

## Join our Summer Reading Challenge!

Hello neighbors, I hope you're staying cool amidst this heat.

We're excited to share that today is our first day of our summer reading challenge & we'd love to have your children and the young people in your life participate.

To participate:

- Obtain a [reading calendar](#). Digital copies in [Spanish](#) and [English](#) are also available. For physical copies, send us an email at [AD36@nyassembly.gov](mailto:AD36@nyassembly.gov) with your mailing address\*
- Mark every day that your child has read 15 minutes or more in July and August
- When 40 days are crossed off, please return the calendar to our office: 24-08 32nd Street, Suite 1002A • Astoria, NY 11102 to receive an excellence in reading certificate

\* Additional languages will soon be available, and physical copies will soon be available at the Astoria Branch of the Queens Public Library.

We look forward to all the participation! For additional reading ideas and preschool book activities, visit: [daybydayny.org](http://daybydayny.org).

Happy reading!

Zohran
