**KEITH BROWN IS WORKING HARD TO
KEEP LONG ISLAND COMMUNITIES SAFE**

**KEEPING OUR
COMMUNITIES
SAFE AND SECURE**

TO CONTINUE TO IMPROVE PUBLIC SAFETY IN OUR STATE, I SUPPORT:

PROTECTING OUR COMMUNITIES by helping facilitate the distribution of fentanyl test strips and information about their usage through state-approved opioid overdose prevention programs (A.5004) and opting New York state into the nationwide “Teal Alert” system for missing adults between the ages of 18 and 64 (A.3230).

PROTECTING OUR CHILDREN, TEENS AND STUDENTS by raising awareness of the dangers of cannabis use (A.5045), improving classroom safety mechanisms, emergency medical equipment and school safety preparation (A.4534), establishing standards for security and safety of school grounds (A.3728) and prohibiting cyberbullying in schools statewide to promote bully-free learning environments (A.3112).

PROTECTING CONSUMERS AND LONG ISLAND HOUSEHOLDS by revoking licenses to sell cigarettes, tobacco products, alcohol and lottery tickets from businesses that violate New York state’s cannabis law (A.9520), closing retail locations selling cannabis products without a license (A.8428-A), requiring batteries for bicycles and scooters to be tested and approved prior to use (A.7889-A) and creating the Commission on Battery Fire Safety Practices to address the dangers of lithium-ion battery fires and emergencies (A.5386).

For questions or concerns regarding this or any other state/local issues, please feel free to reach out to my District Office:
