shall create a civil claim or
cause of action by a tenant against a landlord.

3. Nothing in this section shall abrogate or limit the tenant's right
pursuant to section seven hundred fifty-one of the real property actions
and proceedings law to permanently stay the issuance or execution of a
warrant or eviction in a summary proceeding, whether characterized as a
nonpayment, objectionable tenancy, or holdover proceeding, the underly-
ing basis of which is the nonpayment of rent, so long as the tenant
complies with the procedural requirements of section seven hundred
fifty-one of the real property actions and proceedings law where appli-
cable.

§ 217. Preservation of existing requirements of law. No action shall
be maintainable and no judgment of possession shall be entered for hous-
ing accommodations pursuant to section two hundred sixteen of this arti-
cle, unless the landlord has complied with any and all applicable laws
governing such action or proceeding and has complied with any and all
applicable laws governing notice to tenants, including without limita-
tion the manner and the time of service of such notice and the contents
of such notice.

§ 218. Waiver of rights void. Any agreement by a tenant heretofore or
hereinafter entered into in a written lease or other rental agreement
waiving or modifying their rights as set forth in this article shall be
void as contrary to public policy.

§ 2. Paragraph (a) of subdivision 1 of section 226-c of the real prop-
erty law, as amended by chapter 789 of the laws of 2021, is amended to
read as follows:

(a) Whenever a landlord intends to offer to renew the tenancy of an
occupant in a residential dwelling unit with a rent increase equal to or
greater than five percent above the current rent, or the landlord does
not intend to renew the tenancy, the landlord shall provide written
notice as required in subdivision two of this section. The notice shall
append or contain the notice required pursuant to section two hundred
thirty-one-c of this article, which shall state the following: (i) if
the unit is or is not subject to article six-A of this chapter, the
"good cause eviction law", and if the unit is exempt, such notice shall
state why the unit is exempt from such law; (ii) if the landlord is not
renewing the lease for a unit subject to article six-A of this chapter,
the lawful basis for such non-renewal; and (iii) if the landlord is
increasing the rent upon an existing lease of a unit subject to article
six-A of this chapter above the applicable local rent standard, as
defined in subdivision eight of section two hundred eleven of this chap-
ter, the justification for such increase. If the landlord fails to
provide timely notice, the occupant's lawful tenancy shall continue
under the existing terms of the tenancy from the date on which the land-
lord gave actual written notice until the notice period has expired,
notwithstanding any provision of a lease or other tenancy agreement to
the contrary.

§ 3. The real property law is amended by adding a new section 231-c to
read as follows:
§ 231-c. Good cause eviction law notice. 1. A landlord as defined in subdivision two of section two hundred eleven of this chapter shall append to or incorporate into any initial lease, renewal lease, notice required pursuant to paragraph (a) of subdivision one of section two hundred twenty-six-c of this article, notice required pursuant to subdivision two of section seven hundred eleven of the real property actions and proceedings law, or petition pursuant to section seven hundred forty one of the real property actions and proceedings law, the following notice:

In connection with any eviction proceeding in which the landlord claims an exemption from the provisions of Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law, on the basis of being a small landlord, the landlord shall provide to
the tenant or tenants subject to the proceeding the name of each natural

the number of units owned, jointly or separately, by each such natural
person owner, and the addresses of any such units, excluding each

Fair market rent refers to the figure published by the United States Department of Housing and Urban Development, for the county in which the housing accommodation is located, as shall be published by the Division of Housing and Community Renewal no later than August 1st in any given year. 3. IF THIS UNIT IS SUBJECT TO ARTICLE 6-A OF THE REAL PROPERTY LAW, KNOWN AS THE NEW YORK STATE GOOD CAUSE EVICTION LAW, AND THIS NOTICE SERVES TO INFORM A TENANT THAT THE LANDLORD IS INCREASING THE RENT ABOVE THE THRESHOLD FOR PRESUMPTIVELY UNREASONABLE RENT INCREASES, WHAT IS THE LANDLORD'S JUSTIFICATION FOR INCREASING THE RENT ABOVE THE THRESHOLD FOR PRESUMPTIVELY UNREASONABLE RENT INCREASES? (A rent increase is presumptively unreasonable if the increase from the prior rent is greater than the lower of: (a) 5 percent plus the annual percentage change in the consumer price index for all urban consumers for all items as published by the United States Bureau of Labor Statistics for the region in which the housing accommodation is located, as published not later than August 1st of each year by the Division of Housing and Community Renewal; or (b) 10 percent.) (PLEASE MARK AND FILL OUT THE APPLICABLE RESPONSE)
A. The rent is not being increased above the threshold for presumptively unreasonable rent increases described above; 
B. The rent is being increased above the threshold for presumptively unreasonable rent increases described above; 
B-1: If the rent is being increased above the threshold for presumptively unreasonable rent increases described above, what is the justification for the increase:

4. IF THIS UNIT IS SUBJECT TO ARTICLE 6-A OF THE REAL PROPERTY LAW, KNOWN AS THE NEW YORK STATE GOOD CAUSE EVICTION LAW, AND THIS NOTICE SERVES TO INFORM A TENANT THAT THE LANDLORD IS NOT RENEWING A LEASE, WHAT IS THE GOOD CAUSE FOR NOT RENEWING THE LEASE? (PLEASE MARK ALL APPLICABLE REASONS)
A. This unit is exempt from Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law, for the reasons stated in response to question 2, above (IF THIS ANSWER IS CHECKED, NO OTHER ANSWERS TO THIS QUESTION SHOULD BE CHECKED);
B. The tenant is receiving this notice in connection with a first lease or a renewal lease, so the landlord does not need to check any of the lawful reasons listed below for not renewing a lease under Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law (IF THIS ANSWER IS CHECKED, NO OTHER ANSWERS TO THIS QUESTION SHOULD BE CHECKED) ___;

C. The landlord is not renewing the lease because the unit is sublet and the sublessee seeks in good faith to recover possession of the unit for their own personal use and occupancy (exemption under subdivision 3 of section 214 of the Real Property Law) ___;

D. The landlord is not renewing the lease because the possession, use or occupancy of the unit is solely incident to employment and the employment is being or has been lawfully terminated (exemption under subdivision 4 of section 214 of the Real Property Law) ___;

E. The landlord is not renewing the lease because the tenant has failed to pay rent due and owing, and the rent due or owing, or any part thereof, did not result from a rent increase which is unreasonable. A rent increase is presumptively unreasonable if the increase from the prior rent is greater than the lower of: (a) 5 percent plus the annual percentage change in the consumer price index for all urban consumers for all items as published by the United States Bureau of Labor Statistics for the region in which the housing accommodation is located, as published not later than August 1st of each year by the Division of Housing and Community Renewal; or (b) 10 percent (good cause for eviction under paragraph a of subdivision 1 of section 216 of the Real Property Law) ___;

F. The landlord is not renewing the lease because the tenant is violating a substantial obligation of their tenancy or breaching any of the landlord's rules and regulations governing the premises, other than the obligation to surrender possession of the premises, and the tenant has failed to cure the violation after written notice that the violation must cease within 10 days of receipt of the written notice. For this good cause to apply, the obligation the tenant violated cannot be an obligation that was imposed for the purpose of circumventing the intent of Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law. The landlord's rules or regulations that the tenant has violated also must be reasonable and have been accepted in writing by the tenant or made a part of the lease at the beginning of the lease term (good cause for eviction under paragraph b of subdivision 1 of section 216 of the Real Property Law) ___;

G. The landlord is not renewing the lease because the tenant is either committing or permitting a nuisance on the unit or the premises; (b) maliciously or grossly negligently causing substantial damage to the unit or the premises; (c) interfering with the landlord's, another tenant's, or occupants of the same or an adjacent building or structure's comfort and safety (good cause for eviction under paragraph c of subdivision 1 of section 216 of the Real Property Law) ___;

H. The landlord is not renewing the lease because the tenant's occupancy of the unit violates law and the landlord is subject to civil or criminal penalties for continuing to let the tenant occupy the unit. For this good cause to apply, a state or municipal agency having jurisdiction must have issued an order requiring the tenant to vacate the unit. No tenant shall be removed from possession of a unit on this basis unless the court finds that the cure of the violation of law requires the removal of the tenant and that the landlord did not, through neglect or deliberate action or failure to act, create the condition necessitating removal of the tenant.
the vacate order. If the landlord does not try to cure the conditions causing the violation of the law, the tenant has the right to pay or secure payment, in a manner satisfactory to the court, to cure the violation. Any tenant expenditures to cure the violation shall be applied against rent owed to the landlord. Even if removal of a tenant is absolutely essential to the tenant’s health and safety, the tenant shall be entitled to resume possession at such time as the dangerous conditions have been removed. The tenant also retains the right to bring an action for monetary damages against the landlord or to otherwise compel the landlord to comply with all applicable state or municipal housing codes (good cause for eviction under paragraph d of subdivision 1 of section 216 of the Real Property Law); 

I. The landlord is not renewing the lease because the tenant is using or permitting the unit or premises to be used for an illegal purpose (good cause for eviction under paragraph e of subdivision 1 of section 216 of the Real Property Law); 

J. The landlord is not renewing the lease because the tenant has unreasonably refused the landlord access to the unit for the purposes of making necessary repairs or improvements required by law or for the purposes of showing the premises to a prospective purchaser, mortgagee, or other person with a legitimate interest in the premises (good cause for eviction under paragraph f of subdivision 1 of section 216 of the Real Property Law); 

K. The landlord is not renewing the lease because the landlord seeks in good faith to recover possession of the unit for the landlord's personal use and occupancy as the landlord's principal residence, or for the personal use and occupancy as a principal residence by the landlord's spouse, domestic partner, child, stepchild, parent, step-parent, sibling, grandparent, grandchild, parent-in-law, or sibling-in-law. The landlord can only recover the unit for these purposes if there is no other suitable housing accommodation in the building that is available. Under no circumstances can the landlord recover the unit for these purposes if the tenant is (a) 65 years old or older; or (b) a "disabled person" as defined in subdivision 6 of section 211 of the Real Property Law. To establish this good cause in an eviction proceeding, the landlord must establish good faith to recover possession of a housing accommodation for the uses described herein by clear and convincing evidence (good cause for eviction under paragraph g of subdivision 1 of section 216 of the Real Property Law); 

L. The landlord is not renewing the lease because the landlord in good faith seeks to demolish the housing accommodation. To establish this good cause in an eviction proceeding, the landlord must establish good faith to demolish the housing accommodation by clear and convincing evidence (good cause for eviction under paragraph h of subdivision 1 of section 216 of the Real Property Law); 

