ASSEMBLYMAN JARETT GANDOLFO

I am fighting for policies that would:

Crack Down On Crime And Back Our Law Enforcement Officers

- ★ Require life without parole for anyone convicted of first- or second-degree murder when the victim is a police officer, first responder, or correctional officer ([A.1480](#))
- ★ Allow judges more discretion to set bail for all gun-related crimes, making it less likely that defendants are automatically released before trial. ([A.632](#))
- ★ Create a new crime for intentionally blocking public roads and building entrances during disruptive protests ([A.11086](#))
- ★ Make certain offenses committed against law enforcement, firefighters, and emergency medical services a hate crime ([A.5187](#))

Combat Human Trafficking

- ★ Expand New York's felony sex offense laws to include more serious prostitution and sex trafficking crimes, including child sex trafficking ([A.1349](#))
- ★ Would require hotels and motels to keep guest records and IDs for five years, security footage for 90 days, limits hourly room rentals, and increases penalties for violations ([A.10128](#))
