Students!

Earlier this year, I partnered with our local schools and libraries to host a **Summer Reading Challenge!** Many students across the district participated, making reading over the summer a fun activity!

When summer came to an end, I received thousands of book reports and reviews and was delighted to see so many of our students enjoy the stories they read.

To you, the students who took on the challenge and had fun, I want to say **Congratulations!**

Parents,

I'm so grateful to you for supporting your children's education. Your work today helps shape tomorrow's future. While you do that, I will continue to fight for full funding of our school districts and reduce prices of the goods you need in your day-to-day lives.¹

Please reach out to me if you have any questions or concerns.
