

Assemblymember
RODNEYSE BICHOTTE
HERMELYN
wishes all nurturers a
Happy Mother's Day

Today we celebrate the **strong women** and mothers in our lives. Women deserve a day of recognition for their hard work all year long. Today we honor mothers and mother-figures for their **strength, bravery, and selflessness**. Moms are often responsible for helping us grow our dreams. They cultivate our interests and help make them a reality.

We also understand that Mother's Day can be a difficult time for some.

No matter your situation, we hope you find peace and happiness today.
