March 2018

Celebrating the Year of the Dog

Happy Lunar New Year and the Year of the Dog! From school performances to the annual parade, it has been an incredible Lunar New Year season. 祝您農曆新年快樂! 새해 복 많이 받으세요!

Recognizing National Eating Disorders Awareness Week

While in Albany this week, I welcomed an incredible group from the National Eating Disorders Association (NEDA) to help advocate for my bill to improve insurance coverage of eating disorders. NEDA joined me as we passed an Assembly Resolution recognizing February 26th through March 4th as National Eating Disorders Awareness Week.

Counting on You!

With the upcoming 2020 Census fast approaching, I joined my colleagues and non-profit leaders in advocating for state legislation that would create the 2020 Complete Count Commission. New York needs to utilize all available resources so that our voices are well represented at all levels.

Encouraging Young Leaders

It was a pleasure to meet with students of Yeshiva University High School for Girls (Central) who participate in the ACE (Architecture, Construction, and Engineering) Mentoring Program! Before touring the LaGuardia Airport project, we discussed government, economic development, and the challenges facing young women entering male-dominated fields.

Expanding Health Care Services

I attended the recent ribbon cutting ceremony for the New York-Presbyterian/Queens (NYPQ) new multi-specialty location. It will allow patients to visit specialized doctors in a single location with multilingual staff ensuring culturally sensitive accommodations. I applaud NYPQ's continuing advancements and contributions to the health and well-being of the Queens community!
