Standing Up For What's Right

“When Gov. Cuomo and the Assembly Majority tried to spend your hard-earned tax dollars on services that would encourage illegal immigration and shield lawbreakers from consequences, I said “NO”.

— Assemblyman Kevin Byrne

- Opposed making New York a ‘Sanctuary State’ for illegal immigrants. (A.3049-B)
- Opposes granting illegal immigrants taxpayer-funded government issued IDs, including driver’s licenses.
- Opposed the “DREAM Act”, which would allow illegal immigrants to qualify for in-state college tuition assistance. (A.3039)
- Opposed additional “sanctuary city” laws that would lessen sentences for convicted criminals to delay or prevent federal deportation proceedings. (A.4881)
- Co-sponsored measures to eliminate sanctuary cities and require all local governments to comply with federal immigration laws. (A.2872-A)

“My heritage proudly includes immigrants from Ireland, Germany, and England. Diversity is an American strength when immigration is legal. We are a nation of immigrants, but we are also a nation of laws. As a Legislature, our priority should be to better serve our citizenry and support those who obey the laws of our nation and our state.”
