Great to be with my old friends Allan Lubin, Tom Murphy and Congressman Adriano Espaillat at the NY United Teachers Federation lunch. Protecting labor and protecting teachers.

CWA members and I discussed state telecommunications policy, including mandating reinvestment in the deteriorating copper network, expanding broadband and protecting call center jobs. Safe Nurse to Patient Staffing Ratios must ensure that patients get the high-quality care that they need. We must not take any more jobs away from our hardworking New Yorkers!

I participated in the Healthy Kids' Lobby Day. Toxic chemicals in children's products are unacceptable!

Tenants deserve protection! I participated in the discussion of Loft Laws to make sure New Yorkers pay fair rent.

New DesignBuild strategies will improve traffic flow in Brooklyn.

After years of fighting for better access to transportation for Red Hook, Bay Ridge and Sunset Park, I stand together with the leaders of Red Hook and the Mayor to announce the launch of the South Brooklyn Route for NYC Ferry. Fully updated June schedules for the South Brooklyn, Rockaway, and East River routes can be found at: [New York NYC Ferry Routes & Schedules](#)

Standing up for a fair work week and fair scheduling for workers with RWDSU.
