

A report to the 25th Assembly District from

ASSEMBLYWOMAN NILY ROZIC

Summer 2018

Giving Back to Seniors

From dance classes to workshops, the Selfhelp Rosenthal Senior Center's auditorium is a central space for members and it is my privilege to provide funding to support renovations and upgrades!

Meeting Neighbors

There is no better way to learn about issues facing the district than by speaking directly to constituents! I've been hitting the streets to meet as many neighbors as I can. If I can be of service on any specific issues on your block, please reach out!

Combating Anti-Semitism

I sent a follow-up letter to President Trump urging his administration to fill the vacancy in the U.S. Department of State for a Special Envoy to Monitor and Combat anti-Semitism. Given the recent rise in anti-Semitism in Queens and around the world, it is crucial that this office be fully staffed and funded. We must do our part to ensure that the proper action is taken to monitor and confront anti-Semitism around the world.

On The Right Track

We started back to school season by announcing \$750K in funding that I've allocated to Queens College for capital plan and athletic track upgrades!

Starting the New School Year!

I had a blast seeing students and handing out school supplies on their first day back in school! I wish teachers, faculty, students, and families a successful and productive academic year.

Stay in Touch!

My district office is located at 159-16 Union Turnpike, Flushing, NY 11366 and I can always be reached at RozicN@NYAssembly.gov or **718-820-0241**