M. The landlord is not renewing the lease because the landlord seeks in good faith to withdraw the unit from the housing rental market. To establish this good cause in an eviction proceeding, the landlord must establish good faith to withdraw the unit from the rental housing market by clear and convincing evidence (good cause for eviction under paragraph i of subdivision 1 of section 216 of the Real Property Law); 

N. The landlord is not renewing the lease because the tenant has failed to agree to reasonable changes at lease renewal, including reasonable increases in rent, and the landlord gave written notice of the changes to the lease to the tenant at least 30 days, but no more than 90 days, before the current lease expired. A rent increase is presumptively
unreasonable if the increase from the prior rent is greater than the
lower of: (a) 5 percent plus the annual percentage change in the consum-
er price index for all urban consumers for all items as published by the
United States Bureau of Labor Statistics for the region in which the
housing accommodation is located, as published by August 1st of each
year by the Division of Housing and Community Renewal; or (b) 10 percent
(good cause for eviction under paragraph j of subdivision 1 of section
216 of the Real Property Law).
§ 4. Subdivision 2 of section 711 of the real property actions and
proceedings law, as amended by section 12 of part M of chapter 36 of the
laws of 2019, is amended to read as follows:
2. The tenant has defaulted in the payment of rent, pursuant to the
agreement under which the premises are held, and a written demand of the
rent has been made with at least fourteen days' notice requiring, in the
alternative, the payment of the rent, or the possession of the premises,
has been served upon [him] the tenant as prescribed in section seven
hundred thirty-five of this article. The fourteen-day notice shall
append or contain the notice required pursuant to section two hundred
thirty-one-c of the real property law, which shall state the following:
(i) if the premises are or are not subject to article six-A of the real
property law, the "good cause eviction law", and if the premises are

costs, and other operational needs that increase access to abortion
care.
(b) Fund uncompensated health care services associated with abortion
care, to ensure the affordability of and access to care for individuals
who lack ability to pay for care, for individuals who lack insurance
coverage, are underinsured, or whose insurance is deemed unusable by the
rendering provider.
4. In establishing and operating the program, the commissioner may
consult a range of experts including but not limited to individuals and
entities providing abortion care, abortion funds and other organizations
whose mission is to expand access to abortion care, to ensure the
program structure and expenditures reflect the needs of abortion provid-
erers, abortion funds and consumers. The commissioner may make regulations
necessary for implementing the program.
5. The department and any non-profit organization or abortion provider
receiving funds from the program shall take all necessary steps to
ensure the confidentiality of the individuals receiving services pursuant
to state and federal laws. The commissioner may request aggregate,
de-identified information about how funding allocated pursuant to the
program is spent, provided that no information which, alone or in combi-
nation, would permit a patient, provider, or an individual who sought,
received, provided, or supported health care services under the program
to be identified may be requested or shared.
§ 2. Severability clause. If any clause, sentence, paragraph, section
or part of this act shall be adjudged by any court of competent juris-
diction to be invalid and after exhaustion of all further judicial
review, the judgment shall not affect, impair, or invalidate the remain-
der thereof, but shall be confined in its operation to the clause,
sentence, paragraph, section or part of this act directly involved in
the controversy in which the judgment shall have been rendered.
§ 3. This act shall take effect immediately and shall be deemed to
have been in full force and effect on and after April 1, 2024.

PART QQ

Section 1. Subdivisions a and b of section 512 of the retirement and
social security law, subdivision a as amended by chapter 298 of the laws
of 2016, and subdivision b as amended by chapter 18 of the laws of 2012,
are amended to read as follows:
a. A member's final average salary shall be the average wages earned
by such a member during any three consecutive years which provide the
highest average wage; provided, however, if the wages earned during any
year included in the period used to determine final average salary
exceeds that of the average of the previous two years by more than ten
percent, the amount in excess of ten percent shall be excluded from the
computation of final average salary. [Notwithstanding the preceding
provisions of this subdivision to the contrary, for a member who first
becomes a member of the New York state and local employees' retirement
system on or after April first, two thousand twelve, or for a New York
city police/fire revised plan member, a New York city enhanced plan
member who receives the ordinary disability benefit provided for in
subdivision c-1 of section five hundred six of this article or the acci-
dental disability benefit provided for in paragraph three of subdivision c of section five hundred seven of this article, a New York city uniformed correction/sanitation revised plan member or an investigator revised plan member, a member's final average salary shall be the average wages earned by such a member during any five consecutive years which provide the highest average wage; provided, however, if the wages earned during any year included in the period used to determine final average salary exceeds that of the average of the previous four years by more than ten percent, the amount in excess of ten percent shall be excluded from the computation of final average salary.] In determining final average salary pursuant to any provision of this subdivision, where the period used to determine final average salary is the period which immediately precedes the date of retirement, any month or months (not in excess of twelve) which would otherwise be included in computing final average salary but during which the member was on authorized leave of absence at partial pay or without pay shall be excluded from the computation of final average salary and the month or an equal number of months immediately preceding such period shall be substituted in lieu thereof.

b. Notwithstanding the provisions of subdivision a of this section, with respect to members of the New York state employees' retirement system [who first become members of the New York state and local employees' retirement system before April first, two thousand twelve], the New York state and local police and fire retirement system and the New York city teachers' retirement system, a member's final average salary shall be equal to one-third of the highest total wages earned during any continuous period of employment for which the member was credited with three years of service credit; provided, however, if the wages earned during any year of credited service included the period used to determine final average salary exceeds the average of the wages of the previous two years of credited service by more than ten percent, the amount in excess of ten percent shall be excluded from the computation of final average salary. [For members who first become a member of the New York state and local employees' retirement system on or after April first, two thousand twelve, with respect to members of the New York state and local employees' retirement system, a member's final average salary shall be equal to one-fifth of the highest total wages earned during any continuous period of employment for which the member was credited with five years of service credit; provided, however, if the wages earned during any year of credited service included the period used to determine final average salary exceeds the average of the wages of the previous four years of credited service by more than ten percent, the amount in excess of ten percent shall be excluded from the computation of final average salary.]

§ 2. Subdivisions a and b of section 608 of the retirement and social security law, as amended by chapter 18 of the laws of 2012, are amended to read as follows:

a. [For members who first become members of a public retirement system of the state before April first, two thousand twelve, a] A member's final average salary shall be the average wages earned by such a member during any three consecutive years which provide the highest average wage; provided, however, if the wages earned during any year included in the period used to determine final average salary exceeds that of the average of the previous two years by more than ten percent, the amount in excess of ten percent shall be excluded from the computation of final average salary. [For members who first become members of the New York...
state and local employees' retirement system or the New York state
teachers' retirement system on or after April first, two thousand
twelve, a member's final average salary shall be the average wages
earned by such member during any five consecutive years which provide
the highest average wage; provided, however, if the wages earned during
any year included in the period used to determine final average salary
exceeds that of the average of the previous four years by more than ten
percent, the amount in excess of ten percent shall be excluded from the
computation of final average salary.] Where the period used to determine
final average salary is the period which immediately precedes the date
of retirement, any month or months (not in excess of twelve) which would
otherwise be included in computing final average salary but during which
the member was on authorized leave of absence at partial pay or without
pay shall be excluded from the computation of final average salary and
the month or an equal number of months immediately preceding such period
shall be substituted in lieu thereof.

b. Notwithstanding the provisions of subdivision a of this section,
with respect to members [who first became members] of the New York state
and local employees' retirement system and the New York city teachers'
retirement system [before April first, two thousand twelve], a member's
final average salary shall be equal to one-third of the highest total
wages earned by such member during any continuous period of employment
for which the member was credited with three years of service credit;
provided, however, if the wages earned during any year of credited
service included in the period used to determine final average salary
exceeds the average of the wages of the previous two years of credited
service by more than ten percent, the amount in excess of ten percent
shall be excluded from the computation of final average salary. [With
respect to members who first become members of the New York state and
local employees' retirement system and the New York city teachers'
retirement system on or after April first, two thousand twelve, a
member's final average salary shall be equal to one-fifth of the highest
total wages earned by such member during any continuous period of
employment for which the member was credited with five years of service
credit; provided, however, if the wages earned during any year of cred-
ited service included in the period used to determine final average salary
exceeds the average of the wages of the previous four years of
credited service by more than ten percent, the amount in excess of ten
percent shall be excluded from the computation of final average salary.]

§ 3. Subparagraph (ii) of paragraph 14 of subdivision e of section
13-638.4 of the administrative code of the city of New York, as amended
by chapter 18 of the laws of 2012, is amended to read as follows:
(ii) Subject to the provisions of subdivision f of this section where
those provisions are applicable, and notwithstanding the provisions of
subdivisions a and c of section six hundred eight of the RSSL, for a
tier IV member of NYCERS who is a New York city revised plan member (as
declared in subdivision m of section six hundred one of the RSSL) or a
tier IV member of BERS who is a New York city revised plan member, the
term "final average salary", as used in article fifteen of the RSSL,
shall be equal to [one-fifth] one-third of the highest total wages
earned by such member during any continuous period of employment for
which the member was credited with [five] three years of service credit;
provided that if the wages earned during any year of credited service
included in the period used to determine final average salary exceeds
the average of the wages of the previous four years of credited service
by more than ten percent, the amount in excess of ten percent shall be
excluded from the computation of final average salary, provided further
that "wages", as used in this paragraph, shall mean the applicable
provisions and limitations of the term "wages", as defined in subdivi-
sion 1 of section six hundred one of the RSSL.
§ 4. Subdivision a of section 1209 of the retirement and social secu-
ry law, as amended by chapter 705 of the laws of 2023, is amended to
read as follows:
a. For members who first become members of the New York state and
local police and fire retirement system on or after April first, two
thousand twelve, a member's final average salary shall be equal to one-
fifth of the highest total wages earned by such member during any
continuous period of employment for which the member was credited with
five years of service credit; provided, however, if the wages earned
during any year of credited service included in the period used to
determine final average salary exceeds the average of the wages of the
previous four years of credited service by more than ten percent, the
amount in excess of ten percent shall be excluded from the computation
of final average salary. Provided, however, beginning on or after April
first, two thousand twenty-four, a member's final average salary shall
be equal to one-third of the highest total wages earned by such member
during any continuous period of employment for which the member was
credited with three years of service credit; provided, however, if the
wages earned during any year of credited service included in the period
used to determine final average salary exceeds the average of the wages
of the previous two years of credited service by more than ten percent,
the amount in excess of ten percent shall be excluded from the computa-
tion of final average salary. Wages in excess of the annual salary paid
to the governor pursuant to section three of article four of the state
constitution shall be excluded from the computation of final average
salary for members who first become members of the New York state and
local police and fire retirement system on or after April first, two
thousand twelve.
§ 5. Notwithstanding any other provision of law to the contrary, none
of the provisions of this act shall be subject to section 25 of the
retirement and social security law.
§ 6. This act shall take effect immediately.
FISCAL NOTE.--Pursuant to Legislative Law, Section 50:
This bill would provide Tier 6 members in the New York State and Local
Retirement System a final average salary based on their highest salary
earned over three consecutive years, where the salary earned in any year
cannot exceed the average of the previous two years by more than 10%. Currently, final average salary for these members is based on their
highest salary earned over five consecutive years, where the salary
earned in any year cannot exceed the average of the previous four years
by more than 10%. The provisions of Section 25 of the Retirement and
Social Security Law shall not apply.
Insofar as this bill affects the New York State and Local Employees' Retire-
ment System (NYSLERS), the increased costs would be shared by the
State of New York and the local participating employers in the NYSLERS.
If this bill were enacted during the 2024 Legislative Session, the
increase in the present value of benefits would be approximately $1.17
billion.

