"A brighter future for our children begins with good public schools. I continue to fight for more investment in education in order to put more students on the path to success."

– Assemblyman William B. Magnarelli

Assemblyman Magnarelli is fighting for a quality education for Town of Van Buren students

State budget invests \$25.7 billion in education to help children reach their full potential:

- ✓ Almost \$43 million for the Baldwinsville Central School District – a 4.41% increase from 2016.
- ✓ \$16 million for the Jordan-Elbridge Central School District - a 2.45% increase from 2016.
- ✓ Full repeal of the Gap Elimination Adjustment (GEA) to restore funding and preserve essential programs.

Assemblyman Magnarelli also provided the Town of Van Buren \$125,000 in Capital Funding for the installation of a sidewalk near Ray Middle School and the purchase and installation of playground equipment for Van Buren Central Park.

Since 2015, Assemblyman Magnarelli has awarded \$28,000 in grant funding for the Baldwinsville Public Library for building improvements, furniture and equipment.
