THE STATISTICS ARE REAL

I'M WORKING TO CHANGE THEM

**A MESSAGE
FROM:**

Assemblywoman

Jodi Giglio

THE STATISTICS ARE *REAL* IN NEW YORK¹:

89% of intimate partner homicide victims statewide were female

18% of discharges from substance abuse programs reported being a victim of domestic violence or intimate partner violence

 Local domestic violence hotlines received **269,217** calls statewide

I'M FIGHTING TO *CHANGE* THOSE STATS.

- ✔ I want to strengthen protections against online sexual harassment (A.319)
- ✔ I want to give justice to victims of sexual offenses (A.2709)
- ✔ I want to grant family leave to those who go through a stillbirth (A.2880)
- ✔ I want to ensure that hospitals and other facilities that know of sexual abusers notify the state departments of health and education to track these offenders (A.2991)
