

# Constituent Questionnaire

(Room for two respondents)

1. As some other states have done, should New York adopt early voting for general elections in November instead of having only one day to vote?

Yes  No

Yes  No

2. Should people be allowed to vote by absentee ballot even if they may not be out of the area on election day?

Yes  No

Yes  No

3. Should a non-partisan commission be established in New York to redraw state legislative districts after the next census is completed?

Yes  No

Yes  No

4. Should New York join other states in calling for a presidential election by popular vote rather than by vote of the electoral college?

Yes  No

Yes  No

5. Should we require political robo-callers to allow the telephone recipient to be removed from their list so they can avoid receiving future calls?

Yes  No

Yes  No

6. Should we establish two to three days in a calendar year when all voting in communities would take place, including elections for political office or local building projects?

Yes  No

Yes  No

7. Should we make it easier for citizens wishing to dissolve government-created districts, fire districts, or special districts to do so?

Yes  No

Yes  No

8. Should we empower the NY State Education Commissioner to order the consolidation of school districts when the Commissioner deems it prudent to do so?

Yes  No

Yes  No

9. Should we require that all governments and school districts make tentative collective bargaining agreements available to the public at least two weeks prior to the agreement being ratified by either side?

Yes  No

Yes  No

10. Should drivers under 18 years of age be banned from using any handheld or hands free electronic devices, such as cell phones, PDAs, iPods or GPS devices, while driving?

Yes  No

Yes  No

As you know, we will have to make major cuts in the 2009-2010 State budget. If you have any ideas for areas we should consider for cost reductions, please share them with me below, as well as any other issues that are important to you which the state should address. Please include your e-mail address to stay informed.
