

Assemblywoman Michaëlle Solages

Superstorm Sandy Outreach Event

Saturday, March 23, 2013

Assemblywoman Michaelle Solages is holding a recovery event for residents affected by Superstorm Sandy.

Representatives from the U.S. Small Business Administration and FEMA are scheduled to attend to provide assistance.

New York State Assemblywoman Michaelle C. Solages, Federal Emergency Management Agency (FEMA), the U.S. Small Business Administration (SBA), and Project HOPE will be holding a recovery information event for survivors of Superstorm Sandy on **Saturday, March 23, 2013.**

The event will provide those individuals who were affected by Superstorm Sandy with the opportunity to learn more about available resources. Homeowners will receive information regarding the loan application process for disaster assistance. **The application deadline to apply for property damage loans has been extended for the State of New York to March 29, 2013.**

For more information, please contact SBA representative Barbara Whiting at (631) 454-0759 or Assemblywoman Michaelle Solages at (518) 455-4465.
