

Utility Readiness for Gaining Employment for Non-Traditionals

At Nassau Community College - Center for Workforce Development

URGENT: Youth is a free career training program designed to prepare youth ages 18-24 to qualify for in-demand jobs in the gas, water, and electric industries. This program offers classroom instruction in Energy Industry Fundamentals (EIF), OSHA 10, employability workshops and industry field trips.

This training opportunity for youth includes a convenient class schedule, access to job shadowing and role models in the field, and ability to earn two industry certifications - one in EIF and the other in OSHA 10. After successfully completing the program, participants will be introduced to recruiters from participating companies. Partner employers include:

Minimum Requirements:

- HS Diploma or Equivalent
- Valid Driver's License
- Interest in Technician Work
- Ability to Do Physical Labor & Work Outdoors
- Background Check, Social Media Check, and Drug Testing (prior to employment)
- Proven Eligibility to Work in the U.S.

Course Dates:

Dates: Monday, Wednesday and Fridays, from September 16 – December 13, 2019

Times: 10am-2:30pm

Location: Nassau Community College, Garden City, with select one-day onsites at PSEG Long Island, National Grid, American Water, Suffolk County Water Authority and Con Edison.