In the NYSLERS, this benefit improvement will be funded by increasing the billing rates charged annually to cover both retrospective and prospective benefit increases. The annual contribution required of all participating employers in NYSLERS is 0.4% of billable salary, or approximately $51 million to the State of New York and approximately $76 million to the local participating employers. This permanent annual cost will increase as Tier 6 salary grows and will vary by employer based upon the plan coverage and salary reported in Tier 6.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System (NYSLPFRS), the increased costs would be shared by the State of New York and the local participating employers in the NYSLPFRS. If this bill were enacted during the 2024 Legislative Session, the increase in the present value of benefits would be approximately $341 million.

### NYSLPFRS Increase in present value benefits Increase in required contributions

| Tiers 1 - 5 | $0 | $33 million |
| Tier 6      | $341 million | $308 million |
| Total       | $341 million | $341 million |

In the NYSLPFRS, this benefit improvement will be funded by increasing the billing rates charged annually to cover both retrospective and prospective benefit increases. The annual contribution required of all participating employers in the NYSLPFRS is 0.70% of billable salary, or approximately $6.0 million to the State of New York and approximately $25 million to the local participating employers. The permanent annual cost will increase as Tier 6 salary grows and will vary by employer based upon the plan coverage and salary reported in Tier 6.

These estimated costs are based on 265,533 Tier 6 members in the NYSLERS and 16,599 Tier 6 members in the NYSLPFRS, with annual salary of approximately $12 billion and $1.5 billion, respectively, as of March 31, 2023.

Membership data as of March 31, 2023 was used in measuring the impact of the proposed change, the same data used in the April 1, 2023 actuarial valuation. Distributions and other statistics can be found in the 2023 Report of the Actuary and the 2023 Annual Comprehensive Financial Report.

The actuarial assumptions and methods used are described in the 2023 Annual Report to the Comptroller on Actuarial Assumptions, and the Codes, Rules and Regulations of the State of New York: Audit and Control.

The Market Assets and GASB Disclosures are found in the March 31, 2023 New York State and Local Retirement System Financial Statements and Supplementary Information.

I am a member of the American Academy of Actuaries and meet the Qualification Standards to render the actuarial opinion contained herein.

This fiscal note does not constitute a legal opinion on the viability of the proposed change nor is it intended to serve as a substitute for the professional judgment of an attorney.

This estimate, dated February 2, 2024, and intended for use only during the 2024 Legislative Session, is Fiscal Note No. 2024-118, prepared by the Actuary for the New York State and Local Retirement System.
FISCAL NOTE.—Pursuant to Legislative Law, Section 50:

As it relates to the New York State Teacher's Retirement System, this bill would amend subdivisions a and b of Section 608 of the Retirement and Social Security Law to change the definition of final average salary for Tier 6 members to be the same as that for Tier 3, 4 and 5 members. The final average salary for Tier 6 members would be based on any three consecutive years which produce the highest average salary. Currently, the final average salary for Tier 6 members is based on the salaries earned during any five consecutive years which provide the highest average salary. Additionally, under the bill, as in Tier 3, 4 and 5, if the salary for any year used in the period exceeds that of the average of the prior two years by more than 10%, the amount in excess of 10% shall be excluded from the computation. Currently, under Tier 6, if the salary for any year used in the period exceeds that of the average of the prior four years by more than 10%, the amount in excess of 10% is excluded from the computation.

The annual cost to the employers of members of the New York State Teachers' Retirement System for this benefit is estimated to be $23.1 million or 0.12% of payroll if this bill is enacted.

The System's "new entrant rate", a hypothetical employer contribution rate that would occur if we started a new Retirement System without any assets, is equal to 5.31% of pay under the current Tier 6 benefit structure. This can be thought of as the long-term expected employer cost of Tier 6, based on current actuarial assumptions. For the proposed change to the Tier 6 benefit structure under this bill, this new entrant rate is estimated to increase to 5.55% of pay, an increase of 0.24% of pay.

Member data is from the System's most recent actuarial valuation files as of June 30, 2023, consisting of data provided by the employers to the Retirement System. The most recent data distributions and statistics can be found in the System's Annual Report for fiscal year ended June 30, 2023. System assets are as reported in the System's financial statements and can also be found in the System's Annual Report. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report as of June 30, 2023.

The source of this estimate is Fiscal Note 2024-17 dated February 2, 2024 prepared by the Office of the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2024 Legislative Session. I, Richard A. Young, am the Chief Actuary for the New York State Teachers' Retirement System. I am a member of the American Academy of Actuaries and I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.

FISCAL NOTE.—Pursuant to Legislative Law, Section 50:

SUMMARY: This proposed legislation, as it relates to the New York City Retirement Systems and Pension Funds (NYCRS), would increase the Final Average Salary used to calculate pension benefits for certain Tier 3 and Tier 6 members of NYCRS by reducing the number of years included in the average from five years to three years.

Unfunded Accrued Liability (UAL) increases for active members were amortized over the expected remaining working lifetime of those impacted by the benefit changes using level dollar payments. UAL attributable to terminated vested members was recognized in the first year.

CENSUS DATA: The estimates presented herein are based on preliminary census data collected as of June 30, 2023. The census data for the impacted population is summarized below.
IMPACT ON MEMBER BENEFITS: Currently, Final Average Salary (FAS) is based on a five-year average, with each year's salary limited to 110% of the average of the prior four year's salaries for the following groups:

* Tier 3 and Tier 6 members who joined NYCRS on or after April 1, 2012, and
* Tier 3 enhanced members of POLICE and FIRE who retire for disability.

Under the proposed legislation, the FAS for such members would be based on a three-year average, with each year's salary limited to 110% of the average of the prior two year's salaries (prior four year's salaries for NYCRS and BERS).

The five-year FAS for enhanced disability benefits for Corrections and Sanitation members of NYCERS is provided as part of an agreement under Retirement and Social Security Law Article 25 and is assumed to remain unchanged by this proposed legislation.

ASSUMPTIONS AND METHODS: The estimates presented herein have been calculated based on the Revised 2021 Actuarial Assumptions and Methods of the impacted retirement systems. In addition:

* New entrants were assumed to replace exiting members so that total payroll increases by 3% each year for impacted groups. New entrant demographics were developed based on data for recent new hires and actuarial judgement.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the actuarial assumptions, methods, and models used, demographics of the impacted population, and other factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Quantifying these risks is beyond the scope of this Fiscal Note.

This Fiscal Note is intended to measure pension-related impacts and does not include other potential costs (e.g., administrative and Other Postemployment Benefits).

STATEMENT OF ACTUARIAL OPINION: Marek Tyszkiewicz and Gregory Zelikovsky are members of the Society of Actuaries and the American Academy of Actuaries. We are members of NYCERS but do not believe it impairs our objectivity and we meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of our knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2024-10 dated February 2, 2024 was prepared by the Chief Actuary for the New York City Retirement Systems and Pension Funds. This estimate is intended for use only during the 2024 Legislative Session.
PART RR

Section 1. Paragraph (a) of subdivision 2 of section 452 of the tax law, as added by chapter 32 of the laws of 2016, is amended to read as follows:

(a) [eight and one-half] three percent of gross receipts from ticket sales; and

§ 2. This act shall take effect December 1, 2024, and shall apply to gross receipts from ticket sales for combative sports matches or exhibitions held on or after such date.

PART SS

Section 1. Legislative findings. The legislature finds that a historic windmill is located on the Southampton campus of the State University of New York at Stony Brook ("Stony Brook").

The Windmill was constructed in 1714 and has been at its current location in Shinnecock Hills since 1888, when it was saved from destruction from its location in the Village of Southampton by Janet Hoyt, the wife of William Hoyt, the builder of the Shinnecock Inn. Janet Hoyt, together with Samuel Parrish, founded the Summer School of Art. It is the only windmill of three in Southampton Village that survived. It has been in its current location for 136 years.

In the summer of 1957, Tennessee Williams resided there when he wrote the play "The Day on Which a Man Dies" about the death of his friend Jackson Pollock. The Library Association of America officially designated the Windmill, at its current location, as a literary landmark in 2013.

In 1963, when Long Island University established Southampton College, the Windmill became the symbol of the new campus. The Windmill is beloved by thousands of former students, faculty, and administrators who rightly associate it with the very identity of the school. The College newspaper was aptly named "The Windmill". The Windmill has been on everything related to the college including sports uniforms, yearbooks, apparel, and assorted memorabilia.

In 2006, Stony Brook University acquired the campus and has continued the legacy of providing quality education to the residents of eastern Long Island. In 2009, Stony Brook led the effort to rehabilitate the Windmill. The Windmill and the adjacent water view quad have been in continuous use hosting innumerable events, readings, receptions, orientations, celebrations, workshops, and fundraising dinners. The annual Windmill Lighting during the holiday season continues to be an East End tradition.

The current president of Stony Brook University recently stated that "the Stony Brook University campus community is proud to be the caretaker of the Windmill, a cherished historical icon that has existed in its current location for over a century".

However, in recent years, the Windmill has fallen into disrepair due to lack of maintenance and was condemned by the New York State fire marshal in 2023. It is imperative that this historic structure be rehabilitated and restored so that it can continue to be the "cherished historical icon" and symbol of the Southampton campus.

