New York State Assembly's **2022 Summer Reading Challenge**

OCEANS OF POSSIBILITIES

In cooperation with Summer Reading at New York Libraries

Sponsored by

Dear Friend,

When school lets out for the summer, we can encourage our kids to continue learning by picking up a book. Reading can be fun! It's a chance to become immersed in a thrilling narrative, explore far-off worlds, discover new interests or learn new skills. And, reading over the summer break can help fight the loss of learning known as the 'summer slide,' providing benefits that extend far beyond the summer months. With that in mind, I'm sponsoring a Summer Reading Challenge, in coordination with New York State Libraries, to inspire kids to read on a regular basis throughout the summer break. This year's theme is "**Oceans of Possibilities**," celebrating all things water and ocean-related.

Here's how the challenge works: mark the enclosed calendar for each day in July and August that your child reads with you, someone else or on their own. Once you have marked off 40 days or more, please return the completed form to my office, and I will award your child a New York State Assembly Excellence in Reading certificate.

Discover the Oceans of Possibilities waiting for you this summer! You can find the library nearest you at summerreadingnys.org/parents/parents-find-your-library. Thank you, and happy reading!

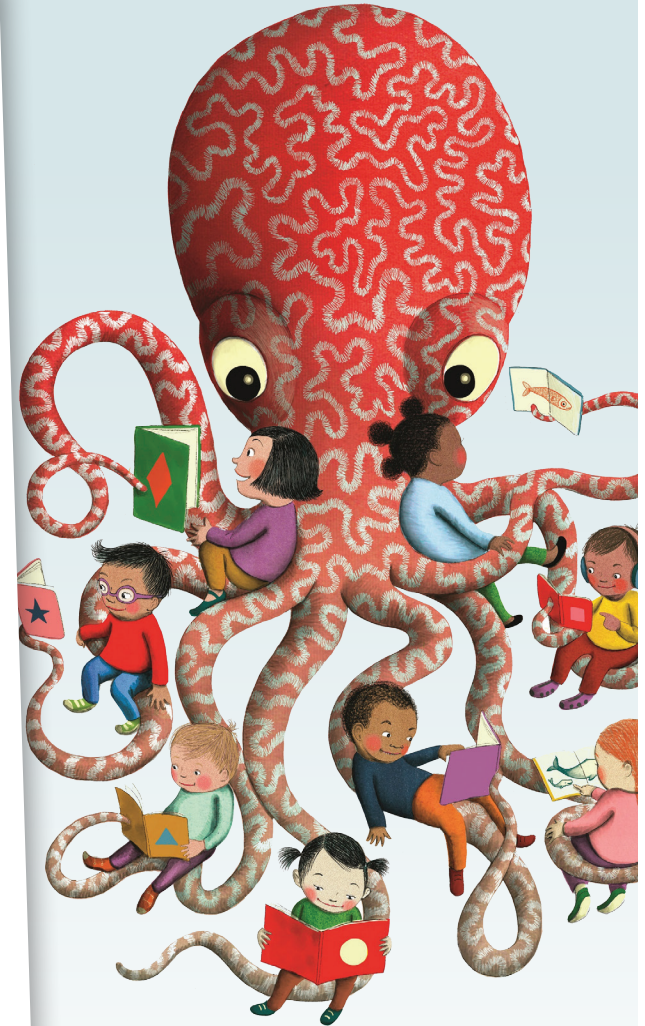

Sincerely,

Zohran K. Mamdani
