

E-NEWSLETTER

ASSEMBLYMAN

KEITH P. BROWN

### *A Message from Keith:*

With the 4th of July upon us, summer is in full swing! And what better place to experience it than our beautiful island and our amazing state? I am always struck by the fact that we have it all — beaches, parks and trails—there is literally something for everyone! I hope you find the opportunity this summer to get out there and enjoy it!

We are also at the halfway point of the year and just marked the end of another Legislative Session. This year, I worked tirelessly to help make New York State safer, smarter, and cleaner. I fought to improve public safety and tackle the opioid/fentanyl crisis head on by introducing legislation to make a wider variety of opioid reversal agents available. I prioritized building an emotionally supportive educational environment in our schools with bills that would dial back on cellphone usage during classroom instruction and protect our children from exploitative features in online products as well as addictive social media platforms. And finally, I helped to improve water quality around the island by co-sponsoring the Suffolk County Sewer Commission and protecting the environment by co-sponsoring the Packaging Reduction and Recycling Infrastructure Act. I am proud of the work I have done and am ready for the challenges ahead.

Although we have many challenges facing us, the only way to address them is by working together in a bi-partisan manner, negotiating and attempting to reach a consensus. I am honored to serve as a New York State Assemblyman, and I will continue to speak up for communities, families, students, and children on Long Island and beyond. I look forward to continuing to serve the people of the 12th Assembly District—I love representing my hometown!

Have a safe and healthy summer and Happy 4th of July!

Your Assemblyman,

### *Huntington St. Patrick's Day Parade Grand Marshal Nomination for 2025*

No words can adequately describe how thrilled I am. At last night's Hibernian meeting, I was nominated to be the 2025 Grand Marshal of the Huntington St. Patrick's Day Parade! I am so humbled and honored. I have been a member for three decades, and it's been a lifelong dream to one day lead the parade down New York Avenue. So much history.

Thank you to my fellow brothers for bestowing this incredible honor upon me and to my family for always supporting me. Yours in Friendship, Unity and Christian Charity! Slainte! (6/13/2024)

### *250th Reading of the Declaration of Rights*

We had a little fun with the 250th reading of the Declaration of Rights, which was the precursor to the Declaration of Independence after the Boston Tea Party in 1774. My attempt at making history come alive was a great experience. We have a lot of history in Huntington to be proud of relating to the Revolutionary War period! (6/21/2024)

### *State Parole Board Press Conference*

I stood alongside members of the Assembly and Senate and members of the law enforcement community to continue calls for stronger oversight of the state parole board.

Since 2017, the parole board has freed 41 cop killers. Another cop killer, Mitchell Martin, who killed NYPD Officer James Whittington in 1982 and was sentenced to a maximum term of life imprisonment, is scheduled for a parole board hearing on June 11, 2024.

Mitchell Martin should not be released on parole, period. NYPD Officer James Whittington and his family deserve peace and justice, and if Martin is allowed to walk the streets of our community once more, it is an insult to James' memory and a blatant disregard for the safety of New York families.

I am proud to stand with my Assembly and Senate colleagues to call for change and have the backs of our courageous law enforcement officers who risk their lives each and every day to protect us all.

To help support local law enforcement, I sponsored proposals A.5935, which will prohibit the release, on parole or otherwise, of persons convicted of first-degree murder, and A.9788, which will establish a real property tax exemption for the primary residences of widows and widowers of police officers killed in the line of duty.

I am grateful to Officer Whittington for his service to his community—he did not die in vain. (6/14/2024)

### *2024 Northport Memorial Day Parade*

The rain held off and a lot of people came out to pay their respects at the Northport Memorial Day Parade. Thank you to the organizers and marchers. (6/14/2024)

### *AARP*

I was happy to join a few of my elected colleagues at the annual AARP legislative breakfast in Hauppauge. We discussed, among other things, the high cost of prescription drugs and what we as a Legislature are trying to do about it. Many thanks to AARP for hosting! (6/11/2024)

