ASSEMBLYMAN STEVE STERN: Always Delivers for Our Community

I am so proud to deliver record funding from Albany to protect our Long Island suburban quality of life.

Additionally, as your Assembly representative, I have:

- **Supported millions in funding for transportation infrastructure** to fix Long Island's crumbling roads and bridges, including the re-paving of the Long Island Expressway and Northern State Parkway¹
- **Delivered state-of-the-art technology for the Nassau County Police Department** to apprehend dangerous criminals and keep our neighborhood streets safe²
- **Provided resources to the Town of Oyster Bay and Plainview-Old Bethpage School district**² for new adaptive playgrounds for children of all abilities³
- **Introduced bi-partisan legislation to ensure Long Island receives our fair share** of transportation and infrastructure funding, which our hardworking taxpayers have earned and deserve⁴
