Assemblywoman Jean-Pierre helped pass a measure protecting state employees under the Age Discrimination in Employment Act of 1967 (A.2546), which prohibits employment discrimination against any potential employee 40 years of age or older.

She also helped pass the 2018-19 state budget, which provides:

- **\$8.16 million** to support long-term care
- **\$7.81 million** for spousal refusal, which ensures that couples don't lose their life savings in the event a spouse becomes ill and needs nursing home care
