

Assemblymember Charles D. Lavine

Spring Summer Newsletter 2025

Dear Neighbor,

As your representative, and as a senior voice in the Assembly, I remain committed to helping New York State set precedence on legislation that affects us all. With that in mind, this session I introduced legislation A03966 which would require that the January 6th attack on democracy be taught in schools. Protecting human rights and keeping our courts safe are also among my priorities. I proudly continue to secure state grants for public schools, police departments, libraries, and community organizations. My office continues to be accessible to address community concerns and any other quality of life matters. Should you have any questions or wish to provide feedback, my staff and I are here to assist you at (516) 676-0050 or email lavinec@nyassembly.gov.

Sincerely,

Charles D. Lavine