The legislature further finds that the best alternative to secure the future of the Windmill is through a partnership with the town of Southampton by providing funds for the rehabilitation and restoration of the Windmill through the town community preservation fund. To accomplish
this partnership the legislature further finds that granting the trus-
etees of the State University of New York ("trustees") the authority and
to lease and otherwise contract with the Town of Southampton to
make available certain grounds and facilities of Stony Brook's campus
will best affect this partnership for the benefit of Stony Brook, the
surrounding community, and the general public.
§ 2. Notwithstanding any other law to the contrary, the state univer-
sity trustees are hereby authorized and empowered, without any public
bidding, to lease and otherwise contract to make available to the town
of Southampton, a municipal corporation (the "ground lessee"), a portion
of the lands of the university on its Southampton campus, generally
described in this act for the purpose of rehabilitating and restoring
the historic Windmill located on such campus. Such lease or contract
shall be for a period not exceeding 100 years without any fee simple
conveyance and otherwise upon terms and conditions determined by such
trustees, subject to the approval of the director of the division of the
budget, the attorney general and the state comptroller. If the real
property that is the subject of such lease or contract shall cease to be
used for the purpose described in this act, such lease or contract shall
immediately terminate, and the real property and any improvements there-
on shall revert to the state university of New York. Any lease or
contract entered into pursuant to this act shall provide that the real
property that is the subject of such lease or contract and any improve-
ments thereon shall revert to the state university of New York on the
expiration of such contract or lease.
§ 3. Any contract or lease entered into pursuant to this act shall be
deemed to be a state contract for purposes of article 15-A of the execu-
tive law, and any contractor, subcontractor, lessee or sublessee enter-
ing into such contract or lease for the construction, demolition, recon-
struction, excavation, rehabilitation, repair, renovation, alteration or
improvement authorized pursuant to this act shall be deemed a state
agency for the purposes of article 15-A of the executive law and subject
to the provisions of such article.
§ 4. Notwithstanding any general, special or local law or judicial
decision to the contrary, all work performed on a project authorized by
this act where all or any portion thereof involves a lease or agreement
for construction, demolition, reconstruction, excavation, rehabili-
tation, repair, renovation, alteration or improvement shall be deemed
public work and shall be subject to and performed in accordance with the
provisions of article 8 of the labor law to the same extent and in the
same manner as a contract of the state, and compliance with all the
provisions of article 8 of the labor law shall be required of any
lessee, sublessee, contractor or subcontractor on the project, including
the enforcement of prevailing wage requirements by the fiscal officer as
defined in paragraph e of subdivision 5 of section 220 of the labor law
to the same extent as a contract of the state.
§ 5. Notwithstanding any law, rule or regulation to the contrary, the
state university of New York shall not contract out to the town of
Southampton or any subsidiary for the instruction or any pedagogical
functions or services, or any administrative services, and similar
professional services currently being performed by state employees. All
such functions and services shall be performed by state employees pursu-
ant to the civil service law. Nothing in this act shall result in the
displacement of any currently employed state worker or the loss of posi-
tion (including partial displacement such as reduction in the hours of
nonovertime, wages or employment benefits), or result in the impairment
of existing contracts for services or collective bargaining rights
pursuant to existing agreements. All positions currently at the state
university of New York in the unclassified service of the civil service
law shall remain in the unclassified service. No services or work on the
property described in this act currently performed by public employees
or future work that is similar in scope and nature to the work being
currently performed by public employees shall be contracted out or
privatized by the state university of New York or by an affiliated enti-
yty or associated entity of the state university of New York. All such
future work shall be performed by public employees.

§ 6. For the purposes of this act:
(a) "project" shall mean work at the property authorized by this act
to be leased to the town of Southampton as described in section twelve
of this act that involves the design, construction, reconstruction,
demolition, excavating, rehabilitation, repair, renovation, alteration
or improvement of such property.
(b) "project labor agreement" shall mean a pre-hire collective
bargaining agreement between a contractor and a labor organization,
establishing the labor organization as the collective bargaining repre-
sentative for all persons who will perform work on the project, and
which provides that only contractors and subcontractors who sign a pre-
negotiated agreement with the labor organization can perform project
work.

§ 7. Notwithstanding the provisions of any general, special, or local
law or judicial decision to the contrary: (a) the town of Southampton
may require a contractor awarded a contract, subcontract, lease, grant,
bond, covenant or other agreement for a project to enter into a project
labor agreement during and for the work involved with such project when
such requirement is part of the ground lessee's request for proposals
for the project and when the state university of New York at Stony Brook
determines that the record supporting the decision to enter into such an
agreement establishes that the interests underlying the competitive
bidding laws are best met by requiring a project labor agreement includ-
ing obtaining the best work at the lowest possible price; preventing
favoritism, fraud and corruption; the impact of delay; the possibility
of cost savings; and any local history of labor unrest.
(b) If the state university of New York at Stony Brook does not
require a project labor agreement, then any contractor, subcontractor,
lease, grant, bond, covenant or other agreements for a project shall be
awarded pursuant to section 135 of the state finance law.

§ 8. Nothing in this act shall be deemed to waive or impair any rights
or benefits of employees of the state university of New York that other-
wise would be available to them pursuant to the terms of agreements
between the certified representatives of such employees and the state of
New York pursuant to article 14 of the civil service law; all work
performed on such property that ordinarily would be performed by employ-
ees subject to article 14 of the civil service law shall continue to be
performed by such employees.

§ 9. Without limiting the determination of the terms and conditions of
such contracts or leases, such terms and conditions may provide for
leasing, subleasing, construction, reconstruction, rehabilitation,
 improvement, operation and management of and provision of services and
assistance and the granting of licenses, easements and other arrange-
ments with regard to such grounds and facilities by the ground lessee,
and parties contracting with the ground lessee, and in connection with
such activities, the obtaining of funding or financing, whether public
or private, unsecured or secured, including, but not limited to, secured
by leasehold mortgages and assignments of rents and leases, by the
ground lessee and parties contracting with the ground lessee for the
purposes of completing the project described in this act.
§ 10. Such lease shall include an indemnity provision whereby the
lessee or sublessee promises to indemnify, hold harmless and defend the
lessor against all claims, suits, actions, and liability to all persons
on the leased premises, including tenant, tenant's agents, contractors,
subcontractors, employees, customers, guests, licensees, invitees and
members of the public, for damage to any such person's property, whether
real or personal, or for personal injuries arising out of tenant's use
or occupation of the demised premises.
§ 11. Any contracts entered into pursuant to this act between the
ground lessee and parties contracting with the ground lessee shall be
awarded by a competitive process.
§ 12. The property authorized by this act to be leased to the ground
lessee is generally described as that parcel of real property with
improvements thereon consisting of a total of .2296 acres situated on
the Southampton campus of the state university of New York at Stony
Brook.
The description in this section of the parcel to be made available
pursuant to this act is not meant to be a legal description, but is

Section 1. Subdivision 1 of section 2799-gg of the public authorities
law, as amended by chapter 182 of the laws of 2009, is amended to read
as follows:
1. The authority shall have the power and is hereby authorized from
time to time to issue bonds, in conformity with applicable provisions of
the uniform commercial code, in such principal amounts as it may deter-
mine to be necessary pursuant to section twenty-seven hundred ninety-nine of this title to pay the cost of any project and to fund reserves to secure such bonds, including incidental expenses in connection therewith.

The aggregate principal amount of such bonds, notes or other obligations outstanding shall not exceed [thirteen billion, five hundred million dollars ($13,500,000,000)], beginning July first, two thousand twenty-four, twenty-one billion five hundred million dollars ($21,500,000,000) and beginning July first, two thousand twenty-five, twenty-seven billion five hundred million dollars ($27,500,000,000), excluding bonds, notes or other obligations issued pursuant to sections twenty-seven hundred ninety-nine-ss and twenty-seven hundred ninety-nine-ff of this title; provided, however, that upon any refunding or repayment of bonds (which term shall not, for this purpose, include bond anticipation notes), the total aggregate principal amount of outstanding bonds, notes or other obligations may be greater than [thirteen billion, five hundred million dollars ($13,500,000,000)], beginning July first, two thousand twenty-four, twenty-one billion five hundred million dollars ($21,500,000,000), and beginning July first, two thousand twenty-five, twenty-seven billion five hundred million dollars ($27,500,000,000), only if the refunding or repayment bonds, notes or other obligations were issued in accordance with the provisions of subparagraph (a) of subdivision two of paragraph b of section 90.10 of the local finance law, as amended from time to time. Notwithstanding the foregoing, bonds, notes or other obligations issued by the authority may be outstanding in an amount greater than the amount permitted by the preceding sentence, provided that such additional amount at issuance, together with the amount of indebtedness contracted by the city of New York, shall not exceed the limit prescribed by section 104.00 of the local finance law. The authority shall have the power from time to time to refund any bonds of the authority by the issuance of new bonds whether the bonds to be refunded have or have not matured, and may issue bonds partly to refund bonds of the authority then outstanding and partly to pay the cost of any project pursuant to section twenty-seven hundred ninety-nine-ff of this title. Bonds issued by the authority shall be payable solely out of particular revenues or other moneys of the authority as may be designated in the proceedings of the authority under which the bonds shall be authorized to be issued, subject to any agreements entered into between the authority and the city, and subject to any agreements with the holders of outstanding bonds pledging any particular revenues or moneys.

§ 2. For the purpose of achieving the class size targets, as required by section 211-d of the education law, the city of New York shall increase planned spending on classroom construction by two billion dollars ($2,000,000,000) over and above the planned capital spending detailed in the February 2024 School Construction Authority capital plan.

§ 3. This act shall take effect immediately and shall be deemed to have been in full force and effect on and after April 1, 2024.

PART UU

Section 1. Subdivision 5-a of section 1204 of the public authorities law, as amended by chapter 931 of the laws of 1984, is amended to read as follows:
5-a. To make, amend and repeal rules governing the conduct and safety of the public as it may deem necessary, convenient or desirable for the use and operation of the transit facilities under its jurisdiction, including without limitation rules relating to the protection or maintenance of such facilities, the conduct and safety of the public, the payment of fares or other lawful charges for the use of such facilities, the presentation or display of documentation permitting free passage, reduced fare passage or full fare passage on such facilities and the protection of the revenue of the authority. Violations of such rules shall be an offense punishable by a fine of not exceeding twenty-five dollars or by imprisonment for not longer than ten days, or both, or may be punishable by the imposition by the transit adjudication bureau established pursuant to the provisions of this title of a civil penalty in an amount for each violation not to exceed one hundred dollars or, in the case of certain repeat violations relating to the payment of fares in accordance with subdivision eleven of section twelve hundred nine-a of this title, not to exceed one hundred fifty dollars (in each case exclusive of supplemental penalties, interest or costs assessed thereon), in accordance with a schedule of such penalties as may from time to time be established by rules of the authority. Such schedule of penalties may provide for the imposition of [additional] supplemental penalties, not to exceed a total of fifty dollars for each violation, upon the failure of a respondent in any proceeding commenced with respect to any such violation to make timely response to or appearance in connection with a notice of violation of such rule or to any subsequent notice or order issued by the authority in such proceeding. There shall be no penalty or increment in fine by virtue of a respondent's timely exercise of [his] their right to a hearing or appeal. The rules may provide, in addition to any other sanctions, for the confiscation of tokens, tickets, cards or other fare media that have been forged, counterfeited, improperly altered or transferred, or otherwise used in a manner inconsistent with such rules. The authority shall not use, or arrange for the use, of biometric identifying technology, including but not limited to facial recognition technology, to enforce rules relating to the payment of fares.

