

# Assemblywoman Jenifer Rajkumar WORKING IN THE CAPITAL FOR YOU

**Dear Neighbor,**

As your State Assemblywoman, I am proud to have authored, fought for, and passed several **historic** pieces of legislation in the State Capitol. Many said these victories would be impossible—but I **got it done!**

I am sharing these wins with you on the back of this card. And this is only the beginning.

Right now, I am:

- Leading the fight to **license e-bikes and e-scooters** (A339) so pedestrians are protected on our streets
- Advocating for legislation to **make housing more affordable**, whether you live in a co-op, rent, **or are a homeowner**
- Championing legislation to **lower the cost of healthcare and prescription medications** (A3236)
- **Driving through Penny's Law** to safeguard your beloved pets (A8462-B)

Your voice matters to me. I always want to hear what's on your mind.
