

# New York State Assembly Weekly Report

From Assistant Speaker

# FELIX W. ORTIZ

## OCTOBER 24, 2016

Community Board 10 met last week. We have several community boards in the district and each has different perspectives and priorities. Recent crimes in Bay Ridge and how the NYPD is dealing with them is a priority for me.

Military issues are important to me as a veteran. The Fort Hamilton Garrison Army Base is nearby and I try to visit often to learn about current military needs and the work of our service people.

I joined with former Congresswoman Gabby Giffords and national "Vocal Majority Tour" at City Hall in Manhattan. Along with federal, state, and city elected officials, we urged New Yorkers to make gun violence prevention a key issue and to fight for laws and policies that will keep New Yorkers and all Americans safe.

The International Cultural Exchange Platform is a great organization in Sunset Park.

Informing community members about administrative law court at an event presented by my office and between CPC and the Office Administration of Trial and Hearings at the Sunset Park Recreation Center.
