

Summer Reading Challenge

Assemblywoman Jean-Pierre is holding her annual Summer Reading Challenge, which encourages children to read for 15 minutes a day for 40 days this summer. Kids should mark off each day they read on a calendar, which can be picked up at local libraries, Assemblywoman Jean-Pierre's office or printed from her Assembly website. Children who complete the challenge can send the marked calendar to Jean-Pierre's office to receive a New York State Assembly Excellence in Reading Certificate. When you visit your local library, there's an ocean of possibilities, so make sure to stop by this summer.

Questions? Concerns? I'm here to help.