### *NYS Assembly Members Retiring*

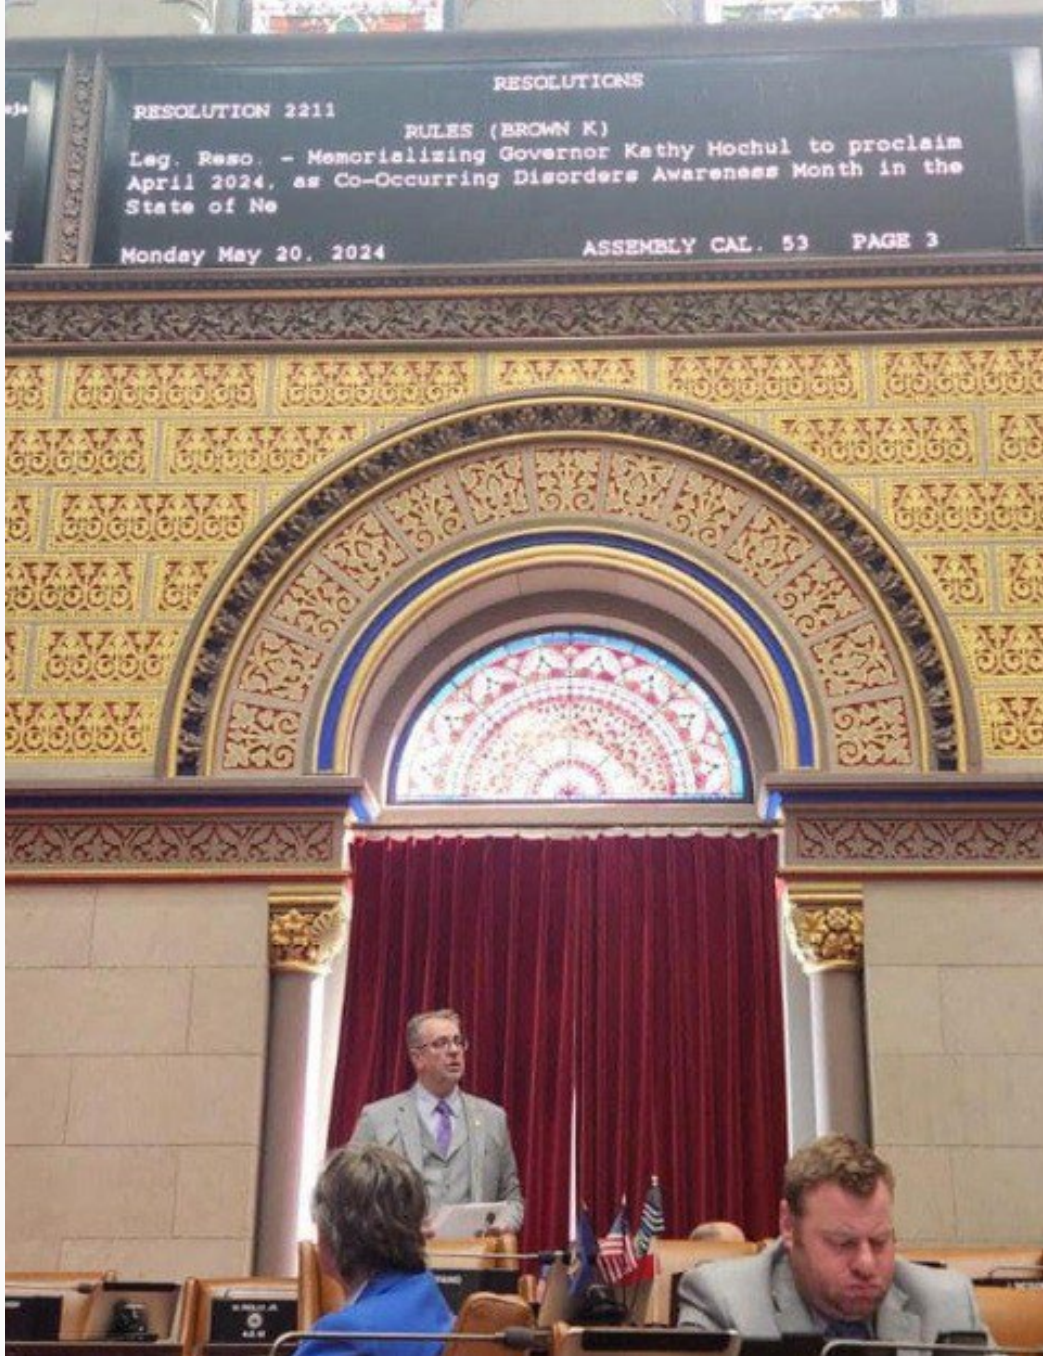

We held a farewell breakfast for three beloved members of the NYS Assembly who are retiring after this year.

