We are one step closer to retraining police officers every two years with CPR skills in our state. Public safety is my number one priority. Requiring law enforcement to receive regular CPR training will save lives.

My bill to require that all employees of programs and organizations' providing care to runaway and/or homeless youth complete training providing instruction in issues pertaining to lesbian, gay, bisexual, and trans-gender youth passed last week in Albany.

Thanks to Mr. Martinez for his services and thanks to the Assembly for passing safety partitions legislation to protect our bus drivers.

Thanks to the Governor and Mayor for their partnership with DOHS and the NYSDOT to clean up the homeless situation at 64th Street and 4th Ave. This partnership helped transition the individuals living under the BOE to shelters and receive physical and mental health assessments. Thanks to the 64th Street Garden for bringing this issues to my attention.

Supporting the New York Bricklayers Union.

With TWU100 to discuss Tier6 backpay and pensions.