§ 2. Subdivisions 2, 3, 4, 5, 6, 7 and 10 of section 1209-a of the public authorities law, subdivisions 2, 4, 5, 6, 7 and 10 as amended by chapter 379 of the laws of 1992, subdivision 3 and paragraphs b and i of subdivision 4 as amended by chapter 460 of the laws of 2015, are amended, and three new subdivisions 11, 12 and 13 are added to read as follows:

2. Hearing officers. The president of the authority shall appoint hearing officers who shall preside at hearings for the adjudication of charges of transit or railroad infractions, as hereinafter defined and the adjudication of allegations of liability for violations of the rules and regulations of the triborough bridge and tunnel authority in accordance with section two thousand nine hundred eighty-five of this chapter, and who, as provided below, may be designated to serve on the appeals board of the bureau. Every hearing officer shall have been admitted to the practice of law in this state for a period of at least three years, and shall be compensated for [his] their services on a per diem basis determined by the bureau.

3. Jurisdiction. The bureau shall have, with respect to acts or incidents in or on the transit or railroad facilities of the authority or the metropolitan transportation authority or a subsidiary thereof committed by or involving persons who are sixteen years of age or over,
[or with respect to acts or incidents occurring on omnibuses owned or
operated by the metropolitan transportation authority or a subsidiary
thereof,] and with respect to violation of toll collection regulations
of the triborough bridge and tunnel authority as described in section
twenty-nine hundred eighty-five of this chapter, non-exclusive jurisdic-
tion over violations of: (a) the rules which may from time to time be
established by the authority under subdivision five-a of section twelve
hundred four of this chapter; (b) article one hundred thirty-nine of the
health code of the city of New York, as it may be amended from time to
time, relating to public transportation facilities; (c) article four of
the noise control code of the city of New York, as it may be amended
from time to time, insofar as it pertains to sound reproduction devices;
(d) the rules and regulations which may from time to time be established
by the triborough bridge and tunnel authority in accordance with the
provisions of section twenty-nine hundred eighty-five of this chapter;
and (e) rules and regulations which may from time to time be established
by the metropolitan transportation authority or a subsidiary thereof in
accordance with the provisions of section twelve hundred sixty-six of
this chapter. Matters within the jurisdiction of the bureau except
violations of the rules and regulations of the triborough bridge and
tunnel authority shall be known for purposes of this section as transit
or railroad infractions, as applicable. Nothing herein shall be
construed to divest jurisdiction from any court now having jurisdiction
over any criminal charge or traffic infraction relating to any act
committed in a transit or toll facility, or to impair the ability of a
police officer to conduct a lawful search of a person in a transit or
railroad facility. The criminal court of the city of New York shall
continue to have jurisdiction over any criminal charge or traffic
infraction brought for violation of the rules of the authority, the
triborough bridge and tunnel authority or the metropolitan transporta-
tion authority or a subsidiary thereof, as well as jurisdiction relating
to any act which may constitute a crime or an offense under any law of
the state of New York or any municipality or political subdivision ther-
 eof and which may also constitute a violation of such rules. The bureau
shall have concurrent jurisdiction with the environmental control board
and the administrative tribunal of the department of health over the
aforesaid provisions of the health code and noise control code of the
city of New York.

4. General powers. The bureau shall have the following functions,
powers and duties:

a. To accept pleas (whether made in person or by mail) to, and to hear
and determine, charges of transit and railroad infractions and allega-
tions of civil liability pursuant to section two thousand nine hundred
eighty-five of this chapter within its jurisdiction;

b. To impose civil penalties [not to exceed a total of one hundred
fifty dollars] and to issue warnings for any transit or railroad infrac-
tion within its jurisdiction, in accordance with a penalty schedule
established by the authority or the metropolitan transportation authori-
 ty or a subsidiary thereof, as applicable, and the conditions set forth
in subdivisions eleven and twelve of this section and subdivision four
of section twelve hundred sixty-six of this article, except that penal-
ties for violations of the health code of the city of New York shall be
in accordance with the penalties established for such violations by the
board of health of the city of New York, and penalties for violations of
the noise code of the city of New York shall be in accordance with the
penalties established for such violations by law, and civil penalties
for violations of the rules and regulations of the triborough bridge and
tunnel authority shall be in accordance with the penalties established
for such violations by section twenty-nine hundred eighty-five of this
chapter;

5. Notices of violation. The bureau shall prepare and distribute
notices of violation in blank to the transit police and any other person
empowered by law, rule and regulation to serve such notices. The form
and wording of the notice of violation shall be prescribed by the execu-
tive director, and it may be the same as any other notice of violation
or summons form already in use if said form meets the requirements here-
of. The notice of violation may include provisions to record information
which will facilitate the identification and location of respondents,
including but not limited to name, address, telephone numbers, date of
birth, social security number if otherwise permitted by law, place of
employment or school, and name and address of parents or guardian if a
minor. Notices of violation shall be issued only to persons who are
sixteen years of age or over, and shall be served by delivering the
notice within the state to the person to be served. A copy of each
notice of violation served hereunder shall be filed and retained by said
bureau, and shall be deemed a record kept in the ordinary course of
business, and, if sworn to or affirmed, shall be prima facie evidence of
the facts contained therein. Said notice of violation shall contain
information advising the person charged of the manner and the time with-
in which such person may either admit or deny the offense charged in the
notice. Such notice of violation shall also contain a warning to advise
the person charged that failure to plead in the manner and within the
time stated in the notice may result in a default decision and order
being entered against such person, and the imposition of supplemental
penalties as provided in subdivision five-a of section twelve hundred
four or subdivision four of section twelve hundred sixty-six of this
chapter. A notice of violation shall not be deemed to be a notice of
liability issued pursuant to section two thousand nine hundred eighty-
five of this chapter.

6. Defaults. Where a respondent has failed to plead to a notice of
violation or to a notice of liability issued pursuant to section two
thousand nine hundred eighty-five of this chapter within the time
allowed by the rules of said bureau or has failed to appear on a design-
ated hearing date or a subsequent date following an adjournment, such
failure to plead or appear shall be deemed, for all purposes, to be an
admission of liability and shall be grounds for rendering a default
decision and order imposing a penalty in such amount as may be
prescribed by the authority or the metropolitan transportation authority
or a subsidiary thereof.

7. Hearings. a. (1) A person charged with a transit or railroad
infraction returnable to the bureau or a person alleged to be liable in
accordance with the provisions of section two thousand nine hundred
eighty-five of this chapter who contests such allegation shall be
advised of the date on or by which [he or she] such person must appear
to answer the charge at a hearing. Notification of such hearing date
shall be given either in the notice of violation or in a form, the
content of which shall be prescribed by the executive director or in a
manner prescribed in section two thousand nine hundred eighty-five of
this chapter. Any such notification shall contain a warning to advise
the person charged that failure to appear on or by the date designated,
or any subsequent rescheduled or adjourned date, shall be deemed for all
purposes, an admission of liability, and that a default judgment may be
rendered and penalties may be imposed. Where notification is given in a
manner other than in the notice of violation, the bureau shall deliver
such notice to the person charged, either personally or by registered or
certified mail.

(2) Whenever a person charged with a transit or railroad infraction or
alleged to be liable in accordance with the provisions of section two
thousand nine hundred eighty-five of this chapter returnable to the
bureau requests an alternate hearing date and is not then in default as
defined in subdivision six of this section, the bureau shall advise such
person personally, or by registered or certified mail, of the alternate
hearing date on or by which [he or she] such person must appear to
answer the charge or allegation at a hearing. The form and content of
such notice of hearing shall be prescribed by the executive director,
and shall contain a warning to advise the person charged or alleged to
be liable that failure to appear on or by the alternate designated hear-
ing date, or any subsequent rescheduled or adjourned date, shall be
deemed for all purposes an admission of liability, and that a default
judgment may be rendered and penalties may be imposed.
(3) Whenever a person charged with a transit or railroad infraction or
alleged to be liable in accordance with the provisions of section two
thousand nine hundred eighty-five of this chapter returnable to the
bureau appears at a hearing and obtains an adjournment of the hearing
pursuant to the rules of the bureau, the bureau shall advise such person
personally, or by registered or certified mail, of the adjourned date on
which [he or she] such person must appear to answer the charge or alle-
gation at a continued hearing. The form and content of such notice of a
continued hearing shall be prescribed by the executive director, and
shall contain a warning to advise the person charged or alleged to be
liable that failure to appear on the adjourned hearing date shall be
deemed for all purposes an admission of liability, and that a default
judgment may be rendered and penalties may be imposed.

b. Every hearing for the adjudication of a charge of a transit or
railroad infraction or an allegation of liability under section two
thousand nine hundred eighty-five of this chapter hereunder shall be
held before a hearing officer in accordance with the rules and regu-
lations promulgated by the bureau.

c. The hearing officer shall not be bound by the rules of evidence in
the conduct of the hearing, except rules relating to privileged commu-
nications.

d. The hearing officer may, in [his or her] their discretion, or at
the request of the person charged or alleged to be liable on a showing
of good cause and need therefor, issue subpoenas to compel the appear-
ance of any person to give testimony, and issue subpoenas duces tecum to
compel the production for examination or introduction into evidence of
any book, paper or other thing relevant to the charges.

e. In the case of a refusal to obey a subpoena, the bureau may make
application to the supreme court pursuant to section twenty-three
hundred eight of the civil practice law and rules, for an order requir-
ing such appearance, testimony or production of materials.

f. The bureau shall make and maintain a sound recording or other
record of every hearing.

g. After due consideration of the evidence and arguments, the hearing
officer shall determine whether the charges or allegations have been
established. No charge may be established except upon proof by clear and
convincing evidence except allegations of civil liability for violations
of triborough bridge and tunnel authority rules and regulations will be
established in accordance with the provisions of section two thousand
nine hundred eighty-five of this chapter. Where the charges have not
been established, an order dismissing the charges or allegations shall
be entered. Where a determination is made that a charge or allegation
has been established or if an answer admitting the charge or allegation
has been received, the hearing officer shall set a penalty in accordance
with the penalty schedule established by the authority or the metropol-
itan transportation authority or its subsidiaries, or for allegations of
civil liability in accordance with the provisions of section two thou-
sand nine hundred eighty-five of this chapter and an appropriate order
shall be entered in the records of the bureau. The respondent shall be
given notice of such entry in person or by certified mail. This order
shall constitute the final determination of the hearing officer, and for
purposes of review it shall be deemed to incorporate any intermediate
determinations made by said officer in the course of the proceeding. When no appeal is filed this order shall be the final order of the bureau.

