To Protect Our Community

Here is just a small part of what I have been working on:

- Make more dangerous convicts serve their time and stay off the streets (A.5225)
- Increase protections for correction officers working in correction facilities (A.1606)
- Allow judges to consider dangerousness when deciding pre-trial detention (A.3183)
- Increase penalties for public indecency (A.5262)

“ Every day, our law enforcement officers risk their lives to keep our community safe. Their service plays a crucial role in preventing crime and keeping dangerous individuals off the streets. As your Assemblyman, I will always support initiatives that protect our families and community and give our law enforcement officers the respect and gratitude that they deserve.