- Floor Leader Andy Goodell
- AM Joseph Giglio, Ranker of the Ethics and Guidance Correction committees
- AM Marjorie Byrnes, Ranker of Children and Families Committee

Their dedication and expertise in their fields are unsurpassed. We are really going to miss them.

I want to personally thank them for their friendship, guidance and mentorship during our time together.

And I want to wish them a happy retirement! Now every day is Saturday!  
(6/4/2024)

### *Co-Occurring Disorder Month in New York State*

I was very happy to do my part to pass a resolution declaring, for the very first time, April as Co-Occurring Disorder Month in New York State—no short feat as we first had to get it passed by a higher authority per the house rules.

Many thanks to Rep. Nick LaLota and his office for bringing the resolution forward in the House of Representatives!

I was honored to have Stephanie Marquesano in the Assembly Chamber to mark the occasion!

This is just the start of changing our system of care to ensure a true “no wrong door” approach to mental illness and substance abuse! (6/3/2024)

### *Italian Heritage Day*

It was Italian Heritage Day in Albany as we hosted several prominent Long Islanders from the Italian American Community. We also celebrated the Annual Festa Celebration in Troy and played in a bocce ball tournament! (6/2/2024)

*Greater Huntington Boating Council*

Another great Waterfront Fest organized by the Greater Huntington Boating Council on a beautiful day down at Mill Dam Park! (6/1/2024)

### *12th Assembly District Women of Distinction*

We had a really nice time honoring the 12th Assembly District Women of Distinction this year on a perfect day at the View. Thank you to all the people who nominated, the honorees and their families for participating! It's one of my favorite events each year! (5/31/2024)

### *Yoga Day 2024*

Last week, we celebrated Yoga Day in the New York State Assembly, thank you to my colleagues Assemblymembers Nader Sayegh and Jenifer Rajkumar!

(5/26/2024)

### *Hall of Famer*

I once saw him hit a moon shot against the Yankees just below the Steinbrenner sign in right field. It looked like the Bugs Bunny cartoon!

Big Papi stopped by the people's house to promote his children's foundation! It was great to meet the Hall of Famer! (5/24/2024)

## JOINT PRESS RELEASE: ASHAROKEN SEAWALL NEEDS REPLACEMENT TO PROTECT ASHAROKEN VILLAGE AND EATON'S NECK COMMUNITY

Assemblyman Keith P. Brown (R,C-Northport) stands alongside Sen. Mario R. Mattera (R,C-Smithtown), Asharoken Mayor Dr. Gregory Letica, other elected and appointed officials and community representatives at the Asharoken Seawall in Asharoken Village on Friday, May 10, 2024.

Sen. Mario R. Mattera (R,C-Smithtown), Assemblyman Keith P. Brown (R,C-Northport) Asharoken Mayor Dr. Gregory Letica and other elected officials from the area met at the Asharoken Village Hall last Friday alongside appointed officials from the federal, state, county, town and village governments and stakeholder community members from the Asharoken and Eaton's Neck communities to discuss the current condition of the Asharoken Seawall and strategies to improve it.

### Representatives included:

Michael Iannelli – U.S. Sen. Chuck Schumer  
Lauren Lembo – U.S. Rep. Nick LaLota  
Col. Alexander Young – New York District Commander and District Engineer, U.S. Army Corps of Engineers  
Anthony Ciorra, PE – Chief, Coastal Restoration & Special Projects Branch, U.S. Army Corps of Engineers, New York District  
Hon. Rob Calarco – Gov. Kathy Hochul  
Thalia Olaya – Gov. Kathy Hochul  
Hon. Mario R. Mattera – NYS Senate  
Rob Caroppoli – NYS Sen. Mario R. Mattera  
Hon. Keith P. Brown – NYS Assembly  
Ken Murphy – New York State Department of Transportation  
Chris Engelhardt – New York State Department of Environmental Conservation  
Cathy Haas – New York State Department of Environmental Conservation  
Ryan McGarry – New York State Department of Environmental Conservation  
Hon. Stephanie Bontempi – Suffolk County Legislator  
Tyler Cobe – Suffolk County Legislator Stephanie Bontempi  
John T. McCarron – Deputy Town Supervisor for the Town of Huntington  
Hon. Andre Sorrentino – Huntington Highway  
George Schwertl – Huntington Highway  
Michael Ruconich – Huntington Highway  
Garrett Chelius – Huntington Maritime Division  
Hon. Greg Letica – Mayor of Asharoken  
Phil Waiter – Eaton's Neck Fire Department