10. Funds. All penalties collected pursuant to the provisions of this section shall be paid to the authority to the credit of a transit crime fund which the authority shall establish. Any sums in this fund shall be used to pay for programs selected by the board of the metropolitan transportation authority, in its discretion, to reduce the incidence of crimes and infractions on transit and railroad facilities, or to improve the enforcement of laws against such crimes and infractions. Such funds shall be in addition to and not in substitution for any funds provided by the state or any political subdivision within the [city of New York] metropolitan commuter transportation district as established by section twelve hundred sixty-two of this article for such purposes.

11. Civil penalties relating to payment of transit fare violations. Civil penalties imposed by the bureau in connection with a violation by a respondent of the rules of the authority or the MTA bus company relating to the payment of fares shall adhere to the following conditions:

a. A violation that is the first such violation by a respondent committed in any four year period shall, absent exceptional circumstances including a concurrent violation or violations by such individual of the penal law or the rules of conduct of the New York city transit authority or the MTA bus company which causes or may tend to cause harm to oneself or to any other person, or to the safe operation of the transit system, be punishable only by an official written warning issued according to and governed by the rules of the authority in all respects; provided that such warning shall not be used for any purpose other than as a predicate to the imposition by the transit adjudication bureau of a civil penalty on such respondent pursuant to this subdivision in the event of a subsequent violation, and provided further that such information shall not be open to the public, nor subject to civil or criminal process or discovery, nor used by any court or administrative or adjudicatory body in any action or proceeding therein except that which is necessary for the adjudication of the notice of violation pursuant to this subdivision or for inspection and copying and use by the respondent.

b. A penalty for a violation that is the second such violation by a respondent committed in any four year period shall not exceed one hundred dollars (exclusive of supplemental penalties, interest or costs assessed thereon). Upon payment by such respondent of the penalty in full by the date due for such payment, absent exceptional circumstances as set forth in paragraph a of this subdivision, the bureau shall issue a farecard to the respondent for use on transit facilities in an amount not to exceed one-half of the penalty amount.

c. A penalty for a violation that is the third or subsequent such violation by a respondent committed in any four year period shall not exceed one hundred fifty dollars (exclusive of supplemental penalties, interest or costs assessed thereon).

d. In the case of a violation by a respondent who at the time of such violation is enrolled in the fair fares program administered by the city of New York and provides to the bureau proof of such enrollment, the penalty amount for such violation shall not exceed fifty percent of the penalty amount applicable to such violation pursuant to the schedule of such penalties as may from time to time be established by rules of the authority in accordance with paragraphs a through c of this subdivision.
(exclusive of supplemental penalties, interest or costs assessed thereon).

e. Notwithstanding paragraphs a through d of this subdivision, the
bureau shall forgive penalties or any portion of penalties imposed on a
respondent for a violation of the rules of the authority or of the MTA
bus company relating to the payment of fares on the condition that the
respondent enrolls in the fair fares program administered by the city of
New York and provides to the bureau proof of such enrollment.

12. Civil penalties relating to payment of railroad fare violations.
Civil penalties imposed by the bureau in connection with a violation by
a respondent of the rules of the authority or the metropolitan transpor-
tation authority or any of its subsidiaries relating to the payment of
fares to the Metro-North railroad and Long Island railroad shall adhere
to the following conditions:

a. In the case of a violation by a respondent who at the time of such
violation is enrolled in the fair fares program administered by the city
of New York and provides to the bureau proof of such enrollment, the
penalty amount for such violation shall not exceed fifty percent of the
penalty amount applicable to such violation pursuant to the schedule of
such penalties as may from time to time be established by rules of the
authority or metropolitan transportation authority or any of its subsid-
aries.

b. Notwithstanding the rules of the authority or the metropolitan
transportation authority or any of its subsidiaries, the bureau shall
forgive penalties or any portion of penalties imposed on a respondent
for a violation of the rules of the authority or of the metropolitan
transportation authority or any of its subsidiaries relating to the
payment of fares to the Metro-North railroad or Long Island railroad on
the condition that the respondent enrolls in the fair fares program
administered by the city of New York and provides to the bureau proof of
such enrollment.

13. Reporting. Within two years of the effective date of this subdivi-
sion, the metropolitan transportation authority shall begin publishing
through the open data website established under section twelve hundred
seventy-nine-i of this article, data regarding fare evasion infractions
adjudicated by the bureau, including without limitation the number of
transit and railroad infractions issued by location including, to the
extent ascertainable, the subway stop, bus route and/or stop if applica-
ble, the number and percentage of transit or railroad infractions for
which a written warning was issued broken down by location including, to
the extent ascertainable, the subway stop, bus route and/or stop if
applicable, the date and time of day of each infraction, the number and
percentage of transit and railroad infractions issued wherein the
infraction was a second or subsequent infraction alleged against the
respondent, and such other information as the authority or bureau deem
appropriate. No identifiable information about individual violations
shall be published in such reporting.

§ 3. Subdivision 4 of section 1266 of the public authorities law, as
amended by chapter 460 of the laws of 2015, is amended to read as
follows:

4. The authority may establish and, in the case of joint service
arrangements, join with others in the establishment of such schedules
and standards of operations and such other rules and regulations includ-
ing but not limited to rules and regulations governing the conduct and
safety of the public as it may deem necessary, convenient or desirable
for the use and operation of any transportation facility and related
services operated by the authority or under contract, lease or other arrangement, including joint service arrangements, with the authority. Such rules and regulations governing the conduct and safety of the public shall be filed with the department of state in the manner provided by section one hundred two of the executive law. In the case of any conflict between any such rule or regulation of the authority governing the conduct or the safety of the public and any local law, ordinance, rule or regulation, such rule or regulation of the authority shall prevail. Violation of any such rule or regulation of the authority or any of its subsidiaries governing the conduct or the safety of the public in or upon any facility of the authority or any of its subsidiaries shall constitute an offense and shall be punishable by a fine not exceeding fifty dollars or imprisonment for not more than thirty days or both or may be punishable by the imposition of a civil penalty by the transit adjudication bureau established pursuant to the provisions of title nine of this article, except that civil penalties relating to the payment of fares may be punishable by the imposition of a civil penalty not to exceed one hundred fifty dollars, provided that civil penalties relating to the payment of fares to the MTA bus company and the Metro-North railroad and Long Island rail road shall be in accordance with the conditions set forth in subdivisions eleven and twelve of section twelve hundred nine-a of this article, as applicable.

§ 4. The metropolitan transportation authority shall issue findings and a report on the effects of fare evasion on the authority, its subsidiaries and affiliates, including information about the quality of the bureau's adjudication process and recommendations for improvement of that process. Such report shall be published and delivered to the governor, temporary president of the senate, and the speaker of the assembly by January 1, 2028.

§ 5. This act shall take effect January 1, 2025. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

PART VV

Section 1. Study. The office of children and family services shall, within eighteen months from the effective date of this act, conduct and complete a study to evaluate the feasibility of providing after school programming during the academic year to every school-aged child in New York. Such study shall examine, at a minimum, the following:
(a) the costs of implementing an after school program, including but not limited to programming, facility, transportation, labor, and security costs. The study shall also examine the cost burdens borne by families, municipalities, New York state, and the federal government, and how those costs might more effectively be shared in a universal program;
(b) per-child pay rates for current after school providers;
(c) to the extent practicable, current accessibility to subsidized after school programming during the academic year;
(d) opportunities for inter- and intra-agency collaboration in delivering after school programming, including but not limited to opportunities for the department of education, division of criminal justice services, local youth bureaus, and provider agencies to share resources, best practices, and relevant information to deliver effective after school programming; and
(e) any other relevant topic areas deemed necessary to assist in
delivering after school programming in New York state.

§ 2. Report. No later than ninety days after such study has been
completed pursuant to section one of this act, the office of children
and family services shall complete a report based on such study on the
feasibility and costs to implement an after school program for every
school-aged child within the state of New York, and shall deliver such
report to the governor, the temporary president of the senate, and the
speaker of the assembly. The commissioner of the office of children and
family services may acquire directly from the head of any department,
agency, or instrumentality of the state any available non-identifying

duties under this section and such departments, agencies, or instrumen-

such information and shall furnish all information requested by the
office to the extent permitted by law.

§ 3. This act shall take effect immediately.

PART WW

Section 1. This Part enacts into law components of legislation relat-
ing to toll enforcement. Each component is wholly contained within a
Subpart identified as Subparts A through B. The effective date for each
particular provision contained within such Subpart is set forth in the
last section of such Subpart. Any provision in any section contained

[artificial or synthetic] material or substance that conceals or
obscures such number plates or that distorts a recorded or photographic
image of such number plates.
(ii-a) Number plates shall not be covered by glass or any plastic
material, nor shall they be covered with a material appearing to be a
number plate for display as proof of lawful registration but which has
not been lawfully issued by the commissioner, the commissioner’s agent,

lawful registration but which has not been lawfully issued by the
commissioner, the commissioner's agent, or the equivalent official or

four hundred two of this article, such officer shall issue a

within a period of five years of a violation of subparagraph (ii),
(ii-a) or (iii) of paragraph (b) of subdivision one of section four
hundred two of this chapter not arising out of the same incident, the
commissioner or the commissioner's agent may suspend the registration of
the motor vehicle involved in such violation for a period of ninety
days. The commissioner may, in the commissioner's discretion, deny a
registration or renewal application to any other person for the same
vehicle and may deny a registration or renewal application for any other
motor vehicle registered in the name of the applicant where the commis-
sioner has determined that such registrant's intent has been to evade
the purposes of this paragraph and where the commissioner has reasonable
grounds to believe that such registration or renewal will have the
effect of defeating the purposes of this paragraph. Such denial shall
remain in effect only as long as the suspension entered pursuant to this
paragraph remains in effect.

