Assemblywoman  
**Carrie Woerner**

wants to hear  
from you

Dear friend,

Our communities are rich with history, tradition and culture, and as your Assemblywoman, I've worked hard to develop meaningful policies focused on preserving our quality of life in Saratoga and Washington counties. I'm proud to report that, together, we've made tremendous progress in building a brighter future for our region.

As we look toward the 2016 legislative session, **I will continue the fight to fully repeal the Gap Elimination Adjustment (GEA)** and ensure the voices of our teachers and students are heard when it comes to the future of education in New York State. I'll also keep working with local businesses, farms and nonprofits to **improve our business climate**, grow vital industries and create good-paying jobs that **help make life more affordable** for hardworking families.

I look forward to hearing from you so I can better understand and address the issues that matter most to you. As always, my door is open. Should you have any questions, concerns or feedback on any community issue, please don't hesitate to contact me.

With warm regards,

Carrie Woerner  
Member of Assembly