Bill Raisch – Asharoken Emergency Management

John Ballow – Property Owners of Eaton’s Neck Beach and Greater Eaton’s Neck

Christine Ballow – Property Owners of Eaton’s Neck Beach and Greater Eaton’s Neck

Tom Kehoe, Jr. – Property Owners of Eaton’s Neck Beach

Tor Vincent – Eaton Harbor Corp.

Philip Quarles – Asharoken Resident

“With the current condition of the Asharoken Seawall, it is imperative we act to protect the residents who are affected every time there is a significant weather event,” said Sen. Mario R. Mattera. “That is why I worked quickly with Assemblyman Keith Brown to get all the stakeholders together to have an open and honest discussion.”

“By bringing federal leaders like Congressman LaLota and Senator Schumer together with Legislator Stephanie Bontempi, the Town of Huntington, the Army Corps of Engineers and state agencies like the Department of Environmental Conservation, we can have the needed dialogue that will bring real solutions.

“As we have seen too many times, this is too critical of an issue to kick down the road, and I thank all who attended for their interest and their participation. The time to act is now, and only by working together on every single level will we achieve the goals we all share—protecting the residents of both Eaton’s Neck and the Village of Asharoken.

“This meeting showed that such coordination is truly possible, and that is a great step for all,” concluded Mattera.

“Sen. Mattera and I were very pleased with the response from all levels of government to our letter to discuss the condition of the seawall and the need for action to determine a short-term action plan to make immediate repairs and avoid a catastrophic failure of the seawall while a longer-term solution can be put in place,” said Assemblyman Keith P. Brown.

“I was very pleased everyone understood the urgency of the situation, and everyone was willing to work together to build consensus. I look forward to coming up with a solid action plan to move forward to protect the residents of Asharoken and Eaton’s Neck and emergency personnel from any harm during future storms,” Brown concluded.

“I was glad to work with State Senator Mattera and Assemblyman Brown to convene stakeholders from every level of government for a productive discussion about efforts needed to protect Asharoken Avenue, a village road that is the only passageway to mainland Long Island for approximately one-third of village residents and all the residents of Eaton’s Neck. I’m also proud that \$2 million in federal funding I appropriated has been secured by the village in recent years to make repairs to the crumbling seawall and plan future protective measures. I will continue collaborating with state, county, town, and village leaders on long-term solutions to this continued flooding,” said Sen. Chuck Schumer.

“The Asharoken and Eaton’s Neck communities have waited decades for a permanent solution,” said Congressman Nick LaLota. “Understanding the critical situation at the Asharoken Seawall, just a week after taking office, I visited the seawall with Mayor Letica and Senator Mattera. After 17 months of communication and testimony before the Water Resources Committee, we remain committed to supporting local stakeholders in achieving this long-overdue fix.”

“The Town of Huntington and the Town Highway Department have always offered their support to the Village of Asharoken and will continue to provide assistance in the future where we can. It is our hope that a long-term solution for this critical infrastructure will soon be forthcoming,” said Huntington Town Supervisor Edmund Smyth.

“I thank Senator Mattera and Assemblyman Keith Brown for organizing the meeting and all the attendees. With the seawall on the precipice of collapse and the possibility of a breach of Asharoken Avenue, all parties that could assist in finding a solution to the critical seawall replacement and beach restoration needed to come together. The path to a new seawall and a restored beach requires the coordination of all levels of government and many government agencies. This meeting was a

terrific first step in that direction. I look forward to using the meeting as a springboard to complete both an interim and long-term fix of the seawall as quickly as possible,” said Mayor Letica.