(b) Upon receipt of notification from a court or an administrative
tribunal that an owner of a motor vehicle has failed to comply with
paragraph (b) or (c) of subdivision eight of section four hundred two of

remain in effect only as long as the suspension entered pursuant to this
paragraph remains in effect.

§ 6. Subdivision 8 of section 2985 of the public authorities law, as
added by chapter 379 of the laws of 1992, is amended to read as follows:

8. (a) Adjudication of the liability imposed upon owners by this
section shall be by the entity having jurisdiction over violations of
the rules and regulations of the public authority serving the notice of
liability or where authorized by an administrative tribunal and all
violations shall be heard and determined in the county in which the
violation is alleged to have occurred, or in New York city and upon the
consent of both parties, in any county within New York city in which the
public authority operates or maintains a facility, and in the same
manner as charges of other regulatory violations of such public authori-
ty or pursuant to the rules and regulations of such administrative
tribunal as the case may be.

(b) Upon exhaustion of remedies pursuant to this section or section
twenty-nine hundred eighty-five-a of this title, as applicable, the New
York state bridge authority, thruway authority, triborough bridge and

compact set forth in chapter one hundred fifty-four of the laws of nine-

unpaid liabilities, provided that such unpaid liabilities include the
failure to pay tolls, fees, or other charges or the failure to have such
tolls, fees or other charges dismissed or transferred in response to
three or more notices of violation issued within a five year period
charging the registrant of a motor vehicle with a violation of toll
collection regulations, and to enforce such judgments, without court
proceedings, in the same manner as the enforcement of money judgments in
civil actions in any court of competent jurisdiction or any other place
provided for the entry of civil judgment within the state of New York,
after a period of notice pursuant to paragraph (c) of this subdivision.
The applicable tolling authority shall not enforce such judgments until
thirty days have elapsed from issuing a notice pursuant to paragraph (c)
of this subdivision.

(c) Prior to entering judgments for unpaid liabilities pursuant to
paragraph (b) of this subdivision, the applicable tolling authority
shall notify the person subject to such judgment, by first class mail,
that such person is at risk of entry of a judgment against them if they
fail to pay such unpaid liabilities. The form and content of such notice
shall be prescribed by the applicable tolling authority, and shall
contain a warning to advise the person that failure to pay the applica-
tble unpaid liabilities within a period of not less than thirty days of
such notice will result in the enforcement of a judgment against them,
and shall further contain information about the process to dispute such
liabilities, consistent with this section or section twenty-nine hundred
eighty-five-a of this title, as applicable.

§ 7. This act shall take effect September 1, 2024; provided, however,
that the provisions of sections one, two, three, four and five of this
act shall apply to violations committed on and after such date. Effec-
tive immediately, the addition, amendment and/or repeal of any rule or
regulation necessary for the implementation of this act on its effective
date are authorized to be made on or before such date.

SUBPART B

Section 1. This act shall be known and may be cited as the "toll by
mail enhancement act".

§ 2. The public authorities law is amended by adding a new section
2985-a to read as follows:

§ 2985-a. Payment of tolls under the tolls by mail program. 1. This
section shall not apply to the payment of tolls by means of an electron-
ic toll device that transmits information through an electronic toll
collection system as defined in subdivision twelve of section twenty-
ine hundred eighty-five of this title.

2. For purposes of this section, the following terms shall have the
following meanings:
(a) "Cashless tolling facility" shall mean a toll roadway, bridge or
tunnel facility that does not provide for the immediate on-site payment
in cash of a toll owed for the use of such facility.
(b) "Owner" shall mean any person, corporation, partnership, firm,
agency, association, lessor or organization who, at the time of incur-
ing an obligation to pay a toll at a cashless tolling facility, and
with respect to the vehicle identified in the toll bill or notice of
violation: (i) is the beneficial or equitable owner of such vehicle; or
(ii) has title to such vehicle; or (iii) is the registrant or co-regis-
trant of such vehicle which is registered with the department of motor
vehicles of this state or any other state, territory, district, prov-
ine, nation or other jurisdiction; or (iv) subject to the limitations
set forth in subdivision ten of section twenty-nine hundred eighty-five
of this title, uses such vehicle in its vehicle renting and/or leasing
business; or (v) is a person entitled to the use and possession of a
vehicle subject to a security interest in another person.
(c) "Toll bill" shall mean a notice sent to an owner notifying such
owner that the owner's vehicle has been used or operated in or upon a
cashless tolling facility and the owner has incurred an obligation to
pay a toll.
(d) "Notice of violation" shall mean a notice sent to an owner notify-
ing such owner that a toll incurred at a cashless tolling facility by
the owner has not been paid at the place and time and in the manner
established for collection of such toll in the toll bill and that an
administrative violation fee is being imposed for each such unpaid toll.
(e) "Billing cycle" shall mean a period not to exceed thirty calendar
days once tolls have posted for purposes of consolidated toll billing.
(f) "Initial billing cycle" shall mean a period not to exceed fifteen
business days after identifying the owner or other party responsible for
paying the toll for the purpose of consolidated toll billing for an
obligation to pay a toll bill for the first time at a cashless tolling
facility in a six-month period.
(g) "Tolls by mail program" shall mean any program operated by or on
behalf of a public authority to send a toll bill to an owner whose vehi-
cle crosses a cashless tolling facility without a valid electronic
device that successfully transmits information through an electronic
toll collection system as defined in subdivision twelve of section twen-
ty-nine hundred eighty-five of this title.
(h) "Declaration of dispute" shall mean a submission by an owner
disputing all or any portion of a toll, fee, penalty, or other obli-
gation incurred by an owner whose vehicle crosses a cashless tolling
facility, in such form as the public authority shall provide in regu-
lations and through display on the authority's website.
3. In the case of an owner who incurs an obligation to pay a toll for
the first time in six months under the tolls by mail program at a cash-
less tolling facility, a toll bill shall be sent within ten business
days after the end of the initial billing cycle and of each subsequent
billing cycle. In the case of all other owners incurring an obligation
to pay a toll at a cashless tolling facility, a toll bill shall be sent
at the end of the next billing cycle. Toll bills shall be sent to the
owner by first class mail, and may additionally be sent by electronic
means of communication upon the affirmative consent of the owner, by or
on behalf of the public authority which operates such cashless tolling
facility. The owner shall have thirty days from the date of the toll
bill to pay the incurred toll. The toll bill shall include: (i) the
total amount of the incurred tolls due, (ii) the date by which payment
of the incurred tolls is due, (iii) any administrative fees, (iv) the address for receipt of payment and methods of payment for the toll, (v) the procedure for contesting any toll and the contact information for the relevant toll payer advocate office and customer service center, (vi) information related to the failure to timely pay or respond to the notice of liability, in addition to the possibility that a judgment can be entered for repeat unpaid liabilities that could lead to a vehicle being towed or immobilized, (vii) a website address or hyperlink for the owner to access time-stamped photographs or footage of each toll incurred by electronic means, (viii) information related to the availability of the toll payer advocate to discuss payment options, and (ix) other information required by law or by the public authority. Each toll bill shall identify the date, time, location, license plate number, and jurisdiction of the license plate for each toll that has been incurred. Each toll bill shall include an image of the license plate of the vehicle being used or operated on the toll facility. If the owner fails to pay the initial toll bill, a second toll bill shall be sent in the next billing cycle, which shall also indicate the overdue toll or tolls and any administrative or late fees due.

4. In the case of an owner who does not pay a toll incurred under the tolls by mail program on a cashless facility at the place and time and in the manner established for collection of such toll in the second toll bill, a notice of violation shall be sent notifying the owner that the toll is unpaid and administrative violation fees are being imposed. The notice of violation shall be sent to the owner by first class mail, and may additionally be sent by electronic means of communication upon the affirmative consent of the owner, by or on behalf of the public authority which operates such cashless tolling facility. The notice of violation shall include: (i) the total amount of unpaid tolls and administrative violation fees due, (ii) the date by which payment of the tolls and administrative violation fees is due, (iii) the address for receipt of payment and methods of payment for the toll, (iv) the procedure for contesting any toll and the contact information for the relevant toll payer advocate office and customer service center, (v) information related to the failure to timely pay or respond to the notice of liability, in addition to the possibility that a judgment can be entered for repeat unpaid liabilities that could lead to a vehicle being towed or immobilized, (vi) a website address or hyperlink for the owner to access time-stamped photographs or footage of each toll incurred by electronic means, (vii) information related to the availability of the toll payer advocate to discuss payment options, and (viii) other information required by law or by the public authority. Each notice of violation shall identify the date, time, location, license plate number, and jurisdiction of the license plate for each unpaid toll that has been incurred.

5. Any fee or administrative violation fee that is assessed on a notice of violation pursuant to subdivision four of this section shall be dismissed if the notice of violation was not sent within ninety days of the second toll bill, provided that any toll or tolls incurred remain due and payable and provided further that such dismissal shall not apply in the event that exceptional circumstances, including but not limited to technological failures, have delayed the timely mailing of the notice of violation and the public authority has posted notice of such circumstances prominently on its website within a reasonable time of becoming aware of such circumstances, which shall be adequate record of such circumstances.
6. Any toll bill or notice of violation required to be sent pursuant to this section by first class mail may also be sent, with consent of the owner, by electronic means of communication by or on behalf of the public authority. It shall be the sole responsibility of the owner to provide and update the address used for electronic means of communication to the owner by the public authority. A manual or automatic record of electronic communications prepared in the ordinary course of business shall be adequate record of electronic notice.

7. Any owner who incurs an obligation to pay a toll under the tolls by mail program at a public authority's cashless tolling facility shall have an option to receive alerts by electronic means of communication that a toll has been incurred. Such alerts shall be provided to the owner who has elected to receive such alerts no more than seventy-two hours after the owner is identified. Each public authority shall create an online registration for an electronic means of communication alert that a toll has been incurred under the tolls by mail program at a cashless tolling facility. In the event an owner chooses to receive an electronic means of communication alert of a toll incurred, it shall be the owner's sole responsibility to provide and update any mobile numbers, electronic mail addresses, or any other addresses used for electronic means of communication to which alerts are sent. A manual or automatic record of electronic communications prepared in the ordinary course of business shall be adequate record of electronic notice.

