

## Accountable to YOU!

I know how hard you work to be able to live in Nassau County. I live here too and am working hard to maintain this area as a great place to call home, work and raise a family.

I want to share my priorities as your Assemblyman:

1. **Control taxes and spending so homeowners and businesses can afford to remain here.**
2. **Make sure our schools receive their fair share of state aid.**
3. **Remain accessible at all times.**

**I'd like to hear from you!**

Let me know what's on your mind...