(5/22/2024)

### *Safe Streets Coalition, AARP & Moms Demand Action Meetings*

One of the best parts of my job is meeting some great people who want to make a difference. Recently, I met with representatives of:

- Safe Streets Coalition
- AARP
- Moms Demand Action

I thank them for driving to Albany and advocating for their causes and educating me! (5/16/2024)

### *Love My Park Day 2024*

I was very happy to see the volunteers come down to Caumsett Park to be a part of Love My Park Day! They divided up into teams and worked on projects all around the park. I'm very grateful for their dedication and care they show Caumsett!  
(5/15/2024)

### *Annual Poetry Awards Contest*

Every year, I get invited to the Walt Whitman Birthplace for the Annual Poetry Awards Contest, but this year was special because I got to give a proclamation to Gabriel Marano, and he was so grateful you can see it in the smile on his face! Congratulations to all the winners. But especially for Gabriel! (5/13/2024)

### *3rd Annual Veterans Appreciation Breakfast*

Last week, I was very happy to collaborate with my colleagues Suffolk County Legislator Stephanie Bontempi and NYS Assemblyman Steve Stern on our 3rd Annual Veterans Appreciation Breakfast.

It's grown and become a really great event. Special thanks to the American Legion Hall Post 360 for hosting and CN Guidance for supporting veterans with mental health services and an information table for anyone who needs help!

We can't do enough to help our veterans in need! (5/12/2024)

## *Stony Brook Ronald McDonald House*

Last week, I attended the ceremonial groundbreaking of the Stony Brook Ronald McDonald House.

Their remarkable goal of a 30-bedroom house for families and children at Stony Brook Children's Hospital will be the only one in Suffolk County. It was an honor to celebrate with my elected colleagues and everyone who helped make it possible!

Stony Brook Medicine  
Ronald McDonald House Charities (RMHC)  
NYS Senator Mario Mattera  
Legislator Chad Lennon  
Legislator Nick Caracappa  
Assemblyman Mike Fitzpatrick  
George Schwertl  
Brookhaven Town Supervisor Dan Panico  
Suffolk County Legislator Steve Englebright  
Brookhaven Town Councilman Jonathan Kornreich  
Senator Monica Martinez  
Nassau/Suffolk Building Trades

(5/9/2024)

## *Safety for Jewish Students*

Students throughout our state go off to college for a variety of reasons. They go to receive a higher education, make new friends and memories, take advantage of new opportunities, study abroad and prepare for an exciting career in a field they enjoy. Our students should not have to worry about being subjected to bullying, harassment and discrimination as a result of antisemitism on college and university campuses.

The Hamas attacks overseas have created hostile environments in different regions of our state, and this phenomenon has to be stopped. No student or member of the community should fear for their safety because they are Jewish—our state and nation celebrate different religions, and the persecution and hate crimes we are seeing will not be tolerated. (5/8/2024)

## *Northport Historical Society*

I was thrilled last week to be part of a great celebration of not only a historic business in town but a tremendous person in Artie Glad! As the Northport Historical Society honored Pumpnickels' Golden Anniversary!

I was joined by my elected colleagues:

Former NYS Senate Majority Leader John Flanagan  
Town Clerk Andrew Raia  
Northport Mayor Donna Koch  
Former Mayor Peter Nolan  
Northport Trustee Rich Boziwick  
Town Historian Robert Hughes  
Northport Historical Society Co-Presidents  
Deb Newton and Carolyn Hyatt-Basche  
Executive Director Teresa Reid

What a great night!

(5/6/2024)

## *Eagle Scouts*

Please help me welcome Huntington's newest Eagles

Ben Brass  
Lance Schneider  
Ronnie Carrillo

Congratulations to all three of them, their parents and the Troop 12 leadership for their amazing accomplishments.

Best friends in scouting, best friends as Eagle Scouts! (5/5/2024)

### *SUNY Albany Students*

Wednesday, April 17, I had the privilege of meeting with SUNY Albany students visiting the New York State Capitol. It is great to see the students of our state visit us here in Albany to see how government works and meet some of the elected officials who represent them.

As a SUNY Albany alumnus, I was very proud to welcome them. (4/19/2024)

### *New York State's Donate Life Registry*

Tuesday, I attended a bipartisan press conference to promote New York State's Donate Life Registry. I had the privilege of speaking with 11-year-old Ava Walia

who is helping lead the charge with organ donor advocacy, and I also heard many stories of personal experiences with organ and tissue transplants and donations from my colleagues.

I am proud to see this collaboration between Assemblymembers to help raise awareness and expand this program to reach more communities statewide. There are 7,962 patients from our state currently on the national organ transplant waitlist, and the list is still growing. To prevent more names from being added and prevent those currently on it from passing before a suitable organ donor can be found, I encourage everyone to register for organ and tissue donation today!  
(4/18/2024)

[Link to Register](#)

*3rd Annual Co-Occurring Disorder Conference*

I can't thank the Committee enough! It's such a privilege to work with all of you! Thank you for making our 3rd Annual Co-Occurring Disorder Conference a huge success!