8. If an owner receives a notice of violation pursuant to this section for any time period during which the vehicle was reported to the police department as having been stolen, it shall be a valid defense to an allegation of liability for a violation of toll collection regulations that the vehicle had been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time. If an owner receives a notice of violation pursuant to this section for any time period during which the vehicle was stolen, but not as yet reported to the police as having been stolen, it shall be a valid defense to an allegation of liability for a violation of toll collection regulations pursuant to this section that the vehicle was reported as stolen within two hours after the discovery of the theft by the owner. For purposes of asserting the defense provided by this subdivision it shall be sufficient that a certified copy of the police report on the stolen vehicle be sent by first class mail to the court or other entity having jurisdiction.

9. An owner who is a lessor of a vehicle to which a notice of violation was issued pursuant to subdivision four of this section shall not be liable for the violation of the toll collection regulations provided the owner sends to the public authority serving the notice of violation and to the court or other entity having jurisdiction a copy of the rental, lease or other such contract document covering such vehicle on the date of the violation, with the name and address of the lessee clearly legible, within thirty days after receiving the original notice of violation. Failure to send such information within such thirty-day time period shall render the lessor liable for the penalty prescribed by this section. Where the lessor complies with the provisions of this subdivision, the lessee of such vehicle on the date of such violation shall be deemed to be the owner of such vehicle for purposes of this section and shall be subject to liability for the violation of the toll collection regulations, provided that the public authority mails a notice of violation to the lessee within ten business days after the public authority deems the lessee to be the owner. For purposes of this
subdivision the term "lessor" shall mean any person, corporation, firm, partnership, agency, association or organization engaged in the business of renting or leasing vehicles to any lessee under a rental agreement, lease or otherwise wherein the said lessee has the exclusive use of said vehicle for any period of time. For purposes of this subdivision, the term "lessee" shall mean any person, corporation, firm, partnership, agency, association or organization that rents, leases or contracts for the use of one or more vehicles and has exclusive use thereof for any period of time.

10. Except as provided in subdivision nine of this section, if a person receives a notice of violation pursuant to this section it shall be a valid defense to an allegation of liability for a violation of toll collection regulations that the individual who received the notice of violation pursuant to this section was not the owner of the vehicle at the time the violation occurred. If the owner liable for a violation of toll collection regulations pursuant to this section was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator.

11. Any public authority that operates a cashless tolling facility shall: (i) maintain a website and toll-free phone number for any person to receive updated information on any tolls or fees which are outstanding; and (ii) establish procedures for owners to dispute any tolls and violation fees incurred in connection with toll bills, including a requirement that written determinations in such disputes shall be issued within forty-five days of receipt of the owner's declaration of dispute. Such information shall be prominently displayed on such public authority's toll bills, notices of violation and website.

12. Every public authority that operates a cashless tolling facility shall develop policies and procedures for the establishment on a case-by-case basis of a written payment plan agreement for an owner's unpaid tolls and administrative violation fees incurred at a cashless tolling facility, subject to the availability of sufficient resources for the public authority to administer such payment plans. Information related to payment plans shall be made available upon the owner's request to the public authority's customer service center. The public authority shall not charge any additional amount or fee for enrollment in a payment plan agreement. Owners shall fully comply with all payment plan agreement terms and conditions and shall be subject to payment plan agreement default provisions.

13. Every public authority that operates a cashless tolling facility shall establish an office of such authority's toll payer advocate, designed to further assist owners who remain unsatisfied after first attempting resolution in writing of their concern with, and receiving written determination from, such authority's customer service center. The office of the toll payer advocate shall also endeavor to identify any systemic issues and recommend reasonable improvements regarding the use of and process involved with the payment of tolls under the tolls by mail program at cashless tolling facilities to the public authority.

14. A public authority that operates a cashless tolling facility, including the officers, employees, contractors and agents of such public authority, shall not report to a consumer reporting agency, as defined in 15 U.S.C. § 1681a, any toll, fee, penalty or other obligation incurred by an owner related to use of a cashless tolling facility.

15. Nothing in this section shall prohibit a public authority from collecting any toll or fee in the event that an owner does not properly register a vehicle pursuant to the laws, rules and regulations of this
state, or any other state, territory, district, province, nation or other jurisdiction.

16. Nothing in this section shall require a public authority to perform any action or forbear from performing any action that would impair any covenant with the holders of any of the public authority's bonds, notes or other obligations.

§ 3. No later than 90 days after the effective date of this act, every public authority that operates a cashless tolling facility shall undertake a public awareness campaign to educate motorists regarding the tolls by mail program, their right to access the office of the relevant toll payer advocate and information related to the ability of that office to discuss payment options, the importance of updating their license and vehicle registration information with the department of motor vehicles, the potential consequences for failure to pay tolls or respond to toll bills, of the benefits of becoming an E-ZPass customer and opportunities available to monitor tolls by mail balances, and potential options for unbanked individuals and individuals who do not have a credit card to obtain an E-ZPass. The outreach campaign may include, among other materials, print, electronic and mobile cellular technology resources, and may be made publicly available via public authority-sponsored communication methods.

§ 4. This act shall take effect September 1, 2024. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made on or before such date. With respect to the Port Authority of New York and New Jersey, this act shall take effect upon the enactment into law by the state of New Jersey of legislation having an identical effect with this act upon the Port Authority of New York and New Jersey; but if the state of New Jersey shall have already enacted such legislation, this act shall take effect immediately; provided, that the chair of the port authority shall notify the legislative bill drafting commission upon the occurrence of the enactment of the legislation provided for in section two of this act in order that the commission may maintain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law.

§ 2. Severability clause. If any clause, sentence, paragraph, subdivision, section, or subpart of this part shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder of that subpart or this part, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or subpart directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this part and each subpart herein would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect immediately; provided, however, that the applicable effective dates of Subparts A through B of this act shall be as specifically set forth in the last section of such Subparts.

Provided, however, in the event the total amount of city funds relied upon to balance such budget is lower than the total amount of city funds appropriated in the base year, determined at the time of adoption of
such budget pursuant to a process developed by the department in consulta-
tion with the city of New York and the labor organization representing
teachers that identifies a methodology for the allocation of appropri-
ations between fiscal years and prescribes a form upon the approval of
the director of budget for the certifications required by this subdivi-

subdivision two of section two hundred eleven-d of this chapter. If a
budget is adopted pursuant to section two hundred fifty-four of the New
York city charter or certified pursuant to section two hundred fifty-six
of such charter in violation of this paragraph, the council shall have
sixty days to adopt a budget compliant with this paragraph and have such
budget certified in accordance with the provisions of this paragraph.
Should the budget not be adopted and certified within sixty days, the
amount by which the budget is non-compliant shall be withheld from the
foundation aid allotment until such time as the budget is certified as

§ 5. Subdivision 6 of section 211-d of the education law, as added by

funding provided under this section is utilized for a budget that would
begin July first, two thousand twenty-five and after. Except in a city
of one million or more, the school district audit report certified to
the commissioner by an independent certified public accountant[,] or an
independent accountant [or the comptroller of the city of New York]
pursuant to section twenty-one hundred sixteen-a of this chapter shall
include a certification by such accountant [or comptroller] in a form
prescribed by the commissioner [and that the increases in total founda-

used to supplement, and not supplant funds allocated by the district in
the base year for such purposes] of compliance with the first sentence
of this subdivision.
(b) Within ten days of adoption of a budget by the city of New York,
an independent certified public accountant, or an independent accountant
or the comptroller of such city shall certify in a form prescribed by
the commissioner that (i) an audit by such office has confirmed that
increases in total foundation aid and supplemental improvement grants in
the base year were used to supplement, and not supplant funds allocated
by the district in the previous year and (ii) in the adopted budget,
increases in total foundation aid and supplemental improvement grants
supplement, not supplant funds allocated by the district in the base
year for such purposes.

Upon a determination that either (i) increases in total foundation aid
and supplemental improvement grants in the base year were used to
supplant funds allocated by the district, or (ii) increases in total
foundation aid and supplemental improvement grants as appropriated will
supplant funds allocated by the district in the base year, the district
shall be ordered to restore funds in such amounts as to eliminate the
violation.

§ 3. The tax law is amended by adding a new section 49 to read as follows:

§ 49. Newspaper and broadcast media jobs tax credit. (a) Allowance of credit. A taxpayer subject to tax under article nine-A or twenty-two of this chapter shall be allowed a credit against such tax, pursuant to the provisions referenced in subdivision (e) of this section. The amount of the credit is equal to the amount determined pursuant to article twenty-seven of the economic development law. A taxpayer that is a partner in a partnership, member of a limited liability company or shareholder in a subchapter S corporation shall be allowed its pro-rata share of the credit allowed for the partnership, limited liability company or subchapter S corporation. No cost or expense paid or incurred that is included as part of the calculation of this credit shall be the basis of any other tax credit allowed under this chapter.

(b) Eligibility. To be eligible to claim the newspaper and broadcast media jobs tax credit the taxpayer shall have been issued a certificate of tax credit by the department of economic development pursuant to article twenty-seven of the economic development law, which certificate shall set forth the amount of the credit that may be claimed for the taxable year. The taxpayer shall be allowed to claim only the amount listed on the certificate of tax credit for that taxable year.

(c) Tax return requirement. The taxpayer shall be required to attach to its tax return, in the form prescribed by the commissioner, proof of receipt of its certificate of tax credit issued by the commissioner of the department of economic development.

(d) Credit recapture. If a certificate of tax credit issued by the department of economic development under article twenty-seven of the economic development law is revoked by such department, the amount of credit described in this section and claimed by the taxpayer prior to that revocation shall be added back to tax in the taxable year in which any such revocation becomes final.

(e) Cross references. For application of the credit provided in this section see the following provisions of this chapter:

(1) article 9-A: section 210-B, subdivision 60.

(2) article 22: section 606, subsection (ppp).

§ 4. Section 210-B of the tax law is amended by adding a new subdivision 60 to read as follows:

60. Newspaper and broadcast media jobs tax credit. (a) Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in section forty-nine of this chapter, against the taxes imposed by this article.

(b) Application of credit. The credit allowed under this subdivision for the taxable year shall not reduce the tax due for such year to less
than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of credit allowable under this subdivision for the taxable year reduces the tax on such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit thus not deductible in such taxable year shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest will be paid thereon.

§ 5. Section 606 of the tax law is amended by adding a new subsection (ppp) to read as follows:

(ppp) Newspaper and broadcast media jobs tax credit. (1) Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in section forty-nine of this chapter, against the tax imposed by this article.

(2) Application of credit. If the amount of the credit allowed under this subsection for the taxable year exceeds the taxpayer's tax for such year, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section six hundred eighty-six of this article, provided, however, that no interest will be paid thereon.

§ 6. Subparagraph (B) of paragraph 1 of subsection (i) of section 606 of the tax law is amended by adding a new clause (li) to read as follows:
