

## HAITIAN UNITY DAY AT THE CAPITOL

The New York State Assembly paused in its deliberations to proclaim May 28, 2014, as Haitian Unity Day in the State of New York. The Resolution passed was in honor of Haiti's legacy of liberty and justice throughout the world. The Resolution was also in honor of the significant and countless contributions made by New Yorkers of Haitian descent who enriched our Nation and our State. It was sincerely my pleasure and my honor to have Long Island's Haitian Community leaders experience this momentous occasion in Albany.