Special thanks to our event sponsors Northwell Health and Catholic Health Services, the keynote speakers, the panelists and presenters and all of the attendees!

We need to do more to prevent young people from drug use and get them the mental health care they need, and if they are using, get them a dual diagnosis so they can treat the underlying causes of their substance use disorder!

An incredible day! (4/12/2024)

## *Hamis Hostages*

I was proud to stand with event organizers Kurt Roth and Amanda Aussems at a press conference in Albany today calling for the immediate release of the 134 hostages currently being held in Gaza by Hamas.

It is terrible to see the families of the 134 hostages being held in Gaza continue to suffer. The hostages have been held for 179 days now, and of the 134 hostages, two of them are New Yorkers—Omer Neutra and Edan Alexander. Until we see their immediate release and safe return home, I am proud to stand in solidarity alongside my colleagues and fellow New Yorkers to support this humanitarian effort.

There is no moral basis, and it is a violation of international law. Together, we can send a very clear and strong message to the terrorist group Hamas: we will not rest until the 134 hostages are freed and returned home to their families. Bring them home now! (4/2/2024)

# FREE NARCAN & TEST STRIPS

Valuable resources that can make a profound difference in our community are now at your fingertips. We are pleased to announce that free naloxone and drug test strips are readily accessible to help identify harmful additives, prevent overdose tragedies, and ultimately, save lives.

In the face of the opioid crisis, it's crucial that we come together to ensure the safety and well-being of our community members. Naloxone is an essential tool in reversing opioid overdoses, and drug test strips provide a means to detect dangerous substances before they cause harm.

Together, we have the power to be proactive, to protect one another, and to make our community a safer place for all. Your willingness to take this step could be a lifeline for someone in need. You can visit Naloxone Access for Impacted Communities to receive a free Narcan kit and training.

[Visit Naloxone Access](#)

THE  
**HOPE**  
LINE

## ***The HOPEline***

- New York State's HOPEline is a confidential support and referral hotline for individuals struggling with addiction and problem gambling. It is staffed by trained, masters-level clinicians 24 hours a day, seven days a week.
- HOPEline can provide information about addiction and problem gambling assessments, interventions, treatment, and support in New York State. HOPEline can also provide crisis intervention support, including de-escalation and collaboration to connect to 911.
- To contact the HOPEline, you can call 1-877-8-HOPENY (467369) or text HOPENY (467369). All services are free and confidential.

### **Here are some of the things the HOPEline can do for you:**

- Provide information about addiction and problem gambling
- Answer your questions about addiction and problem gambling
- Help you find a treatment provider in your area
- Provide crisis intervention support
- Connect you with other resources in your community
- If you are struggling with addiction or problem gambling, please reach out to the HOPEline for help. You are not alone.

## **SUICIDE HOTLINE**

In the midst of the season's joy and warmth, it's crucial to acknowledge that not everyone shares in the wonder. Let's extend our compassion to those who may be struggling quietly. Small acts of kindness, like sharing a cup of coffee, can provide comfort and a deep sense of connection to those in need.

I'd like to introduce you to the 988 hotline, akin to the well-known 911 for mental health crises. Whether one faces anxiety, depression, or any mental health challenge, this hotline offers vital support and guidance.

Remember, you don't have to face tough times alone.

I'm here, ready to listen and offer support any time, day or night. Let's raise awareness about mental health and suicide prevention, spreading the word about the 988 hotline among your friends and loved ones. Together, we can make a significant impact in the lives of those who need it most.

### ***Internship Opportunities***

New York State Assemblyman Keith P. Brown's District Office is seeking students who have a strong work ethic and a passion for their community. Interns will have the opportunity to further their education in public service

and local government while enhancing their administrative and writing abilities. If you are interested in an internship, please contact John Hagan at [haganj@nyassembly.gov](mailto:haganj@nyassembly.gov).

For any questions or concerns regarding this or any other state/local issues, please feel free to reach out to my District Office: 6080 Jericho Turnpike, Suite 310, Commack, NY 11725  
631-261-4151 • [brownk@nyassembly.gov](mailto:brownk@nyassembly.gov)
