It's my honor to represent you in the New York State Assembly. As 2024 concludes, I would like to take the time to hear your feedback by filling out my constituent survey below. Your feedback informs my legislative priorities for 2025.

A bill may be filed by any 150 members of the New York State Assembly and generally, more than one legislator will sponsor a bill. The legislator whose name appears first on the bill is the prime sponsor. Those thereafter are considered cosponsors.

Below is a summary of the bills categorized by major themes and their intended impacts. As of June 2024 here are the prime and co-sponsored bill numbers

- Cosponsored: 185
