Many children face tough financial issues at home, and a donation as simple as a pocket folder or box of crayons will mean the world to a struggling family. I hope you will give this your full consideration and help a student achieve success. I know that by assisting needy families, we can become stronger as a community and feel proud that we are helping these students succeed.

For more information on this or any other state issues, please contact
Assemblyman McDonough at: 516-409-2070 or mcdonoughd@nyassembly.gov
