Supporting Families and Investing in our Children's Future

In today's fast-paced world, reliable child care is not just a convenience but a necessity for all families. By providing support for quality child care, we empower families to thrive in our communities while investing in the well-being and future success of our children.

Accessibility and Affordability

I support giving parents who work non-traditional hours more convenient child care (A.9126)

Keeping Our Kids Safe

I'm proposing legislation requiring additional labeling on all cannabis products to protect underage children (A.6094)

Providing Quality Education

I support giving Universal Prekindergarten providers, including day care providers, more funding so they can provide quality education to our children (A.9128)

Assemblywoman

Jodi Giglio

Quality child care begins with listening. As your Assemblywoman, I want to hear any concerns or questions you may have so we can make our community a better place.
