"Everyone should be safe in our community.
That's why I passed vital measures to
improve public safety, from cracking down
on unnecessary criminal case dismissals to
expanding gun violence prevention initiatives."

— *E. Braunstein*

ASSEMBLYMAN EDWARD C. BRAUNSTEIN HELPED PASS NEW LAWS THAT PUT OUR SAFETY FIRST

- ✓ **Reformed discovery laws** to further justice in our state and help provide peace of mind to crime victims by closing loopholes that caused case dismissals
- ✓ **Expanded involuntary commitment laws** to help people in mental health crises receive care and keep the public safe
- ✓ **Restored the 20-year NYPD service retirement** and increased pension benefits for NYPD police detectives, sergeants, and lieutenants who serve 25 years or more to help recruit and retain law enforcement officers
- ✓ **Invested in gun violence prevention programs** and established the state Office of Gun Violence Prevention
